ANY WEAKNESS IN YOUR BACK?

Sometimes you experience pain and weakness without much suffering Later on the pain will surely come. The trouble can be stopped now by rubbing on Nerviline—rub it in deeply over the spine, and then put on a Nerviline Porous Plaster. In these remedies you will find wonderful and quick relief They will spare you from an attack of Lumbago, which is the outcome of neglected pain in the back or side For all muscular pains, strains, and weakness, Polson's Nerviline and Nerviline Plasters have no equal. Refuse substitutes.

Crops are progressing well.

DO YOU FEEL USED UP.

You're discouraged and played out—scarcely enough energy to think, and less to work on The reason? You are run down, blood is thin, nerves are like India rubber, not like steel as they ought to be Use Ferrozone and the tired feeling will go—it can't stay because rich nutritious blood and healthy vigor Ferrozone makes, crowds out weakness of every kind. Use Ferrozone and you'll feel like a fighting king—full of energy—filled up with ambition—ever ready to work. No strengthening tonic so potent Neglect not a day longer. All dealers sell Ferrozone in 50c. boxes.

The funeral of the late Mrs. Robert Henderson, one of our most respected old citizens, was held on Sunday. Services at the house and Cemetery were conducted by the Rev. Mr. Feney. Four sons and two daughters are left to mourn her loss. Deceased had been ailing for some time, but the weakness incident to advanced age rendered the care and skill of friends and physicians alike useless.

The Mirror joins in extending sympathy to the bereaved family.

OUR NATIONAL DANGER

Time to Cry a Halt Before Complete Wreck Results.

There are thousands, both men and women, who do not take time to eat properly. They rush through life, and as a result we have an age of indigestion, nervousness, irritability, sleepless nights, and morose disposition. Our national danger is stomach weakness, due to the strenuous life.

Mi-o-na tablets, strengthen the walls of the stomach and stimulate secretion of the digestive juices. They make the stomach comfortable and cure indigestion

Sick headaches, palpitation, yellow skin and coated tongue are a few of the many distressing results of indigestion that Mi-o-na never fails to cure.

A. Leach sells Mi o na in 50c. boxes, and guarantees to refund the money if it does not give complete satisfaction.

Mr. George Hutchinson, of Centreville, is, we are pleased to learn recovering from his recent illness.

The Quebec Provincial Elections were held on Monday, the Liberals capturing 50 seats and the Conservatives 22.

EAT WHAT YOU WANT

But Find the Way to Digest What You Do Eat.

The first thing to do in the case of indigestion or stomach weakness is to strengthen the muscular walls of the stomach and intestines, so that they will care for the food that is eaten. In no other way can this be done as well as by taking a Mi-o-na tablet before each meal. This restores strength to the stomach muscles and stimulates the pouring out of gastric juices, then the food digests readily and you begin to get the full benefit from what you eat

Use Mi-o-na whenever you have sick headache, heartburn, bad taste in the mouth, coated tongue, spots before the eyes, sleeplessness and the many other symptoms that are the direct result of indigestion.

A. Leach gives with every 50c. box of Mi o na a guarantee to refund the money unless the remedy cures.

VARICOCELE CURE

☞ NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on a double varicocele. When I worked hard the aching would become severe and I was often laid up for a week at a time. My manly vitality failed several specialists, but soon found out all they wanted was my money. I soon noted to look upon all doctors as little better than rogues. On day my boss asked me why I was off work so much, and I told him my condition. He advised me to consult Drs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skilful, I wrote them and got FREE TREATMENT. My progress was somewhat slow and during the month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded by a complete cure. I could only earn $18 a week in a machine shop, now I am earning $ 1 and never lose a day. I shall forever all sufferers know of your valuable treatment.
