The following factories boarded Morning:

North Harvey ..... 78 Mr. Fitzgerald commenced the bidding at 10 1-2 and called six factories but all refused to sell.

The buyers did not feel justified in paying more, and for a few moments it looked as if no sale would take place.

Eventually, the sellers, with the exception of Mariposa, decided to dispose of the cheese at 1012 rather than carry it over for three weeks, the date of the next sale.

Mr. Flavelle called North Verulam Pine Grove, Reaboro, Bobcaygeon, Palestine, Red Rock and North Harvey.

Mr. Fitzgerald then called Star, Dunsford, Cambray, North Ops, Maple Leaf.

Mr. J. Brown took Cameron and Omemee. The Board then adjourned till Aug. 28th.

A SAD CASE. The following letter, addressed to the

Secretary of the National Sanitarium Association, Toronto, from the Rectory, Norwood, Ont., and signed by Rev. J. McKee McLennan, a well-known Anglicheese at the meeting on Monday can minister of the province, needs no comment of ours. It reads: "I desire to secure the admission into the Free Hospital for Consumptives at Gravenhurst of a young woman, a member of my parish. The case is a very sad one, and if help can at once be given, a promising life can be saved. Three years ago the mother died of consumption. Since that time it has been my painful duty to bury two of the sons with the same disease. Now Aunie, aged about seventeen, and a boy of fourteen, are all that remain of the family. The poor girl has been in Muskoka, boarding at a private house, waiting to be admitted. She returned home last week, and within twenty-four hours of her return her father dropped dead in his buggy while driving into Norwood. The case is surely one that must appeal to the sympathies of everyone, and yet, I fear, only one of the many that are constantly

coming under your notice." [Note. - Readers -- and may their number be many-who desire to assist in this worthy work may send their gifts to Sir WmCR. Meredith, Kt., Vice-President, National Sanitarium Association, Toronto, or Mr. W. J. Gage, Chairman of the Executive Committee, Toronto.]

It contains roots, herbs and barks, and is the concentration of nature's vitality as found in the fields and woods. This remedy has a history which speaks well for it becreise it was given to the public by Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., nearly forty years ago, and has since been sold by druggists in ever increasing quantities. Some medicines, tonics or compounds, en-joy a large sale for a few years, then disappear from the public attention, but Dr. Pierce's Golden Medical Discovery has proved such a reliable blood remedy and onic that it often enjoys the confidence of several generations in a family, and its increased sales year by year coming from the recommendations of those who have tried it, prove its lasting merit, so that every bottle bears the stamp of public approval. The aerial ship started last week from Mt. We would recommend Percy for a humane Society medal, as it not the first time that he has rescued people from a watery grave.
