### Popular Young Couple Married

**LAMB-IVORY**—A very quiet wedding took place at home of Mr. Charles Ivory, on Tuesday afternoon, 27th August, at 3 o'clock, when Miss Evelyn Ivory was united in marriage to Mr. Henry Lamb of Omemece. Rev. R. McCulloch performed the ceremony. The contracting parties are prominent and popular young people in Omemece. Miss Ivory is President of the Epworth League in the Methodist church, and an active worker in the Sunday School, and Mr. Lamb is just as prominent in the Presbyterian church. The young couple start life together with the best wishes of all who know them, in which the Mirror heartily joins.

They have not returned at time of writing, but they may “spin a yarn” next week about the big ones they “nearly” caught. Harry has an excellent position as Manager of the Bank at Forget, Sask. His many friends are pleased to meet him again after several years absence.

**Buy Hair at Auction?**

At any rate, you seem to be getting rid of it on auction-sale principles: “going, going, gone—no!” Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a scalp medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

### Words of Praise

For the several ingredients of which Dr. Pierce's medicine are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimony. Dr. Pierce's Favorite Prescription has the honor of being on every bottle wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, dragging down distress in lower abdomen, or perhaps dark spots or specks kindred symptoms caused by female weakness, or other derangement of the feminine system, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operation may be avoided by the timely use of “Favorite Prescription” in such cases. Thereby the obnoxious examination of the family physician can be avoided and a thorough course of successful treatment tried out in the privacy of the home. “Favorite Prescription” is composed of the very best medicinal roots known to medical science, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from “Favorite Prescription”; it will not perform miracles. It will dissolve or cure tumors, no medicine will. It will do as much to establish vigorous health in most weak women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time. You can't afford to accept a cheap, non-trium as a substitute for this remedy of the highest composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

### Of Interest to Sportsmen.

Special to the Mirror.

Two glass goblets lettered in gold and established upon the stands in the best parlors of two homes respectively on King St. West, commemorate the first annual croquet tournament in Emily to the winners thereof. Two small bags of marbles and two small rubber inventions commonly known among babies as “comforters” were trophies to the losing couple in this same tournament.

Those in the list according as they played and ranked in the finals were: Mrs. Fred Sandy and Milton Nogent, Ida Nugent and George Wilson, Estella Wilson and Bert Veals, Ruby Veals and Fred Sandy. The tournament occupied five early Monday evenings in July and August and was held at the homes of the players, Mr. and Mrs. Sandy being hosts at the first and last meets.

A large number of spectators were present each evening, some having come from Lindsay, Ebenezer, Manners Station and even from the States several hundred miles.

After sundown the whole company joined in garden games and were refreshed from the bountiful cupboards of their hosts. Speeches usually closed each evening and much native wit and eloquence was added to the skill of eye and hand exhibited by the players, making the whole affair one of dignity and great interest.

### MOUNT PLEASANT.

Mr. Bert Fee, of Keene, spent Sunday at his home.

Mrs. W. J. McLean of Toronto, is visiting her friends and relatives of the village.

Miss Fanny Rosenburg of Peterboro is spending her vacation with her mother.

To St. John's Cemetery on Tuesday took place the funeral of the late Harry Sisson. A large concourse of relatives and friends attended to show their respect of the deceased and their sympathy to his relatives. A short, impressive and appropriate service was held at the late home of Mr. Sisson, by Rev. W. C. Allen whose eulogies of the deceased were well taken. The poet's expression, “An honest man's the noblest work of God,” seems to be admirably suited to the life of our departed friend and neighbor. His relatives have the heartfelt sympathy of the community in their bereavement.

The pulpit of the Presbyterian church was occupied on Sunday evening by a supply clergyman as the Rev. Mr. Peckover is taking his holidays. No service next Sabbath.

Our Public School began again on Monday, 19th inst. On Friday an “At Home” was held in the School building. Parents and friends of the pupils were present, besides the Rev. M. E. Sexsmith and Mrs. (Rev.) J. H. Messmore. The prizes for the various grades writing on examinations, were presented to the winners by Rev. Mr. Sexsmith who made some very encouraging and useful suggestions; he also made a pleasing address. Mrs. Messmore spoke with much interest, of School and religious work in India where she has been a missionary for 47 years. A photograph interspersed the program with many and choice selections. At the conclusion of the programme luncheon was served by the pupils. The prize for the highest number of marks on the term and Entrance to High School's examinations was awarded to James Fee, who made a total of 520 marks out of a possible 650. In arithmetic he made 93 per cent and in Geography 97 per cent. The other entrants made a very creditable mark, viz: Percy Brown made a total of 508 taking 100 per cent in Geography; Annie Thornton made 417 of a total and took 100 per cent in Dictation. The Junior Fourth prize was won by Bert Fee, who was closely followed by Bruce Lowes, with only 4 marks to spare.

Stella Handly captured the prize given the third class and Herman McLean the prize for the second class.

### Popular Member for East Victoria Married.

Mr J. H. Carnegie, the Conservative member of the Legislature for East Victoria, and Miss Edith Roberta Green of Hazelton avenue, this city, were married yesterday afternoon at the Church of the Ascension, Rev. W. H. Vance officiating. Mr. George Green, brother of the bride, and Miss Grace Green, her sister, were the only other parties present. Mr. Carnegie, who was first elected for the riding mentioned in 1894, is one of the best-known members of the House, and is popular among the representatives on both sides.—Toronto Globe of Wednesday.

The Mirror joins with a host of Mr. Carnegie's friends in Victoria, Haliburton and Durham Counties in extending hearty good wishes to him and his estimable bride.
