NONSENSE

A double sign that it is spring
Occurs to me this minute—
I bought a glass of hock, by jing,
And found a honeyfly in it!
Buffalo Evening News.

And when I saw the house fly in,
With all my might and main,
I emptied out the glass to see
The house fly out again!

Even Her Blood Turned to Water.

When dying of Pernicious Anaemia
Her Life Was Saved by
FERROZONE.

Probably very few cases are on record in which an abs-lute cure has been made of pernicious anaemia. But Ferrozone did cure Miss Elane Stanhope—cured her absolutely, and her mother Mrs. G. Stanhope of Rochester Ont., says the following:

"My daughter complained of feeling tired. She was very pale and listless and kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine but Elane kept growing worse instead of better. She had anaemia and we were afraid for a while that she might never rally. We read of a similar case, that of Miss De-cent of Sterling, Ont., being cured by Ferrozone, and this induced us to get it for Elane. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure, and I am convinced that there is no better blood-maker than Ferrozone. It has made a new girl of Elane. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her recovery is entirely due to Ferrozone."

Every grown girl and young woman can make herself strong and healthy with Ferrozone.

It makes blood, nerve and tissue,—makes it fast—makes it stay.

Complexion soon becomes perfect nerves get new strength, tiredness vanishes—perfect health is the reward for using Ferrozone, which is sold by all druggists—price 50c. per box; don't fail to try it.

FOR THE CHILDREN

The children's department in the June number of the New IDEA WOMAN'S MAGAZINE contains a unusual number of good things. The third of the Wonder Tales of Northern Lands appears in this issue, it tells how Sif, wife of Thor, the Thunder God lost her beautiful hair, and the revenge taken on Loki, who committed the theft. This is a splendid opportunity to let your children become familiar, early in life, with the picturesque Norse mythology. "How Miggles Shed His Skin" contains instructive information about a pet snake who was kept in a terrarium. The third is a series of comic drawings by John R. Bray, picturing the life of a missionary's little boy in the jungle shows the adventures of Horace had with a cannibal, and how J. C. and the girls helped him out. There are also some verses and drawings which will please the younger readers.

THEIR 24th BABY.

Rev. and Mrs. George W. H. Ross, of Oak Mills, near Louisville, Ky., are the parents of 24 children. The mother is only 38 years of age and looks younger. The children are all bright and energetic and the oldest is not quite 21.

Great Distress In Her Throat.

Not an uncommon experience was that of Mrs. H. S. Wilnot of Staler, N.S. Doctors failed, still a quick cure was found in "Catarrozone." Notice this statement: "I have been a most dreadful sufferer from bronchial trouble and catarrh. On damp days I would hawk and suffer great distress in my throat. I used all kinds of medicines but didn't get permanent relief till I used Catarrozone. It has strengthened my throat, cured my cough and made me entirely well." Refuse substitutes for the one reliable bronchial and throat cure. All dealers sell "Catarrozone" in 25c. and \$1.00 boxes.

We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, purgative products are absorbed, causing headache, biliousness, indigestion, dizziness, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently all the while.

Made by J. C. Ayer & Co., Lowell, Mass.

Ayer's

AGUE CURE,
CHERRY PECTORAL.

THIS TONIC BUILDS UP.

Many medicines stimulate, break down, leave you worse than ever. Ferrozone is different—it's a blood-former, a nerve-strengthening, a body-builder. Pale anaemic girls are given color and vigor. The tired and sleepless are strengthened and restored. "Better than all tonics I found Ferrozone" writes Mrs. E. F. Castleton of Woodstock. "I was completely run down, cheeks were blanched, lips white and had every sign of anaemia. Ferrozone added to my weight, gave me strength, ambition and good health." Nothing better, try Ferrozone yourself, 50c. per box at all dealers.

THE CAUSE OF SORE FEET

Examine them carefully and you'll probably find corns. Whether hard, soft or bleeding apply Putnam's Corn Extractor. It's painless, it's sure, and above all, it's quick to act. It's sold only by Putnam's.

LIKE A THIEF IN THE NIGHT.

That's how pain comes. We sit near an open window, get stiff neck or sore back. Perhaps cool off too quickly after exertion—rheumatism develops. Spend what you may, but money can't buy anything better than Polson's Nerviline. Its penetrating power enables it to reach deep tissues,—that's why it cures aches that all else can't touch. For outward application we guarantee five times more strength than in any other liniment. Inwardly it's harmless and as sure as the hereafter to ease at once. Don't accept a substitute for Polson's Nerviline which is the one great household panacea of to-day.

Danger in Farming.

"Dollar Wheat" is fine for farmers, but they take long chances with their health in getting the wheat. Bad weather, hitting, staining, wrenched backs, by the foundation for Rheumatism and Kidney Trouble. There is a farmer, out Markham way, who was so busy making money that he did not realize he was making ill-health at the same time. He had headaches; often his back hurt so badly he could hardly stand, often the urine was highly colored and scalding. But he thought he was only "working too hard." One day he caught cold. The next day he had Rheumatism. This Markham farmer suffered 7 years with Rheumatism until chance brought a friend who told him about Bu-Ju. They relieved the excruciating pain, and cured him in three months.

MAZARAK, Ont.
"I had suffered almost continually for seven years with Kidney Trouble; could scarcely walk and was unable to attend to my farm duties. After taking the first few pills I felt much relieved, and after taking half a box was able to do a full day's work.
