**IGORROTE VILLAGE.**

This item is for the purpose of calling  
 the attention of intending visitors to  
 one of the special features at the Can-  
 adian National Exposition, Toronto,  
 viz: The Igorrote Village. At the St.  
 Louis World's Fair this Village was  
 visited by President Roosevelt, Vice-  
 President Fairbanks and their families.  
 It was endorsed by Cabinet officers,  
 Senators, World's Fair officials, mem-  
 bers of the Board of Lady Managers,  
 press and pulp as the most unique  
 educational feature.  
 The village will be strictly typical  
 and all the industries and customs of  
 this people will be fully shown. This  
 exhibit is made with the sanction of the  
 U. S. A. War Department and the  
 Government of the Philippine Islands.  
 There is nothing in the presentation of  
 the show, or in the natives themselves,  
 to which the most sensitive and refined  
 could object, but such as always to en-  
 list their interest.  
 Every schoolboy and every schoolgirl  
 should see these strange people. They  
 will prove of absorbing interest to the  
 young and mature alike, and the high-  
 er the intelligence of the visitor the  
 greater the degree of satisfaction. Free  
 lectures are given covering the salient  
 points about these little known  
 primitive people, and all visitors are  
 urged to remain to hear the lecture.

Rev. Dr. Cade, of Toronto, occupied  
 the pulpit of the Methodist church last

 The Doctor seems just as active as  
 he was when Pastor of the church here  
 about seven years ago, and the love of  
 the congregation for him and his  
 splendid sermons has not diminished  
 in the least. He no doubt carries  
 away with him pleasant recollections

**Two Base Ball Matches.**

**Mount Pleasant vs. Millbrook.**

On Friday last week the Mi-  
 llbrook Base Ball Club, captained by  
 Mr. A. E. Duncan, took L. Lerner's  
 large band wagon, and one of his sprit-  
 ed teams of horses, and surmounted  
 all difficulties, hills included, until they  
 reached that up-to-date and thriving  
 little town north of us, viz, Mt. Pleas-  
 ant. It was the occasion of the an-  
 nual public school picnic, and Mr. T.  
 Walter McLean, the genial and effi-  
 cient principal of the school, with his  
 usual forethought, had arranged for a  
 game of ball between Mt. Pleasant and  
 Millbrook. The game was witnessed  
 by probably three to four hundred  
 people, at least one would size up the  
 crowd to about that number by the  
 enthusiasm shown by the local rooters.  
 Of course Millbrook didn't expect to  
 win with such a crowd and the Peter-  
 brook battery against them and they  
 didn't. Nine innings were played and  
 resulted in a win for Mount Pleasant.  
 The line-up was as follows:

Mount Pleasant	Millbrook
Fitzpatrick p	Mitchell
Rosenberg c	Russell
T Boyd 1st b	Edmunds
Bland 2nd b	A Duncan
Brown 3rd b	R Duncan
Loves lf	Cochrane
Curtis ss	Collins
Smith rf	McKim
Morden cf	Dunsford
J Jamieson scorer	G Duncan
C W Richards, umpire	

**NOTES.**  
 The Mt. Pleasant boys are all good  
 fellows, and their kind hospitality help-  
 ed to alleviate the "distressing" effects  
 of defeat.

The scorers said paper was scarce.  
 Fitzpatrick alias Graham, is certain-  
 ly a strong player, and he had good  
 support in Rosenberg, catcher for the  
 Y.M.C.A.'s of Peterboro.

The ladies of Mt. Pleasant put up a  
 feast fit for a wedding, and the Mi-  
 llbrook boys did justice to the many de-  
 licacies provided. It was always thus  
 with Mt. Pleasant, they would defeat  
 you at ball if possible, but would  
 smooth matters by feeding their oppon-  
 ents with the "best in the land."

Ab Duncan says that he will "get  
 even" with the "Pleasant boys," next  
 summer, if he has to walk the all way  
 here from Cleveland—and Ab keeps  
 his word too.

After the game of ball, and supper  
 over, a good program of foot races was  
 held, which also created considerable  
 sport for the spectators.

Mr. McLean is to be congratulated  
 upon the success of the picnic, and we  
 are all grateful for such an excellent  
 outing, and hope for another soon.

**A SECOND GAME.**

A return game was played in the  
 Agricultural Park, Millbrook, on Tues-  
 day last, which resulted in a win for  
 Mt. Pleasant. The following is the  
 line up of the players:

Mount Pleasant	Millbrook
Fitzpatrick p	O McGill
Rosenberg c	L Russell
T Boyd 1st b	N McGill
Bland 2nd b	R Edmunds
Brown 3rd b	A Duncan
Curtis ss	C Needler
Loves lf	J Bateson
Smith rf	G McKim
Morden cf	J White
J Jamieson scorer	G Duncan
Jos. Boyd, umpire	

**NOTES.**

There was a good attendance.  
 The visitors were treated to a good  
 supper by mine host Ross, of the Du-  
 nmion Hotel.

Mt. Pleasant boys are now consid-  
 ering a game with one of the Eastern  
 League clubs. They certainly have a  
 good bunch of ball twirlers and we  
 wish them success.

The umpire had a hard time keep-  
 ing tab of the "balks" of Fitzpatrick.  
 We understand the Millbrook Bank  
 clerks are organizing a club. We wish  
 them success.

