Mr. Joseph Hunter was down to Port Hope on Monday where his son is attending Camp. Mr. Hunter says the boys are doing fine and that Capt. Leah's Company is in fine form, and are trained well. He says that Capt. Leah is an excellent officer, in fact one of the best in Camp.

FIFTEEN DOLLARS REWARD for the conviction of any person found fishing on the creek from Cavanville to the 8th Con. Line of Cavan, (without permit from the Company)

Bill Nye had the truth well told when he said: "A man may use a warrant on the back of his neck for a collar button; ride on the back coach of a railroad train to save the interest on his money till the conductor gets around; stop his watch at night to see how it wears and tear; leave the "i" or "t" without a dot or cross to save ink; and a friend's grave to save corn." A man of this sort is a gentleman and a scholar compared to the fellow who will take a newspaper two, three or four years and when asked to pay puts it back in the office and has marked "refused."

We have recently received a copy of a neat Booklet from the House of the W. J. Gage & Co., Ltd., of Toronto, which gives "A Story of Sixty Five Successive Years" in business. It gives photographs of Mr. Adam Miller the founder of the business, and his wife; also of the building it commenced in and of its present mammoth and up-to-date buildings, paper mills, etc. An excellent cut of Mr. Gage, the President of this enterprising firm, also of Mr. Spence, Vice-President, and Mr. W. P. Gundy, General Manager and Treasurer, and of many others engaged in different departments of this big and prosperous business. It shows what push, pluck and perseverance can do, especially when such men as are at the head of the W. J. Gage Co. Limited, of Toronto, lead the way. The Booklet itself is a splendid specimen of the printer's art, being of the best material from cover to cover, the matter being nicely arranged. The cover design is a model of perfection. The Mirror wishes the W. J. Gage Co. continued success, even greater than has been from 1844 to 1909.

Mr. C. E. Mitchell, of Emily, was in town last week, the guest of his sister, Mrs. T. J. Lang. Mr. Mitchell purchased a new set of harness from Mr. Lang, and had his old ones made to look almost like new. F. J. knows how to put on the finishing touches.

For "being good" Chief Miller received a present, "by express", of a fish—we won't mention the size, as our thousands of readers might think it was a "fish story." It was packed in a box, with many packing materials, and the fish encased in a nicely oiled sheet of paper, arrived safe and well preserved. We understand it came from Kalamazoo, Mich., with the "compliments" of Mr. Ellis, Surveyor. The Chief has some intentions of having it mounted and exhibit it along with Mr. W. J. E. Gillott's two-headed and six-legged calf. By the way, the fish's head was taken off, so as to reduce the weight and avoid paying double express charges.

Mr. and Mrs. Eames, and their grand daughter, little Miss Margaret Stillwell, of Rochester, N. Y., are visiting at the home of their daughter, Mrs. Walter W. Gillott.

Mr. Milton E. Nugent, son of Mr. H. Nugent, Omenee, passed his exam at Carlton College, Northfield, Minn., recently, and secured his B.A. degree. Mr. Nugent was in town on Monday and gave the Mirror a call. While in town, he was the guest of his uncle, Mr. W. D. Nugent.

### JUNE WEDDING BELLS.

#### KENNEDY—KENNEDY.

A very pretty wedding was solemnized at "Hilcrest Farm," the home of Mr. James Kennedy, Cavan, Ont., at two o'clock, Wednesday, June 23rd, when his cousin, Miss Lucy May Kennedy, became the wife of William George Kennedy, of Barrie.

The marriage service was conducted by Rev. Rural Dean Allen, M. A., of Millbrook, in the presence of the immediate friends and relatives of the contracting parties.

The bride was given away by Mr. James Kennedy, and was unattended; she looked charming in a costume of white silk tulle, trimmed with lace and insertion, with a bridal veil caught up with lilies of the valley, and carried a bouquet of bride's roses.

Mendelssohn's Wedding March was most creditably played by Mrs. A. B. Kennedy, cousin of the bride.

Following the ceremony a dainty luncheon was served, after which Mr. and Mrs. William George Kennedy left on the 5 o'clock train for a trip to Toronto, Niagara Falls and Buffalo, the bride travelling in a navy blue suit with blouse of allover lace over silk, with white picture hat.

