Rev. Dr. Nugent, of Chicago, Ill., conducted the services in the Presbyterian church here most acceptably last Sabbath.

His subject was "Enthusiasm in the Christian Life." Dr. Nugent is an Omeme "Old boy," and we are pleased to notice the steady advance he is making in the Christian Ministry.

Mr. A. W. Parsons, Commercial Traveller, representing a large American Manufacturer of Druggists supplies, after covering the Dominion, says the Midland district is his choice.

MT. PLEASANT.

Special to the Mirror.

The Public School held their picnic on Friday and the affair, as a whole, was a success. A base ball game was pulled off between the Millbrook team and the Sherring base ball team of our village, the latter team having a little the better of the argument and winning after a struggle of nine innings. There was quite a large attendance to see the game, which was under the unimpresed-up of Mr. C. W. Richards, editor of the Mirror. Tea was served on a near-by lawn and the races for the pupils were carried through; these created a good deal of excitement for the contestants and some amusement for the Spectators.

The refreshment booth did a land-office trade and added to the pleasure of the afternoon.

A return game of base ball was played in Millbrook on Tuesday afternoon of this week, resulting in another win for the Sherrings.

Mr. Geo. Duncan was official scorer for Millbrook and Mr. John Janicson for our boys.

We noted Messrs. H. Johnston and W. J. E. Gillott of Millbrook present at the game, also Dr. Keith, of Omeme.

Mr. H. Argue and the Misses Gertie and Lill Argue called on friends at the week's end.

Rev. Mr. Sexsmith delivered a very practical discourse last Sabbath morning on "The Enemies of Christianity."

Rev. Dr. W. H. Nugent of Chicago, occupied the Presbyterian pulpit on Sabbath evening.

Mr. Will Holiday of Toronto, paid a visit to Mr. T. Walter McLean on Saturday.

The Rutherford brothers are busy thrashing and are having great satisfaction with their new gasoline engine.

We are sorry to learn that Miss Myrtle Shield is unwell.

Mr. John D. Thexton is completing his new residence which will soon be ready for occupation.

Miss Fanny Rosenberg returned to Peterboro on Saturday, after a well-earned holiday.

Messrs. W. Graham, Morris Rosenberg and Tom Byrd were out from Peterboro on Friday and played in the ball game.

Base ball is just as attractive as in the olden days in our town and there

is no more enthusiastic supporter than John Boyd, Esq.

Mr. Harry Lewes has returned from a trip to the North-west and looks well. We have not ascertained if he intends removing to the land of golden grain.

The teacher of the public school takes this means of thanking the ladies, the School Board and all others who so kindly assisted him in providing an afternoon of outdoor amusement for the pupils.

STEEL KNIFE IN THE FLESH.

That's the experience by Robert Price of Hecton, Ont. He knew it was scuticous and of course used "Nerviline." As usual it cured and he says: "No instrument can exceed Polson's Nerviline. Severe pains made my side lame. It was like a steel knife running through the flesh. I rubbed in lots of Nerviline and was completely cured." A regular snap for Nerviline to ease Sciatica and rheumatism. It sinks into the core of the pain, cures it in short order. Large 25c bottles at all dealers.

CHARLES IVORY,

The Institutions of the National Sanitarium Association, including the Muskoka Cottage Sanatorium and the Muskoka Free Hospital for Consumptives, are under the distinguished patronage of His Excellency Earl Grey, Governor-General of Canada, and Countess Grey.

Readers of this announcement will be glad to know that there has been an encouraging response to our request for help for the

Muskoka Free Hospital for Consumptives

Since this institution was opened, a little more than three years ago, 560 patients have been cared for. Over 2,000 patients have been treated in our two Muskoka homes within the past seven years.

—Not a single applicant has ever been refused admission to the Muskoka Free Hospital for Consumptives because of his or her poverty.

Our plea for help is that the Muskoka Free Hospital for Consumptives cares for patients that all other hospitals refuse. If the needed money is forthcoming, this dread disease might be stamped out.

—Dr. T. G. ROPER, an eminent physician of Montreal, ex-president of the Canadian Medical Association, and ex-president of the British Medical Association, stated at a meeting of the Montreal League for the Prevention of Tuberculosis, his firm belief that in twenty-five years, provided proper means are adopted, a case of consumption would be a curiosity.

Within the month the accommodation has been increased by twenty-five beds, adding to the burdens of maintenance, but in the faith that a generous public will come to the aid of the trustees.

Contributions may be sent to SIR WM. R. MEREDITH, Kt., Osgoode Hall, Toronto, or W. J. GAGE, Esq., 54 Front St. W.
