The first day was for the Ministerial members. E. W. Rowland was recommended to be received into full communion with the conference. It was recommended to postpone the ordination of A. W. Fink were continued on trial and recommended to be sent to college. Rev. E. Roberts and S. Down were recommended to be continued in a Supernatural relation.

On Thursday one layman from each charge was present. The reports of the year were carefully gone over for each circuit and Mission. They were quite encouraging. The Missionary income being \$300 in advance of last year, being over \$3000 in all. John McCrea of Omemeé and George Reid of the Bethel circuit, were elected delegates to attend the Annual Conference which meets in Bowmanville on June 6th.

EXHIBITION PRIZE LIST.

The Prize List of the Canadian National Exhibition of Toronto is just out. Many changes are made, making it more convenient for reference by exhibitors. The regulations are changed so that all animals exhibited in the live stock sections must be registered in the Canadian Herd Book Registers.

In the Horse section the Canadian breeder is put on a fair footing with the importer. The directors have endeavored in every way to protect and encourage Canadian bred horses. The prizes in the breeding classes of the horse section have been increased over \$600. Several new classes have been added, especially the one for strings of ten horses, which is expected to be one of the features of this year's exhibit.

In the harness, hunter and jumping classes the prize list remains the same as last year including the King Edward Hotel Cup, which is again given for the best horse for the run-about class.

In the speed division the prizes have been increased by \$1,000. A new class has been added, providing for horses that are not fast enough for the "free, for all," but that are too speedy for the 2.30 classes. The conditions are the same.

In the cattle section A. T. Gordon of Comberbury, Scotland, has consented to judge the Shorthorns, which is the largest class in this section. The prizes in the Herefords and the Holsteins have also been considerably increased.

The general arrangement throughout the prize list this year is alphabetical, so that the finding of any section is made easy. The aggregate amount of the prizes is \$39,000, not including the \$3,600 given in the speed department. This is the largest purely agricultural prize list on the American Continent.

At the Methodist Parsonage on Wednesday, May 22nd, by Rev. R. McCulloch, John Palmer to Maggie Groves, both of the Township of Ennily.

One of the most successful celebrations ever held in this flourishing little town was that of Victoria Day, May 24th last. There was a very large crowd in town, Toronto, Peterboro, Lindsay, Reaboro, Bobcaygeon, Millbrook, Mt Pleasant, Ida, Mt Hope, Janestville Fleetwood, and other towns being well represented, and all seemed well pleased with the splendid program provided.

As announced, the Trent Valley Canal Engineers were present, arriving at the wharf here at 12 o'clock noon. They came from Peterboro by boat and were met by Mr. H. Beatty and party, consisting of Major Evans, T. C. Stevenson and J. D. Thornton. The overall bridge, known as "Cowans' Bridge," would not permit the smoke stack of the Engineers large boat to go under, otherwise the boat would have easily made Omemeé wharf. However the party consisting of Chief Engineer Mr. McClellan, Mr. Clarke, and Mr. E. S. LARRY, were taken on board Mr. Beatty's speedy gasoline yacht, and conveyed to Omemeé where they were met by the Citizens Band and hundreds of the citizens and visitors, and escorted to the Commercial House where a grand reception was given the Engineers and party. The engineers did not consider our waters overestimated, but expressed themselves delighted at the extent of our river, its beautiful scenery and camping grounds. The Superintendent considered that an Albatross Boat and drag could clean up this river for to permit yachts to run this season and would recommend it to be put in operation as early as possible.

After a dinner, fit for Royalty, was served at the Commercial House, a grand program of sports were held at the Park. The football match between Peterboro and Omemeé was keenly contested, and was won by Omemeé by the close score of 4 to 3. The Omemeé line up was as follows:

Gaal, T. Imbranz; Backs, H. Hayes and W. R. Macpherson; Half Backs, H. Magee, T. Rice, V. Mitchell; Forwards, W. Mitchell, M. L. Magee, W. Jardine, G. Glenney, M. Nugent. The game was a splendid exhibition.

Dr. Sutton referee and gave good satisfaction.

RACES, &c.

The following events were then held and prizes awarded therefor:

Running high step and jump—1 W. Lowe, 2 V. Mitchell, 3 E. McQuade.

Standing broad jump—1 W. Jardine 2 A. McQuade, 3 W. Mitchell.

Running long jump—1 V. Mitchell, 2 W. Lowe, 3 W. Mitchell.

Three legged race—1 Murray and Birnie, 2 Lowe and Connell, 3 Toodle and Wetherup.

Mill race—1 W. Jardine, Geo. Burke, 3 W. Mitchell.

The fireworks in the evening were also a feature, and very pretty.

The energetic committee, composed of Messrs. R. J. Adams, J. B. L. Grant, Dr. J. P. Keith, W. B. Harvey and J. D. Thornton, deserve great credit for promoting such an excellent day's sport.

Omemeé has now in contemplation a grand "Regatta" for Dominion Day, when gasoline yachts can come up our river and take part in races, also canoe races, &c., &c. Watch for bills announcing this greatest of all events in the history of Omemeé.

Rev. Mr. Peckover, Presbyterian minister, preached an eloquent sermon to a large and appreciative congregation in the Methodist church, Omemeé, on Sunday evening. His subject, "The Return of the Prodigal Son," was handled in a masterly way, and was thoroughly interesting through out. The beautifully rendered anthem by the choir also added to the services.

Mr. and Mrs. J. C. Eaton, and son, accompanied by a number of friends from Toronto, were guests at the home of Mrs. Eaton's parents, Mr. and Mrs. John McCrea, Omemeé, Victoria Day. They came down in Mr. Eaton's new automobile.

AN EARNEST APPEAL.

We have reason to believe that there is a considerable number of deaf children in this province of school age who are not attending our Institution, but who should be doing so. We are desirous of obtaining the names and addresses of the parents of all such children, and we earnestly appeal to the readers of these lines to assist us in securing this information. Clergymen of all denominations, physicians, assessors, inspectors of schools and public school teachers are in an especially favorable position to assist us in this direction and by so doing they would be conferring an inestimable boon to these silent members of the community. Our desire is to enter in to correspondence with the parents of all deaf children with the hope of inducing them to send them to our school at Belleville, where they may receive such training and instruction as will fit them to become useful, self-supporting and respected citizens. It is a lamentable thing that any deaf boy or girl should be deprived of the advantages of such an education when it is freely provided for them by the people of the Province. We earnestly hope the newspapers throughout Ontario will call attention to this matter as emphatically as possible and thus aid in this good work.—The Canadian Mute of May 15th.
