### MISS MINA GIBSON ENTERS BIG POTATO GROWERS CLASS

We have all heard tell of Mr. Deb Olan and his wonderful production of over 800 bushels of potatoes to the acre, but not too many have heard that Miss Mina Gibson has joined the big potato growers, producing a "murphy" weighing 2 lbs and 4 ounces. This was on exhibition in Mrs. Marshall's store window. Miss Gibson says that there was only the one potato in the hill so we presume the 2 lb. 4oz. vegetable was the amalgamation of the hill's entire crop.

This puts us in mind of a story we once heard. It seems an American visitor over here was disgusted with the small piece of steak served him at a hotel, he told the proprietor they had them twice as big in the States. Likewise a number of other items, also twice as big. This got under the proprietor's skin so he got a big snapping turtle and put it in the guests bed. When he retired for the night the turtle snapped him by the toe. The man hopped out of bed yelling, and as the proprietor came in he asked him what was the matter he said something has me by the toe, what is it? the proprietor replied, what is it? O, that's nothing, that's only a Canadian bed bug. Have you got 'em any bigger in the States.

Carelessness causes most forest fires.

A minute for safety beats a month for repairs.— Drive Safely.

### HOLSTEIN MASTER BREEDER KILLED BY BULL

The most dangerous animal in the world, the "quiet" dairy bull, claimed another victim on October 26th, when F. C. (Cliff) Eligh, one of Canada's most prominent dairymen was killed by his three-year-old herdsire. Mr. Eligh, lived at Finch, near Cornwall, Ontario. He had apparently entered the bull's pen while alone and had been attacked. His badly gored body was discovered later by the hired man who had been plowing.

Mr. Eligh was President of the Holstein-Friesian Association of Canada in 1956, and was prominent as a judge and in community life. He was a Master Breeder.

The funeral took place on Tuesday, October 29, at 2:00 p.m. from the United Church at Finch.

### PROVED AND APPROVED AROUND THE WORLD

Never before in automotive history has a new car faced such a gruelling test before its announcement... a 26,000 mile trip around the world! The '58 Ford conquered the steep winding passes of the Swiss Alps... took Paris by storm... breezed through the Great Salt Desert

of Iran... and swept up and through fabled Khyber Pass without even breathing hard. It was the most rugged test ever devised for any automobile. And now this same Ford beauty and performance can be yours in every Ford for '58. Truly, there is nothing newer in the world!
