After Physicians Failed, Hood's Sarsaparilla Perfectly Cured.

Great mental agony is endured by parents who see their children suffering from diseases caused by impure blood, and for which there seems no cure. This is turned to joy when Hood's Sarsaparilla is resorted to, for it expels the foul humors from the blood, and restores the diseased skin to fresh, healthy brightness. Read the following from grateful parents: "To C. I. Hood & Co., Lowell, Mass .:

"We think Hood's Sarsaparilla is the most valuable medicine on the market for blood and skin diseases. Our two children suffered terribly with the

for two years. We had three physicians in that time, but neither of them succeeded in curing them or even in giving them a little relief. At last we tried Hood's Sarsaparilla and in a month both children were perfectly cured. We recommend

Hood's Sarsaparilla as a standard family medicine, and would not be without it." MR. and MRS. M. M. SOLLER. 1412 2nd Avenue, Altoona, Pa.
