The company owns as a mining claim, free from any encumbrances, the favorably and well-known Columbus Mine of 40 acres, which has a 5-foot vein, one foot being high-grade cobalt, with good silver value, at only four feet depth, located in Coleman Township, near Giroux Lake, in a most favorable location nearby many of the big paying mines, such as the Drummond, Jacobs and others, and only a few feet from the famous Gillies timber limit, which is so rich in silver that the Government decided to develop it for the benefit of the public. The undersigned personally offers for sale at par only a limited number of shares, as it is expected that in a short time it will greatly advance. There is now a full force of miners developing the property. Send for full particulars. Mail your order, with marked cheque or express order, to the order of