The bride, who is held in highest esteem by a large circle of friends, was the recipient of many lovely gifts.

On their return from their honeymoon the bride and groom will reside at "Fairview Farm," Allandale.

The Mirror extends congratulations to the happy and popular young couple and wishes them good luck all along life's journey.

### Presbyterians Win Another Game

On Tuesday evening the A. B. C's and Presbyterians played a League game, the latter winning by a score of 15 to 9, with an innings to spare. The score was 6 all at the end of the 5th.

There was some good plays made by members of both Clubs, but the Presbyterians are a hard nin to beat.

The A. B. C's and Anglicans clash next Tuesday evening.

### Chief Miller and Mr Robert Deyell landed seven bass and two lunge at Rice Lake on Tuesday.

The lunge weighed 7 lbs. each, while the bass averaged 4 lbs. We 'pity' the fish that got into the hands of the Chief.

### BETHANY

Special to the Mirror.  
Our boys journeyed to Bowmanville on Saturday to play the return match of foot ball which resulted in a tie, each scoring a goal. This leaves Bowmanville winners, they having scored one goal here on June 12th. This was the best game of the season, and Bowmanville has the best team that they have played yet. Both teams were well matched and played their best. It was the clearest, fastest and best referred game of the Midland League since this season.

The Rev. J. A. Poston was in Toronto last week attending the Synod session.

BORN—On Sunday, June 20th, to Mr. and Mrs. Wm. Price, a bouncing baby boy.

There passed away on Monday, the 21st of June, Wm. Graham, aged 33, and only son of Mr. and Mrs. Samuel Graham, of Lot 4, Con. 12, Cavan. The funeral on Wednesday to St. John's Cemetery, Cavan, was largely attended. Among those who are left to mourn his loss are his parents and two sisters. Much sympathy is extended to the bereaved family.

### ARE YOU WEAK AFTER SICKNESS?

Later on it will be harder to get strong than to-day. What are you doing to get well?

A case in point is exemplified in the following letter from Mrs. V. J. Witter, wife of a well known citizen of Peterborough, who writes: "I had a nervous disorder that completely prostrated me. I couldn't sleep and would lay and toss about all night, arising in the morning more tired than ever, head heavy, eyes dull, and every bone and muscle aching. I tried to get along without calling in a doctor, but was finally driven to it. He treated me for some time, but with no perceptible improvement in my health. Some one recommended Ferrone. The change of the six days' treatment was noticeable almost instantly. I gradually took on flesh. The 'all-gone' feeling left me. In less than six weeks I was fully recovered from sickness. I will always recommend Ferrone, feeling with sincerity that it is an honest, powerful, health-giving tonic."

Try Ferrone-to-day!  
The nourishment and vital energy it supplies is wonderful!  
Ferrone makes you feel better at once, it's good for men, for women, for children—just the thing for everybody seeking better health. Sold by all dealers, 60c. per box or six boxes for \$2.50.

The Lord's Day is one of the greatest honors ever given by God to man. It is absolutely necessary for his physical health, and necessary to enable him to bear the wear and tear of six days' work. Medical men who have studied the subject tell us that one day in seven is the most beautiful proportion that could have been devised for restoring the strength taken away by the toil of the week, that is not restored by the rest of the night. Show your gratitude to God for this boon by doing all you can to maintain it for yourselves and for others.—Shalt's Weekly.

### BE A CHARMING WOMAN.

You never saw a beautiful woman who didn't have beautiful hair. The charms of a beautiful woman lie in her hair. Many women do not realize the attractions they possess because they do not give proper attention to the care of the hair.

The woman of the "400" are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, lustre, and strength to the hair.

Up to a few years ago, Parisian Sage could hardly be obtained in America. But now this delightful hair restorer can be had in every town in America. A. Leach sells it in Millbrook for 50 cents a bottle, and he guarantees it to grow beautiful, luxuriant hair; to turn dull, lifeless hair into lustrous hair; to stop falling hair; to stop itching of the scalp. Understand, A. Leach will give you your money back if it fails.
