SOME FACTS AND FISH STOR-IES FROM UP NORTH.

Compared with past years this may perhaps be called an off season on the northern lakes This, of course, from the view point of the steamboat man the hotel proprietor and the guide Due to the financial stringency, say some, the effect of a foolish fever scare dating from last year, say others. But whatever the cause, the gamy and toothsome tourist is a scarce bird this season. His jointed rod and joyous wad are not nearly so much in evidence at some of the boarding houses as is desirable. And there is fierce competition for such as do strike Lakefield on the way up, The morning boats down, it is said, now carry representatives of the different hotels and boarding houses who meet the incoming

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heart-burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels. Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course

In coughs and hoarseness caused by bronchial, throat and lung affections, except conumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion o the bronchial mucous membranes.
