

Millbrook H.S. Commencement

A capacity crowd turned out Friday night for the annual commencement exercises of the Millbrook High School in the Town Hall.

The new Dr. H. A. Turner Memorial Scholarship, presented for the first time, for the student obtaining the highest marks in upper school science, went to Ralph Porter. The presentation was made by Mrs. Turner. The proceeds from a bequest of \$2,500 provide this scholarship.

The Dr. Norman Allen award for the outstanding all-round boy of the school was won by George Dawson and presented by Dr. J. W. Wright of the Durham county district high school board.

Reginald Fallis, also of the board, presented the board's 25 general proficiency awards to the following: for Grade 13, Ralph Porter; Grade 11, Patricia Peebles; Grade 10, Barbara Hutchison; Grade 9, Joan Porter.

The program opened with a group of four choruses by the Glee Club and a two-part girls' song followed by tumbling and athletic stunts by boys of the school, announced by Mr. H. Williams of the staff.

An exhibition of the Canadian square dance was given by Irene Olan, Barbara Seward, Gail Gibbs, Georgina Kennedy, Pat Peebles, Donna Murney, Jo Ann Friar and Donna Lord.

In a European folk dance were Barbara Hutchison, Judy Hobbs, Diane Kinsman, Gail Lawson, Susan Patterson, Nancy Powell, Carol Ridge and Helen Wright.

In both groups the girls wore full skirts, white blouses, and in one hair bows, and, in the other, small hats.

A demonstration of pyramid building put on by boys of the school featured three final pyramids too high for the stage, for which they had to move down to the floor of the auditorium.

In his valedictory address Ralph Porter reminisced about the various teachers he had had, and of the bus trips to Quebec City, to Windsor and Detroit the school had taken together. He advised the students to work hard, to co-operate with their teachers and to make the most of their school days.

A one-act play completed the programme. It depicted an amateur group's final rehearsal, filled with troubles, laughs and unexpected mystery. Mrs. Cammeron, who wrote, directed and produces the play, and who only trusts any of the parts

SOCIAL CREDIT M.P. ADDRESSES SUPPORTERS IN PORT HOPE

Port Hope, Ont., Dec. 1957. —Growing unemployment in Durham county is following the national trend which may result in 750,000 Canadians out of work by mid-winter, according to Hon. T. J. Irwin (S.C. Burnaby-Richmond). He was speaking to a group of Durham citizens interested in the Social Credit movement at an organizational meeting in Port Hope on Saturday.

He urged the Social Credit workers to explain at every opportunity that this condition is man-made and that the application of Social Credit principals can result in full-production, full-employment and full-consumption of the goods and services which Canadians have shown themselves capable of producing.

"Until modern, scientific economic principles are applied to our economic problems in this 'Age of Plenty' the producer-consumer will continue to find himself short of the necessary money to buy the goods and services he can produce," Mr. Irwin pointed out.

He had a word of encouragement for Durham Social Credit workers, pointing out that only a handful of informed, hard-working people in Durham were able to field a candidate for the June elections and secure a total of 399 votes with only two weeks campaigning.

"You can be sure that you have 399 people in Durham who believe in the principles of Social Credit," he said. "Go find them, get them to tell their friends and neighbours about what we have done in British Columbia and Alberta and what we propose to do federally and you will be pleasantly surprised at the results you will get at the next election."

Mr. Irwin will return to Durham in January following re-opening of Parliament.

Bowling

Standings in the Bowling league show number of changes this week. The men's high single held by Don Porter for some time was equalled by Ab Olan who now shares the top storey with Mr. Porter with 308 each.

The ladies' high single held by Mrs. Ray Powell was also equalled when Mrs. Ted McDowell scored 310, thus putting her on even terms with Mrs. Powell.

It will be noticed that the girls beat the mens high single by 2, this may be accounted for by seasoned muscles, the result of throwing rolling pins at their husbands or children at home, but we hardly think so, it is more likely the superior skill of the ladies.
