Or, The Lord of Verona's Disappointment

CHAPTER XXVIII.-(Contd)

Visconti rose suddenly, with such hands before her eyes. force as to fling over the chair. "Cease!" he cried. "Wilt thou drink this? or who dost thou think will dare to interrupt me now!" Valentine's wild eyes looked at eyes.

him in silence a moment, then her glance dropped.

"Unve it me," she whispered. Visconti did not move. "Come and take it," he said.

She came slowly, one hand flickering before her. Visconti watched her, motion

"Make haste." down, her breast heaving, past Tisio, half-crazed. tears or entreaties.

"Drink!" said Visconti. "Drink in it Della Scala's health, as thou didst once before." Valentine raised her head and looked at him, and grew fascinated with terror. She crouched away

from him, and lifted the glass to her lips. Visconti bent nearer and she drank, putting it down half empty with a shudder and staring eyes. "Drink the rest," he said. "Drink

it. Valentine. Still in silence she obeyed him. When the empty glass stood before him, Visconti turned away, taking his eyes from her with a laugh, and walked towards the

coor. Valentine's gaze followed him with a look of utter woe; still she said nothing, from her parted lips there came no sound.

He looked back over his shoulder at her, standing there with her eyes towards him, with all expression gone, with unseeing eyes. "I will leave thee," he said sav-

agely, "to await-the morning." She seemed roused by the sound of his voice, and stepped forward with a cry on her white lips. But the door closed heavily. The

room was in darkness, or was it Her sight failed her? Everything swam before her in a blackening mist; she grasped at the table and fell across it, senseless.

the room with a grey and ghostly light; the great curtains looked black and gloomy, and the corners of the room were filled with strange was beside her; she looked at them strangely. She was still alive.

be dead, or perhaps I shall live till a smooth obeisance, but stopped, pleased, but de Lana shrank from Fereign Naval Attaches, and repnoon," she said to herself. flushed purple; the sun rose above the proud dark face. the horizon.

Valentine looked down into the garden, the sight seemed to awaken memories. "Hush!" She laid her finger on

her mouth. "Hush, Conrad-if than hears us-hast thou velvet ly. shoes on-hush! He treads warily -ah, but it is no use-he poisoned me! he poisoned me!' She rocked herself to and fro.

"In a tall glass with white lines -it was not Gian-it was the Viper silver-all green and silver-a coiling viper. Conrad! come and save me!" Then she fell to laughing, whispering under her breath, counting on her fingers the hours she might have to live.

The door opened, and she stopped her muttering, turning lack!ustre eyes towards it.

"Good-morrow," said Visconti, standing with his back against it and looking at her keenly. "Good-

morrow, Valentine." She looked at him and put the mission, Prince, is secret.' hair back from her face.

walking in the garden; I would peace!"

how long will it be?" Visconti advanced with a bitter allies, my lord. thee! It would have been reality, me," interposed Mastino, "are in "Send them away, my lord," he would that I dare poison thee, thou haps; and yet, messer, I ask for no here-send them away."
