

THE NORMAL EYE SHOULD BE ABLE TO DO A NORMAL AMOUNT OF WORK. If your eyes readily become tired because of seeing calls for abnormal effort. This is eyestrain and if neglected may end in complete loss of sight. We can give you eye comfort.

H. A. Turner, Millbrook

The service in the Presbyterian Church on Sunday evening was above the ordinary in every way. As announced in these columns last week, the Pastor, Rev. Wm. Johnston was to speak to young men particularly, taking as his subject "The Prodigal Son." From the first selection by the organist to the last hymn sung heartily by the large congregation, every part of the service was marked by unity. Mr. Johnston, in his sermon, pointed out the characteristics of the prodigal son, the influence wealth has on the youth; of ten sending him to sin and disgrace, yet in the wandering and waywardness of the son the father's love is ever faithful. The illustrations given—one in connection with Mrs. Alexander the wife of the famous singing evangelist—where the young lady who had fallen asked for a proof of her interest in her and Christ's love for her, was touching indeed; also where the missionary sought and found the young man on his dying bed and led him to the Saviour, and brought his father to ask his forgiveness for his sin and ingratitude, were told with much feeling and moved the hearers to tears. One could not listen to such a message without going away impressed with the need of sympathy towards the wayward, the service, and he who has gone astray. The selection by Mr. Pym "Throw Out the Life Line," was sung in good voice, and the organist, Miss B. Armstrong, deserves great credit for the way in which she assisted him, in fact never gave we heard this young lady lay to better advantage than last Sunday night. No sooner had Mr. Johnston uttered the last word of his discourse, than Mrs. (Dr.) Snelgrove rose to her feet and sang with more than usual sweetness and feeling, "Oh, Where's My Wandering Boy Tonight," Mr. Pym playing the accompaniment. On every hand was heard appreciative remarks concerning the whole service.

Mr. Wes Fry has the contract of building a new brick house for Peter Dawson, of South Monaghan, and is busy at work upon it. His assistants are Messrs T. Oliver, and Cecil Hunter, Millbrook, and J. H. Fry of Bailieboro. It goes without saying that the work will be done quickly and right.

Why the Mirror Appears.

As intimated last week that there would be no Mirror published this week, an explanation as to its appearance is perhaps necessary, although our readers will no doubt be pleasantly surprised upon receiving it. The reason of its appearance after the notice of last week is partly owing to some advertising therein that could not be held over. Of course you are pleased at its appearance. We might say that we have not missed an issue for nearly two years, but we may at no distant date "take a week off." We thank all readers of the Mirror for their hearty support and congratulatory remarks concerning this great Journal.

Our leading Horsemen will receive a "write up" next week. We need hardly say to "take notice" of the handsome route cards printed at the Mirror office—you can hardly help doing so. Other horsemen will do well to have their cards printed at this office.

Does Your Heart Beat

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Poisonous substances are then absorbed into the blood. Keep the bowels open with Ayer's Pills.

WEDDING BELLS.

A very pleasant event took place at the home of Mrs. E. Trull, Leskard, at 4 o'clock, on Wednesday of last week, the occasion being the marriage of her eldest daughter, Ada, to Mr. Herbert L. Russell of Millbrook. Rev. Mr. Russell, recently pastor of the Baptist Church at Fenelon Falls, performed the ceremony in the presence of four-score guests.

The bride, given away by her brother and attended by her sister, Elva, with little Beatrice Beatty of Garden Hill discharging the duties of flower girl, was attired in cream brocade silk and carried a bouquet of carnations, while the bridesmaid was gowned in pink cologne and carried pink roses.

The groom was supported by his brother, Dr. Russell, and Mr. O. A. Gansby rendered Mendelssohn's wedding march and Miss Maud Pickup of Millbrook sang "O Promise Me," both these artists doing their parts with that degree of grace and perfection that distinguishing them as true musicians.

The dejeuner was served in the dining hall, which with the table and the other rooms had been artistically decorated with carnations and roses, and everybody felicitated Mr. and Mrs. Russell and drank to their health and prosperity; in truth seldom have heartier good wishes attended a bridal couple, which with the many lovely gifts presented, testifies to the esteem and regard in which they are held.

Mr. and Mrs. Russell left the same evening for their home in Millbrook, the bride's going away dress being of Albatross cloth.

Among those from a distance were, Mr. and Mrs. W. G. Russell, Miss Russell, Dr. Russell, Mr. and Mrs. W. E. Russell.

The Mirror joins in congratulations to the happy couple.

The Rev. W. C. Allen delivered an eloquent sermon last Sunday evening, especially addressing himself to the Millbrook Lodge of Oddfellows, who attended in a body. The services throughout were hearty and enjoyed by all present.

Mrs. R. Nurse and children are guests at the home of her parents, Mr. and Mrs. J. Fry, Bailieboro.

Your "Fagged" Feeling Is Spring Sickness.

This Unhealthy Weather Will Intensify Your Exhaustion Unless You Have Good Medicine.

Time won't help matters grow worse instead of better if your system isn't rid of its poisonous burden. Your blood is not only thin, but is contaminated with a whole winter's accumulation of wastes.

A stimulating blood tonic is required.

What's it going to be?
Not bitters or alcoholic dope, but concentrated cure in the form of "Ferrozone" which is known as the best of all spring rejuvenators.

It creates keen appetite. Produces prodigious digestion. Converts food into nourishment. Gives richness and vitality to the blood.

Makes strong nerves and hardy muscles.

Ferrozone possesses power that can't be doubted. It will do for you what it did for Walter Wood, of Beauport Car Co., N.B., who writes: "I can say that Ferrozone has given me a new lease of life. A year ago I suffered much from nervous weakness. I was really scarcely able to drag myself around. My appetite was gone, I had no color or ambition and felt generally used up. The first box of Ferrozone started me back to health. I took a number of boxes, but it was worth while as my health was completely restored."

