None need suffer with Rheumatism.

It makes one think that perhaps some people WANTED to have Rheumatism. Because they would take Bu-Ju. Now, isn't it a fact that there are a lot of people in your neighborhood who say "Bu-Ju completely cured me of Rheumatism." When you read their letters; the agony they suffered with Muscular and Inflammatory Rheumatism, Sciatica and Lumbago; how they tried remedy after remedy without relief, and then found health in Bu-Ju, you will wonder how people will go on having Rheumatism when they can cure themselves at home.

St. CATHARINES, ONT. "No living person can realize what I suffered with Rheumatism for five years. The disease completely incapacitated me, and left me in a wretched condition. After all else failed, and I felt that I was getting worse, I began the use of Bu-Ju, when I found relief. After using a few boxes, I found I had recovered my strength, and after less than six boxes had been taken, it left me without a vestige of the old complaint. I believe Bu-Ju to be the best medicine on record for Rheumatism." MRS. DEYSDALE.

So confident are we of the powers of Bu-Ju, of its unflinching success in coping with cases that have baffled even the best physicians, that we guarantee Bu-Ju will cure you or your money will be refunded. Buy it with that guarantee, see a large box. At all druggists, or from The Calfin Chemical Co., Ltd., Windsor, Ont.

A CHARACTER SKETCH. I knew a man who thought he knew it all; He knew how earth became a rolling ball; He knew the source and secret of all life; He also knew how Adam came to fall; He knew the causes of the Glacial Age And what it was that made the deluge rage. He knew—in fact he knew most everything; In his own mind he was earth's greatest sage. His knowledge was of such stupendous girth It took in everything upon the earth And in the heavens; but, most strange of all, He didn't know a thing of real worth He knew where people go when they are dead, He knew all wonders ever sung or said; He knew the past and future; but for all He didn't know enough to earn his bread. He was a marvel of omniscience— He knew the secret of the hence and when; He was a bundle of great theories; The only thing he lacked was common sense. —J. A. Edgerton, in New York Sun.

Tiredness Comes in the Spring.

What are You Doing to Overcome It The cold of winter exhausts vitality and exposes everyone to disease, Spring is sure to bring tiredness and languor that will not go.

Spring sickness doesn't cure itself—the cause is in the blood, and that cause must be remedied. It is easily done with Ferruzone a marvelous remedy that purifies the blood and expels those humors and poisons that depress and weaken.

Just think of it—Ferruzone uplifts the entire nervous system, renews the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and spring languor.

Tens of thousands enjoy the advantages of renewed health through Ferruzone; if you'll only use it, you'll surely grow strong too; it's beneficial action is noticed even in a week—you see it goes right to work, removes the causes of the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferruzone is a boon; it is a specialist in such cases.

Where there is paleness, poor appetite and languor, Ferruzone makes the patient feel like new in a few days.

In tiredness, nerve exhaustion, spring fever and debility, the power of Ferruzone is known from coast to coast and universally used with grand results.

Let Ferruzone build you up, let it win you back to robust health,—it will do so quickly if you give it the chance. Sold by all dealers, 5¢ per box or six boxes for \$2.50. Remember the name: Ferruzone.

At night I may be got by telephone message and at Mrs. Mc Cartney's residence.

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

READY ON THE SHELF. That's where you'll find "Nervillone" in every well regulated household. So pleasant to take that even little children will cry for it. So certain to cure coughs, sudden colds and tight chest that thousands of bottles are used every day. Poisen's Nervillone does prevent illness, it does ease pain and inflammation, and by being handy will save worry and keep down doctor bills. Large bottles sold for a quarter at all dealers.

POISONED BY A RAZOR. Don't trim your corns with a razor, use a purely vegetable remedy like Putnam's Corn Extractor. No pain, certain cure, and all for a quarter. Every dealer sells "Putnam's."

Youth's Vitality Sapped Away. Your child looks poorly, is tired and fretful. You would like this boy or girl to be more robust, more energetic and vivacious. The "something" that is wrong is simply this: Stomach and bowels need attention. Constipation and indigestion must be relieved, new life and vigor are required in the blood.

slight assistance is needed for the kidneys and liver. Nothing is so effective as Dr. Hamilton's Pills. They put new life into young folks as well as the old ones. Every child should use this medicine regularly because benefits are not to be had in any other way. 25¢ at all dealers.
