#### FAREWELL SUPPER,

(Published by request.)

On Tuesday evening a complimentary supper was tendered to Mr. Wm. Clarke by the citizens of Omemece and Emily, at the Bradburn House, on his departure for Carberry, Man. About 50 sat down to do justice to the inner man, and after the delicacies of the season were stored away, the usual toasts were proposed and drunk. Mr. Thomas Stephenson ably filled the Chair and Mr. William Adams the Vice-Chair. "The Queen" was the first toast proposed and was responded to by the company singing "God Save the Queen." The Army and Navy was next and was responded to by J. D. Thornton, 1st Lieut. and John Morrison, 2nd Lieut. of 45th Batt. "Our Guest," the company singing "For he's a jolly good fellow"; the chairman in proposing this toast in a pleasing and appropriate manner said he knew Mr. Clarke when he was not as high as the table he sat at, and always had found him a good neighbor. Song by Mr. Parsons "Out Late Last Night." Mr. Clarke in rising to his feet, thanked all present for the hearty way in which they received him to-night, he said it was impossible for him to make a speech, under the circumstances he could not find words to express his feelings, and asked the assembled audience to excuse him. The health of A. McQuade, Esq., ex M.P., was proposed, the company singing, "For he's a jolly good fellow." The health of Dr. Cochrane was then proposed, the Dr. responded in a most pleasing manner. Mr. Wm. Adams then proposed the merchantile interests coupling the names of Mr. I. McNelly and C. Laidley, both gentlemen responded nobly. Song, Mr. Parsons, "Money Plenty." The health of Mr. S. Lamb, the crowd sang "for he's a jolly good fellow." Mr. George Edward proposed the health of the ladies coupling names of Mr. J. D. Thornton and Jos. T. B. aty, when both gentlemen gallantly responded. A McQuade proposed the health of the noble 13 members in the House of Commons who supported Col. O'Brien's motion on the Jesuite bill, he said he did not think J. A. ever called them the devil's dozen, he said they were nearly as brave as the 13 apprentice boys who closed the gates of Derry. A voice would you have made 14 if you had been there to represent South Victoria. Another voice, you bet. J. D. Thornton proposed the health of the agricultural interests coupling the names of Messrs. William Adams, C. Cornet, A. Faulkner and James Johnston, they did the subject justice and each man was roundly applauded. The company was dismissed by all singing "God Save the Queen," and three cheers for Mr. Clarke.

The above supper was held on the 29th of Feb. 1889, and we reproduce above report by request.

#### An American Disease

Indigestion Is Responsible For More Sickness in America Than Any Other Disease.

Some doctors go so far as to say that Indigestion is the natural disease of America. Repeated attacks inflame the lining of the stomach and cause the glands to secrete mucus instead of the juices of natural digestion. Consequently the blood is poisoned, nerve force is reduced, the vitality of the entire system is weakened.

There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills, which are used by thousands with marvelous success.

Dr. Hamilton's Pills accelerate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood, and thus add general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food he pleases.

Under the vitalizing effect of Dr. Hamilton's Pills your system will soon rally; once more you'll enjoy the blessing of health. Test Dr. Hamilton's Pills yourself, 25c. per box or five boxes for \$1; at all dealers or by mail from N. C. Polson & Co., Hartford, Conn. U.S.A., and Kingston, Ont.

#### SIR JAMES WATSON'S OPINION.

He says that commonest of all disorders, and one from which few escape. Catarrh. Sir James firmly believes in local treatment, which is best supplied by "Catarrhazone." No case of Catarrh can exist where Catarrhazone is used; it is a miracle worker, relieves almost instantly and cures after other remedies fail. Other treatments can't reach the diseased parts like Catarrhazone because it goes to the source of the trouble along with the air you breathe. Catarrhazone is free from cocaine, it leaves no bad after-effects, it is simply nature's own cure. Accept no substitute for Catarrhazone which alone can cure catarrh.

#### How To Get Consumption.

Ninety per cent. of the "lungers" contract consumption by allowing power of resistance to fall so low that a favorable condition for the development of the bacilli is provided. In a healthy system consumption can't take root. But where there is weakness and debility, there you find tuberculosis. For developing strength and building up the weak, nothing equals Ferrozone. It makes the blood nutritious and the nerves enduring. The way it converts food into nutriment, the appetite it gives is surprising. Just what the man yearning on consumption needs,—that's Ferrozone. If tired and weak don't put off. Fifty cents buys a box of fifty tablets—at all dealers.

#### A Bilious Headache.

Is one of the meanest things in the world. To prevent biliousness use Dr. Hamilton's Pills which keep the system clean and pure; regulate the bowels, give tone to kidneys and liver. You'll never have a headache, you'll never have a sour stomach, but you will have vigorous bracing health by taking Dr. Hamilton's Pills. Your druggist sells Dr. Hamilton's Pills, 35c. per box or five boxes for one dollar.

BOYS OR GIRLS or attractive young ladies wanted—If you have only a few spare hours, you can employ them profitably and earn money for Xmas; if you want to give your entire time to the work you can earn a nice living. #### Have You Heartburn.

It's quite common with people whose digestion is poor. Immediate relief follows the use of Nerviline. Stomach is strengthened, digestion is made perfect, lasting cure results in every case.
