BIG CELEBRATION IN

MILLBROOK.

Last Friday, May 24th, was celebra-

before and since has been anything

but favorable, but in the morning of

the 24th the sun came out bright and

warm-in fact it was ideal weather for

the sports. A big crowd of people

came to town early in the morning,

and the Peterboro lacrosse boys were

accompanied by quite a large number

of supporters The surrounding coun

and Bailieboro, were all well represen-

game on this occasion was between

brook Victorias. Both teams played

good lacrosse and very little roughness

was witnessed. Two of the Peterboro

of times, and one of the Millbrookites

also had a few minutes given him in

which to rest. The offences were not

serious, but the referee was dete min

ed to have the game as clean as possi-

ble, and no doubt his efforts helped

matters very materially. Millbrook

scored the only goals taken, one in the

first and one in the second quarter.

The game was considered one of the