**A STOREHOUSE FOR POISONS.**

You may not think so, but that's  
 what you become when the kidney's  
 are affected. These organs cleanse the  
 body; they are the filters that remove  
 from the blood the waste matter that  
 acts like deadly poison on the vitality  
 and health of the system. Dr. Hamil-  
 ton's Pills stimulate the kidney, ex-  
 pel fermenting matter from the bowels, re-  
 store the liver and stimulate all ex-  
 cretory and secretory organs. This  
 enables the blood to quickly replenish  
 itself and establishes perfect health.  
 No medicine does such lasting good as  
 Dr. Hamilton's Mistake and Butter-  
 net Pills, 25c at all dealers.

Mr. T. Redmond took up a herd of  
 thoroughbred short horn bulls and  
 heifers to the Toronto Fair, and to  
 judge by their appearance, we would  
 think that they would beat all comers.  
 His herd is certainly a choice lot.  
 Success to you Thomas.

Dr. Hassard took up a number of  
 choicely bred stallions and mares to  
 the Canadian Industrial Exhibition at  
 Toronto. He should carry away  
 several first prizes.

**HELPS MEN TO WORK HARD.**

That's what Ferrone does; it sup-  
 plies the additional strength that en-  
 ables a man to maintain health under  
 difficulties. "Last spring I was so  
 completely fagged out I could not work"  
 writes J. W. McNichol of Turnbull,  
 Man. "In the morning I was tired—  
 limbs ached all over. Had no appetite  
 was sleepless, nervous and unhappy.  
 Ferrone put me into life now. Now  
 I eat heartily, nerves are strong I sleep  
 well. I know the joy of health." It's  
 by supplying nourishment and good  
 blood that Ferrone builds up; try it—  
 50c per box at all dealers.

**Woman's Trials.**

The bitter trail in a woman's life is to  
 be childless. Who can tell how hard the  
 struggle may have been ere she learnt to  
 resign herself to her lonely lot? The ab-  
 sence of this link to bind marital life  
 together, the absence of this one pledge  
 to mutual affection is a common disap-  
 pointment. Many unfortunate couples  
 become estranged thereby. Even if they  
 do not drift apart, one may read the whole  
 extent of their disappointment in the eyes  
 of such a childless couple when they rest  
 on the children of others. To them the  
 largest family does not seem too numerous.  
 In many cases of barrenness or child-  
 lessness the obstacle to child-bearing is  
 easily removed by the cure of weakness on  
 the part of the woman. Dr. Pierce's Fa-  
 vorite Prescription has been the means of  
 restoring health and fruitfulness to many  
 a barren woman, to the great joy of the  
 household. In other, but rare cases, the  
 obstruction to the bearing of children has  
 been found to be of a surgical character,  
 but easily removable by painless operative  
 treatment at the Invalids' Hotel and Sur-  
 gical Institute, Buffalo, N. Y., over which  
 Dr. Pierce of the "Favorite Prescription"  
 fame presides. In all cases where child-  
 ren are desired and are absent, an effort  
 should be made to find out the real cause,  
 since it is generally so easily removed by  
 proper treatment.  
 In all the various weaknesses, displac-  
 ements, prolapsus, inflammation and de-  
 bilitating, catarrhal drains and in all  
 cases of nervousness, debility, Dr. Pier-  
 ce's Favorite Prescription is the most effi-  
 cient remedy that can possibly be used.  
 It has to its credit the testimony of thou-  
 sands of cures—more in fact than any other  
 remedy put up for sale through druggists,  
 especially for women's use. The ingredi-  
 ents of which the "Favorite Prescription"  
 is composed have received the most  
 positive endorsement from the leading  
 medical writers on Modern Gynecology at  
 the several schools of practice. All the  
 ingredients are printed in plain English  
 on the wrapper enclosing the bottle, so  
 that any woman making use of this  
 famous medicine may know exactly what  
 she is taking. Dr. Pierce takes his pa-  
 tients into his full confidence, which he  
 can afford to do as the formula after  
 which the "Favorite Prescription" is  
 made will bear the most careful exami-  
 nation.  
 Dr. Pierce's Pleasant Pellets are the  
 best and safest laxative for women.

**These Medical Facts**

**You Can Study With Profit.**  
 How few realize that twenty-five per-  
 cent of all disease has its origin in  
 some interference with the function of  
 elimination.

The whole body exists by reason of  
 the transference of fluids through its  
 component parts.  
 Up to a certain point the body has  
 power to object to destructive elements  
 but this power is limited.

When it happens that the body is  
 loaded with wastes and poisons which  
 it can't eliminate, fermentation, decay,  
 and germ life run riot through the  
 blood.

Serious illness is the result unless  
 nature is assisted by a cleansing tonic  
 like Dr. Hamilton's Pills, which are  
 purely vegetable, contain no mercury,  
 a bismuth, no injurious metallic in-  
 gredients of any kind.

Such a medicine is the greatest  
 possible assurance to every man and  
 woman of health, spirits and content-  
 ment, and hope for another soon.

Grand results are achieved, and fam-  
 ous cures made every day by Dr. Hamil-  
 ton's Pills, as this letter proves.  
 From Newfoundland, Miss Lillian  
 Anthony, of Upper Gullies, Coception  
 Bay, writes: "In praise of Dr. Hamil-  
 ton's Pills. I must say that I have  
 need them with great success for three  
 years. They never fail to cure me of  
 indigestion or constipation. Formerly  
 my face was full of pimples, but now  
 my complexion is clear and ruddy.  
 In more ways than I care to mention  
 have Dr. Hamilton's Pills helped me;  
 they would be good for every woman  
 to use."

Insist on having only Dr. Hamilton's  
 Pills, 25c per box or five boxes for \$1.00  
 at all dealers, or by mail from N. C.  
 Polson & Co., Hartford, Conn., U. S. A.,  
 or Kingston, Ont.
