**OMEMEE NEWS.**

Don't fail to be at the Opera House, Omeme, To-night, 18th.

The Rev. Mr. Thompson, of Ottawa, occupied the Presbyterian pulpit on Sabbath and preached a very helpful and instructive sermon. We are glad to state that the Reverend gentleman will preach again next Sabbath.

Miss Brennan, formerly Milliner of the firm of Ivory & Sons, is visiting friends in town.

The Valentine Social in the Presbyterian Church Basement on Monday evening, under the auspices of the Adult Bible Class, was a very amusing and highly enjoyable affair. The Char was taken by Mr. F. Sandy who performed the duties superbly. A choice and varied programme, consisting of vocal solos and duets, recitations, speeches, &c., was followed by the Valentine part and considerable fun was deducted therefrom. The concluding part was the serving of refreshments. Great credit is due to the promoters of this elegant social function.

The Sessions and Managers of the Omeme Circuit of the Presbyterian Church, met on Monday to consider means and ways of deciding on a permanent pastor. Rev. Mr. Pogue, of St. Paul's, Peterboro, was chairman, and we understand the result of deliberation was to formulate another call to some of the Ministers who have preached trial sermons since the last call was not accepted.

Mr. John Boyd and Mr. Albert Kutherford were in Omeme on Monday.

A second hand square boxed cutter for sale, almost as good as new. Cutter can be seen and price obtained from Mr. J. A. Wylie.

**A Wise Mother's Story.**  
Let all Mothers and daughters read carefully and profit by it.

"I am convinced," writes Mrs. A. B. Hopeford from St. John, "that a majority of young girls who die of consumption do so because their mother's neglect of their health at the critical time when carefulness insures vigor and good health. If a girl's health is neglected from her eleventh to sixteenth year her body will become weak and she becomes a ready victim of consumption. In her sixteenth year my youngest daughter showed signs of failing strength. Some dyspeptic troubles developed, her heart became weak and palpitation followed in the important bodily functions and rapid loss in weight and a ruddy complexion pointed to a rapid decline. She disliked making her troubles known to one doctor, a feeling I felt I should respect, and so by good fortune I was led to use Ferron's, and with most gratifying results. My child's door, Mrs. Wool's, had found Ferron's so good in a previous case that it would restore Flossie's health, and from the time the second bottle was commenced her improvement was constant. She is now a big, strong girl, rosy and plump, able to study hard and to take her share of household duties. I am an earnest advocate of Ferron's. We will use it now as a tonic and it is certainly woman's best friend."

All leaders sell Ferron's, 50 cents per box or six boxes for \$2.50; procure a supply to-day.

**A WONDERFUL COLD CURE**

Just think of it, a cold cured in ten minutes—that's what happens when you use "Catar-hozone." You inhale its soothing balsams and out goes the cold—sniffles are cured—symptoms of colds, coughs and grippe disappear at once. It's the only thing that possesses a powerful antiseptic in Catar-hozone that enables it to act so quickly. In diseases of the nose, for irritable throat, bronchitis, catarrh and catarrh it's a marvel. Safe even for children. 25c. and \$1.00 sizes at all dealers.

**Epworth League Convention.**

The fourth annual Convention of the Lindsay District Epworth League was held in the Methodist church at Omeme Monday evening, after one and a half days, and it proved to be a very beneficial and successful gathering of every respect.

In the afternoon the ladies of the Omeme Methodist church entertained the visiting delegates and acted the hostess. The spread was a very dainty and appetizing one, and at the close of the evening session a hearty vote of thanks was extended to the Omeme ladies for their kindness throughout the day.

**NEAR DEATH'S DOOR.**

Miss MacCormac, if any of the readers of the Mirror are suffering from stomach trouble of any kind, I will sell you a box of Mimosas for 50c. and you will receive a guarantee of relief or money back.

Near-Annex of Huron Road, God-ditch Ont., says: "I suffered with indigestion for over four years and had been given over as incurable by many doctors. I had become a nervous wreck through loss of sleep, and what-ever I eat did not remain on my stomach for over two hours. I would suffer from vomiting spells that would afflict me for days, perspiration as large as heads would break out all over my body and leave me in so weakened a condition that I would be unable to stand, not a night's rest in over six months and was so weakened and run down that my family thought I would die. My heart was greatly weakened and would flutter and a sharp pain would come through me and cut off my breath. I was reduced in weight from 150 to less than 110 pounds. Doctors would give different causes for my trouble, yet none of them gave me the slightest relief. I commenced treatment with Mimosas and when one-half of the first box was used I could eat my meals without suffering the dreadful vomiting spells. I used about ten boxes in all and I am entirely cured. My stomach is as strong as ever and there is not the slightest trouble with digestion. I have gained about 40 lbs. in weight, am strong and healthy and like a new man. I will always speak highly of Mimosas, as it saved me and I believe kept me from sure death when all else had failed."

**What Ails You?**  
Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat, after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?  
If you have any considerable number of the above symptoms you are suffering from "biliousness," or liver with indigestion. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener. The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of such ailments as the "Golden Medical Discovery": Prof. R. Bartholow, M.D., of Jefferson Med. College, Phila.; Prof. H. G. Wood, M.D., of Univ. of Pa.; Prof. Edwin M. Hale, M.D., of Hahnemann Med. College, Chicago; Prof. John King, M.D., Sec'y of American Dispensary, N. Y.; Prof. M. D. Author of Materia Medica, Prof. in Bennett Medical College, Chicago; Prof. J. M. Allen, M.D., of the Post Graduate School of Medicine, N. Y.; and receive from leading medical extracts from writings of all the above medical authors and others endorsing, in the strongest possible terms, each and every ingredient of this "Golden Medical Discovery" as complete.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They are tiny and sugar-coated.

**VARICOCELE CURED**  
NO NAMES USED WITHOUT WRITTEN CONSENT.  
Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on a double varicocele. When I worked hard the swelling would become so severe and I was often laid up for a week at a time. My family tried several specialists, but soon found out all they wanted was my money. I finally had to look upon a doctor as little better than a robber. One day my best friend, who was a doctor, advised me to try Dr. Kennedy's treatment. He advised me to use his medicine, and he had faith in it. They were square and skillful. I wrote them and they sent me a box of Kennedy's treatment. I was somewhat slow and during the first two weeks I was somewhat slow and during the first two weeks I was somewhat slow and during the first two weeks I was somewhat slow. I could only stay in a machine shop for a few days. I was only earning \$2 and never from a day. I wish all sufferers knew of your valuable treatment."
