Another Case That Proves The Merit of FERROZONE.

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield Ont. "My appetite was variable, I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By spring-time I had lost flesh, color, and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me ever so much good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I consider Ferrozone worth its weight in gold to every weak woman. It cures quickly and saves big doctors' bills. (MRS.) R. CROSS."

No tonic so certain, so helpful, so safe; try Ferrozone yourself, 50c. per box at all dealers.

Mount Pleasant.

A very happy event took place at the home of Mr. John Boyd, last Wednesday evening, at the hour of seven o'clock, when his youngest daughter, Miss Jennie, was married to Mr. Wm. McAdoo. The bride looked charming in a gown of embroidered net over white silk and carrying white roses. Miss Eitel Boyd, wearing a very pretty dress of pale blue, peau de soie, trimmed with insertion and lace and carrying pink roses, was bridesmaid, while the bridegroom had an efficient assistant in Mr. Tom Boyd. The nuptial knot was tied by the Rev. H. Peckover, of Omeme, in his usual felicitous manner, in the presence of the immediate friends of the contracting parties. The bride's going away costume was of navy blue cloth. Following congratulations and good wishes to the happy young couple, a toothsome and appetizing dejeuner was served. The young benedicts will remain in our village as Mr. McAdoo is manager of our Cheese & Butter Co. The bride was the recipient of many handsome and costly presents evidencing her popularity. Previous to her marriage she was waited upon by representatives of the Methodist church and presented with a china tea set, accompanied by the following address:

Miss Jennie Boyd.
Dear Miss Boyd,—We the members of the Methodist church and choir in Mount Pleasant, have and do appreciate highly your cheerful yet self-sacrificing labors among us in all our church work. In the choir and in the church, by your singing, faithful service, cheerful and good fellowship you have proved an inspiration, and have endeavored yourself to us and proved to be a "Workman that needeth not to be ashamed." You have proven a friend to us and we can assure you that we will ever remain your friends. We do not think of you as leaving us but sincerely hope you will still remain a worker among us as heretofore, but we feel we cannot let the happy occasion of your wedding pass without in some way assuring you of our friendship and appreciation. We sincerely join in wishing you much joy, happiness and long life in your new home. We humbly ask you to accept this present as a small token of our appreciation of your work in our midst and of the true love we have for you personally. Hoping that you may long live to enjoy them and the man of your choice, whom we have already learned to respect, we remain, as ever your true friends and fellow-workers.

Signed on behalf of the Choir and Congregation of the Mount Pleasant Methodist church,
M. E. SEXSMITH, Pastor.

No matter what disease you suffer with, nor how long you have been sick, if no vital organ is irreparably destroyed, in all probability

OXYDONOR will cure you. No medicine, drugs, electricity, mental science or faith cure. But a natural, rational method discovered by a well known scientist and physician.

One OXYDONOR will serve an entire family—one at a time. It will last a life-time, and there is no expense after the purchase price. You can apply OXYDONOR at home while you rest or sleep.

Mr. Wm. Beers, 196 York St., Toronto, Ont., writes: "I have great pleasure in recommending your Oxydonor. Roofing Right.

Any "Oshawa"-shingled roof is good for 100 years—at least. Roof economy is a plain, easy problem of weighing years against dollars,—of dividing the price of the roof by the length of time it will stay a good roof.

How long will it stay a good roof? That is the question you want a plain answer to when you consider roof economy.

Not how long it will be a good enough roof if you patch it and paint it and tinker with every year or two. Not how long it will be a pretty good roof if you take good care of it—

How long it will be a GOOD roof if you DON'T take care of it? How long it will stay good if you don't do a thing to it? The real test of roof cost, the test of roof economy, is the length of time the roof will stay—

Wind proof,—without repairs—100 years, if 'Oshawa' shingled.
Damp proof,—without repairs—100 years, if 'Oshawa' shingled.
Rust and mildew proof,—without repairs—100 years, if 'Oshawa' shingled.

Fire proof,—without repairs—100 years, if 'Oshawa' shingled.
Water proof,—without repairs—100 yrs, if 'Oshawa' shingled.
Proof against ALL the elements—how long will it stay so, that roof you are going to buy?

That's the test, and the only test worth your while, when you spend good money to cover any building worth roofing right.

That's the yardstick that measures real roof economy. A twenty-five year guarantee safeguards every 'Oshawa' shingled roof. A plain English guarantee that says no 'Oshawa' shingled roof will leak, nor need repairs, nor need painting, nor catch fire, for twenty-five years.

We can supply you with Steel Shingles, Steel Roofing, Corrugated Iron, Conductor Pipes, Metal Shutters, Sky Lights, Finials, Steel Siding, Steel Ceilings, Eave Troughs, Metal Doors, Prepared Roofing, Ventilators, Statuary, Metal Laths.