Get back to health with Ferrozone. Your druggist sells it, 50c. per box or six boxes for \$2.50. By mail from N. C. Polson & Co., Hartford, Conn., U.S.A., and Kingston, Ont.

The Rural Deanery of Durham and Victoria will meet in Millbrook, May 15 and 16. On the 15th the sermon will be preached by Rev. Archdeacon Warren of Lakefield.

The Thin Man's Danger.

He can't resist disease germs,—that's why he's such a mark for consumption. In this land of plenty, thinness is wickedness, especially when it's so easily overcome with Ferrozone. This remarkable tissue builder makes you fat quickly; it does so by forming blood that's rich, nourishing and health-giving. Ferrozone supplies the nutriment needed by worn out nerves, rapidly constructs muscle and fatty tissue. The form fills out, the cheeks reddens, proving that weight is being added. To be well and stay well, use Ferrozone! Fifty chocolate coated tablets in a box for fifty cents or six for \$2.50 at all dealers.

A Family Necessity.

It's a remedy capable of affording immediate relief to the hundred and one ailments that constantly arise. It may be a cold, perhaps toothache, neuralgia, pain in the back,—use Nerville's Nerviline. It is penetrating, pain subduing and powerful. Nerville is at least five times stronger than ordinary remedies and its worth in any household can't be over estimated. For man or beast Nerville is a panacea for all pain and costs only 25c. per bottle. Buy Nerville to day from your druggist.

The Worst of a Cold.

It's how suddenly it comes. No time to hurry to the drug store, croup, diphtheria, the lungs are effected with pneumonia or tuberculosis and it's too late. Keep Catarrhzone on hand,—it kills colds instantly. Something magical about the way it cures Catarrh and Bronchitis. Catarrhzone is the best remedy because it cures in nature's way; it heals, soothes and restores permanently. Carry a Catarrhzone inhaler in your pocket, use it occasionally and you'll never catch cold—that's worth remembering.

Trust to Nature.

A great many Americans, both men and women, are thin, pale and puny, with poor circulation, because they have ill-treated their stomachs by eating or too much eating, by consuming alcoholic beverages, or by too close confinement to home, office, or factory, and in consequence the stomach must be treated in a natural way before they can rectify their earlier mistakes. The muscles in many such people, in fact in every weary, thin and thin-blooded person, do their work with great difficulty. As a result fatigue comes early, is extreme and lasts long. The demand for nutritive aid is ahead of the supply. To insure perfect health every tissue, bone, nerve and muscle should take from the blood certain materials and return to it certain others. It is necessary to prepare the stomach for the work of taking up from the food what is necessary to make good, rich, red blood. We must go to Nature for the remedy. There were certain roots known to the Indians of this country before the advent of the whites which later came to the knowledge of the settlers and which are now growing rapidly in professional favor for the cure of obstinate stomach and liver troubles. These are found to be safe and yet certain in their cleansing and invigorating effect upon the stomach, and have been used by the Indians for centuries. These are: Golden Seal root, Queen's root, Stone root, Bloodroot, Mandrake root. Then there is Black Cherry bark. The medicinal principles residing in these native roots when extracted with glycerine as a solvent make the most reliable and efficient stomach tonic and liver invigorator, when combined in just the right proportions, as in Dr. Pierce's Golden Medical Discovery. Where there is bankrupt vitality—such as nervous exhaustion, bad nutrition—and thin blood, the body acquires vigor and the nerves, blood and all the tissues feel the favorable effect of this sovereign remedy. Although some physicians have been aware of the high medicinal value of the above mentioned plants, yet few have used pure glycerine as a solvent and usually the doctors' prescription called for the ingredients in varying amounts, with alcohol.

The "Golden Medical Discovery" is a scientific preparation compounded of the glyceric extracts of the above mentioned vegetable ingredients and contains no alcohol or harmful habit-forming drugs.

MARRIED

At the residence of the bride's mother, Leskard, Ont., on April 25th, 1906, by the Rev. Edgar Russell, B. A. B. D., Ada Alberta, daughter of the late Alfred Trull, to Herbert J. Russell, Millbrook.

The Bank Clerks of Millbrook held a most successful "At Home" in the Town Hall, on Tuesday evening. The Messrs Burton and Clary furnished excellent piano music. The refreshments provided were in keeping with the auspicious occasion. Messrs Lount, Fallis and Dawson, of the Bank of Toronto and Hanev and Burnham of the Ontario Bank composed the committee, and they deserve great credit for the splendid entertainment provided. The Palmer piano was kindly loaned by Mr. J. McBride, one of Millbrook's leading agents, and to hear the inspiring music coming from it, one could not but admire it. Those who were present hope that the boys will give such another enjoyable affair at no distant date.

MRS. HUNTER'S STORY.

Says She and her Husband Agree Perfectly. Both Quite Well Again.

Mrs. L. Hunter, of 111 Baglan Road, Kingston, Ont., has written for publication statement of her case as follows: "I have suffered from kidney and liver trouble and chronic constipation for some time. I was subject to dizziness, nervousness, drowsiness, pains in the back and side, and a tired, weary feeling nearly all the time. "I tried almost every remedy, was treated by doctors and druggists with little or no benefit. "Finally, a friend advised me to try Dr. Leonard's Anti-Pill, and the results have been wonderful. "My husband has used Anti-Pill for rheumatism and was benefitted greatly. We agree that Anti-Pill is a most wonderful medicine and heartily recommend it." This is a very strong recommendation. Anti-Pill is undoubtedly the greatest of family remedies. All druggists, or the Wilson-Fyle Co., Limited, Niagara Falls, Ont. 504
