**Dairymen's Association, of Eastern Ontario.**

The annual meeting and convention of the above Association will be held in the town of Peterboro, Ont., on Wednesday and Thursday, January, 3rd and 4th, 1894.

Prof. J. H. Roberts, of Cornell University, Ithaca, N. Y., who has charge of the Agricultural Farm there; Ex-Governor Hoard, of Ft. Atkinson, Wisconsin, U. S., both of whom have had large and valuable experience in all matters pertaining to the Dairy, in feeding and producing milk; will deliver addresses specially prepared for farmers and dairymen.

Prof. Robinson, of the Dairy Department, Experimental Farm, Ottawa, who is authority on butter and cheese, will also give his experience at the World's Fair, and experiments in the dairy department as well as valuable hints and suggestions to cheese-makers, dairymen and farmers.

Mr. F. T. Shutt, Chief Chemist of the Dominion Experimental Farm of Ottawa, who has been doing some very valuable work in the analysis of Fodder Corn and Milk, will make the same known at our convention, showing the value of Fodder Corn, if grown and harvested in the proper time and manner.

The Minister of Agriculture for the Province of Ontario, Hon. John Dryden, and one or two of the Professors from the Model Farm at Guelph, and others, are expected to be with us and address the members of the Association.

Ample time will be given for asking of questions and discussions of all the subjects, including Silos, construction of, growing of Fodder Corn, filling of Silos, feeding of Ensilage, and everything pertaining to the best interest of the farmers and dairymen.

**REDUCED RAILWAY FARES.**

Reduced railway fares to all attending the convention secured by obtaining a certificate from the Ticket Agent at the starting point, and getting the same certified to by the Secretary at the convention.

Be sure and ask for certificate when purchasing your ticket of Railway Ticket Agent at starting point over each line of Railway, or no reduction fare will be allowed on return passage.

The reduced fare is only allowed on your return passage, and only obtainable on your getting certificate from Ticket Agent at starting point, and then certified to by the Secretary of the Association at the convention.

Ample space will be provided to exhibit Dairy Utensils.  
HARRISON ASHLEY, Secretary Belleville Ont.

Christmas has come, and with it all the joys and pleasures of the season, the feasting, giving and receiving of gifts, etc.

La grippe is working here as well as in other places. R. S. Powers has been sick with it for several weeks but we are happy to say he is able to be out of bed again, but still confined to the house. Near all of Mrs. J. Beatty's family are laid up with it, also Miss Ella Smith our clerk.

The trustees of Oak Hill S.S. have engaged the services of Miss S. Trull for another year. Miss Tamblin is staying in in our school. Mr. David Barkwell is improving his house by putting a new addition to it.

Mr. J. R. Peacock happened with a serious accident some little time ago, he got his hand badly cut while using the chaff cutter, losing one finger altogether and all the others were badly cut.

Mr. R. Spicer was joined in the holy bonds of wedlock to Miss E. J. Powell, a short while ago and accordingly they gave a party in honor of the affair at her brother's, Mr. Thos. Powell, which was very successful, every thing passed off very pleasantly.

The annual New Years tea will be held here in the Methodist church. An excellent programme is provided for by the way of speeches from Revs. Rooney of Perrytown, J. R. Peak, Victoria University Toronto and resident minister. Readings and recitations by Miss Rundle of Port Hope and others. The music will be furnished by Mr. O. A. Gansby of Orono. Rev. J. R. Peak, Victoria College, Miss H. Merrifield and Miss McCabe of Port Hope and others.

With many clergymen, public speakers, singers, and actors, Ayer's Cherry Pectoral is the favorite remedy for hoarseness and all affections of the vocal organs, throat, and lungs. Its anodyne and expectorant effects are promptly realized.
