Or. The B

End : : ······

The people witness all manne things there-things that would strange enough elsewhere. There the remarkab pearance of Edith any extraor: Qu attention.

A few men of sed and nodded ingly; othersn the a few words of Leaving Fo. h street she tu ward with the same speed. Coming to the vicinity of the park, she travel the open plaza and hurried in the di

tion of the lake. She met no one-not even a sol At length she stood upon the brid and the sound of the splashing wa under the arch, as the surface of lake was stirred by the night win caught her ear. She stopped, lea against the parapet, and gazed into dark depths below her; then bowing

head, she uttered a sigh of agony

hastened on. Soon she once more found herself Fith avenue, and after a time, before Lrilliantly lighted residence-a house superior, both in size and grandeur. any of its neighbors. It was the mansion of Prescott

Arrived there, the unfortunate you woman knew not what to do, not why she had come. She had some val design as though to assure herself p tably of her misfortune; to tuch if w ber finger, as it were, or perhaps to fi some reason, some pretext to doubt She dropped down on the lowest sto step, and hid her face in both han vainly striving to think A policeman passed by, his chin w

settled in his collar and his hat drag down over his eyes. He turned a stared at the young woman; then to her roughly by the arm. "What are you doing here?" he ask

The officer looked more closely at h discovered through her confusion

nameless refinement and the subtle pe fume of purity. He took pity on her. "But madam, you cannot stay her he rejoined in a softer voice.

"You must have some great sorrow "Very great." "What is your name?" "Mrs. Edith Melville," she said simple The policeman looked bewildered. "Will you fell me where you live?"

She gave the number of her residen on Forty-sixth street with perfect six plicity and perfect indifference. S seemed to be thinking nothing of wh she was saving The officer took a few steps town the edge of the sidewalk, then stopp

quested Edith to get in. She did

ips of the housemaid the details of I wife's mysterious disappearance, wh the bell rang violently. He rushed out and met his wife the front steps. She had somewhat t covered her calmness on the way, as as he questioned her, with a searchin

glance, made a ghastly effort to smil was slightly ill and went out a l tle." she said: "I do not know ti streets very well, and so lost my way Notwithstanding the improbability the explanation, he did not hesitate. I murmured a few soft words of repreas and placed her in the hands of the mai who quickly removed her wet garment While this was being done he calle the policeman, who was waiting in th vestibule, and closely interrogated him

On learning in what street and who precise spot he had found Edith. he susband knew at once and fully the He went directly to his wife. She ha retired and was frembling in ever emb. One of her beautiful hands wa resting outside the coveriet. He rushe to take it, but she withdrew it gently with sad and resolute dignity.

and as tacitiy accepted by him Edith Melville became virtually a wid He remained for some seconds in dow in which he stood; then he walke slowly across the chamber. His line of conduct was quickly ar ranged-calmly, methodically. But two blue circles had already sink around eyes, and his face wore a waxe

By a tacit arrangement proposed by

oallor. His hands, joined behind hi back, were clinched together, and the ring he wore sparked with their tra muious movement. At intervals to seemed to cease breathing, as he listen on to the chattering teeth of his young After an hour-that terrible half hour the approached the 15-d.

"Edith," he said in a low voice. She turned her eyes, gleaming will lever, upon him "Edith, I am ignorant of what you snow, and I shall not ask you," he conunued; "I have been very criminal to Word you, but perhans less so than you nk. Terrible circumstances bound

le with iron bands. Fate ruled me Il I seek no pailiation. Judge me at everely as you wish, but I beg of you aim yourself-preserve yourself. You poke to e this morning of your pre ntiments-of the new hopes born within you-your maternal hopes. Atch yourself to those thoughts, and you always be mistress of your life." "As for myself, I shall be whatever will me-a stranger or a friend. at now I feel that my presence is doyou no good. I will leave you for time, but not alone. Would you sh your kind neighbor, Mrs. Whitney,

come to you to-night?" "Yes." she murmured faintly. will go for her, but it is not neces-
