MOUNT PLEASANT.

Sad Death of Johnny Ewing—Shooting Match—Other Items of Interest.

Our shooting match on Thanksgiving day was a grand success. Messrs. Wm. Smith and C. Rutherford captained the sides, composed of a total of some thirty-four men. A rate was set on each animal and each bird. The day was not a desirable one for hunting yet a good all round score was made, the red squirrels seeming to have been especially taken. When the counting was over there was about the full of a good-sized wash-tub of red squirrels, rabbits, black squirrels, bluejays, woodpeckers, chipmunks and a single Raccoon enumerates the minor part of the shooting. Amid great anxiety to the participants the result was made known that C. Rutherford's side had won by a majority of 120 and then a general rush was made for the dining room where the supper that had been contested for, was partaken of. Our enterprising hotel keeper, Mr. Geo. Seney was caterer and acquitted himself nobly. The supper was excellent and reflected great credit on Mine Host and his efficient staff. All the boys declared that the day's hunt was laborious, yet the romantic pleasure and the sharpened appetites mixed in with it was as good as they were used to.

It is our unpleasant duty to be called upon to chronicle the death of Johnny Ewing, son of the esteemed pastor of the Presbyterian church. Johnny was a youth of 14 years, lively, benign and courteous, which characteristics made him a general favorite. General sympathy for the parents and heartfelt sorrow are the expressions heard resultant from such a melancholy early death. Only last Friday night his condition was so much improved that joyous expectations of an early recovery were entertained, but alas! ere the following morn had broken in the east, his ailment assumed such a fatal character that a violent struggle for life ensued and terminated in the departure of his spirit for the eternal world. On Monday his remains followed by a large cortege of relatives and friends, were interred in the Presbyterian cemetery. Johnny will be greatly missed by all in the village and by none more than his father and mother who are nearly prostrated with grief! We extend our heartiest sympathy to them in this their darkest hour of trial. Mr. Charters, Mr. Geo. Ewing and Mrs. Parker of Toronto; Rev. Jas. Cleland of Port Hope, Rev. Wm. Windell of Pontypool, Mr. and Mrs. Wm. Vance, Mr. and Mrs. G. McIvor, Mr. and Mrs. Wm. McIvor of Millbrook; Mr. and Mrs. Poll of Manvers and Mr. T. McIvor of Lindsay were present at the funeral.

A meeting of the ratepayers of our ward is billed for next Friday night at 7.30 to select a candidate to contest for the honor of Councillor in the coming municipal election.

Some of our nocturnal paraders seem to have a taste for the delicacies in the fowl (fowl!) line. A farmer had his small season's rearing of turkeys taken without leave or license.

Its Excellent Qualities.

commend to public approval the California liquid fruit remedy Syrup of Figs. It is pleasing to the eye, and to the taste and by gently acting on the kidneys, liver and bowels, it cleanses the system effectually, thereby promoting the health and comfort of all who use it.

WELL!

Has your well got a good pump in it? If not, why not?

G. W. GREEN

The Millbrook manufacturer, can supply you with any design of pump you want and at prices to suit the times. Among those of his own manufacture or that of any other make he holds the EUREKA pump to the front, as it is the only pump on the market that can be regulated so as to throw either a light or heavy stream.

If you require a pump give him a call and he will suit you.

He handles a pump specially designed for gardeners and fruit growers. It is a spray pump without either plunger or valve, so that there is no danger of it getting out of order in using poisonous liquids.

is another way of saying "Beware"! Be wary and don't let anyone persuade you into buying any other semblance of an emulsion of cod liver oil. Scott's Emulsion of pure Norwegian cod liver oil and hypophosphites, is such a wonderful curative agent and flesh producer, that many worthless imitations are in the field. Scott's Emulsion is put up only by Scott & Bowne, chemists, Belleville. Scott's Emulsion cures Coughs, Colds, Consumption, Scrofula, General Debility, and all Anaemic Diseases. It prevents wasting in children. It is almost as palatable as milk.
