MAKING SURE OF DEATH. Solution Injected Into Tissues Colors Body if Dead.

Those who suffer from the fear of premature burial will be interested to hear of a new method for ascer- Many Instances Which Go to taining whether life is extinct. The agent used is fluorescine in solution, which is injected deep into the tissues of the supposed corpse. In the event of circulation having ceased, the skin and mucous membrane become very yellow and the eyes assume the color of emeralds. If death has not taken place the injected fluid causes no harm and no

H. W. Denton-Ingham, secretary of mature burial one should chance professional offender is capable of nothing.

discoloration takes place.

"The only really infallible test of death which has been discovered so far is the presence of decomposition.

## A MODERN MEDICINE.

Dr. Williams' Pink Pills Cure Ds, ease Through the Blood.

Medicines of the old-fashioned kind will sometimes relieve the symptoms of disease, though they can never touch the disease itself-they never cure. Ordinary medicines leave behind them indigestion, constipation, biliousness and headache; purgatives ened. Dr. Williams' Pink Pills, on the other hand, do direct good to the body, blood and nerves. They fill the veins with new, rich, red blood; they brace the nerves; they fit, until I was advised to try Dr. Wath in Strangewere Good to get to wealth as to lay the foundation of other. Jacob von Artevelde, a Williams' Pink Pills. These have Webb in Strangeways Gaol, to act so his subsequent fortune in the United wealthy brewer, put himself at the than I have done for years. I glad- lodging. Jackson had a most ridily give my experience in the hope that it will benefit others."

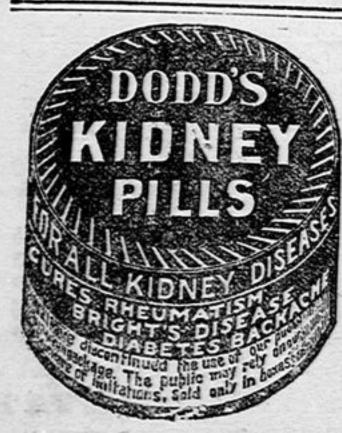

up strength as they did in Mrs. Henley's case in just one way-they actually make new blood. That is all found, dazed with drink, breaking they do, but they do it well. They into a house in which resided a man The prisoner at once desired to don't act on the bowels, they don't he knew in order to spend the night once more plead "Guilty," but this bother with mere symptoms. They with him. His company was not was not allowed, and against all his company was not was not allowed, and against all his company was not was not allowed, and against all his company was not was not allowed, and against all his company was not was not allowed, and against all his company was not was not allowed, and against all his company was not was not allowed.
