Christmas
is for
mothers,
too

... and you can make this her happiest Christmas yet! Give her a modern electric appliance—the gift that shows you care enough to lighten her work throughout the year. Modern electric appliances are easy-to-use, economical to operate. They give long service—lasting satisfaction. This year, tie a Christmas ribbon around her "most wanted" electric appliance. It's a thoughtful gift because it helps her "live better electrically"—the safe, clean, modern way.
