### MT. PLEASANT. Harvest Festival at St. John's Church, Cavan

Special to the Mirror. We are pleased to report an improvement in the condition of Miss Myrtle Shield and trust that, ere long, she will regain her usual health.

Dr. Nugent, an ex-Omemeeite, who has served as a Missionary in India, will occupy the Presbyterian pulpit on Sabbath, the 23rd instant, at 7 o'clock.

A lively and exciting game of base ball was played last Thursday evening, between a nine composed of local girls and the nine of the public school. President John Boyd acted as field Superintendent; Joseph Boyd as official scorer for both teams, and T. W. McLean as umpire. After much screaming, gesticulation, over-throwing, prancing around, and swatting the sphere, the result was proclaimed a tie—27 runs all. Both nines played good ball, and a second contest is likely to be pulled off this week. Both teams have splendid batteries and some long-distance hitters. It was refreshing at times to see the girls land on the ball with vigorous long-arm swings and drive it to the outfield.

### A Pretty September Wedding.

The Bachelors and Benedicts, now that the rush of harvest, sowing fall wheat and threshing are over, are warming up for a second contest of base ball. The Benedicts have one game to their credit and the Bachelors are anxious to even matters, which they think they can do.

### Bad Stomach Makes Bad Blood.

You can not make sweet butter in a foul, unclean churn. The stomach serves as a churn in which to agitate, work up and disintegrate our food as it is being digested. If it be weak, sluggish and foul the result will be torpid, sluggish liver and bad impure blood.

The ingredients of Dr. Pierce's Golden Medical Discovery are just such as best serve to correct and cure all such derangements. It is made up without a drop of alcohol in its composition; chemically pure, triple-refined glycerine being used instead of the commonly employed alcohol. Now this glycerine is of itself a valuable medicine, instead of a deleterious agent like alcohol, especially in the case of weak stomach, dyspepsia and the various forms of indigestion. Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of it: "In dyspepsia it serves an excellent purpose. It is one of the best manufactured products of the present time for its action on the stomach, and especially on the gastric (stomach) lining. It is a most efficient preparation of gastric juice (stomach) and will relieve many cases of pyrosis (heartburn) and excessive gastric acidity. It is useful in flatulent variety, and in certain forms of chronic constipation, especially the torpid and excretory functions of the intestinal tract."

When combined, in just the right proportions, with Golden Seal root, Stone root, Black Cherrubark, Queen's root, Blood-root and Mandrake root, or the extracts of these, as in Dr. Pierce's Golden Medical Discovery, there can be no doubt of its great efficacy in the cure of all stomach, liver and intestinal disorders and derangements. These several ingredients have the strongest endorsement in all such cases of such eminent medical leaders as Prof. B. Barlow, M. D., of Jefferson Medical College, Philadelphia; M. D. Medical Department, University of Pa.; Prof. Laurence Johnson, M. D., Medical College, Chicago; M. D., Hahnemann Medical College, Philadelphia; M. D., University of Pa.; Prof. John King, M. D., Authors of the American Dispensary, and so on.

Who can doubt the curative virtues of a medicine the ingredients of which have such a professional endorsement?

Constipation cured by Doctor Pierce's Pleasant Pellets. One or two a dose.

### Death of James Lloyd Powell.

The death of James Lloyd Powell, son of Mr. and Mrs. John Powell, which sad event took place on August 30th, at the early age of 15 years and 2 weeks, removes a bright and promising young life. He was bedfast for three weeks, but bore his suffering with great patience and christian fortitude. He was beloved by all his acquaintances. Besides his parents he leaves to mourn his loss four sisters, Maggie, Mattie, Iva and Laurie, and two brothers, J. J. and W. A., all of Manvers, and who have the heartfelt sympathy of their many friends.

We loved him, oh! we loved him, But Jesus loved him more, For He has gently called him To yonder shining shore.

The pearly gates were open, And a gentle voice said, Come! So, with farewells unspoken, Dear Lloyd has left our home.

Mr. L. F. Clarry and children, of Hastings, are guests of Mr. and Mrs. J. S. Clarry.

### DIED

The funeral on Monday, Sept. 10th, to the Emily Cemetery, was largely attended.

### CHURCH NOTES

The Harvest Thanksgiving services of the Parish of Omemee and Emily were held on Sunday last, Sept. 9th, in all three Churches, at St. John's at 10.30 a. m., at St. James' at 2.30 p. m., and at Christ Church at 7 p. m. The Churches were beautifully and appropriately decorated with the products of nature, flowers, fruit, veg tibles and grain being everywhere in evidence.

Large congregations assembled to return special thanks to Almighty God for His gifts of another year, appropriate hymns, chants and prayers being used for the occasion.

The Rector, the Rev. J. H. Teney was fortunate enough to secure the services of the Rev. Provost MacKlem as special preacher for the occasion, and his sermons will long be remembered in the parish. The law of sowing and reaping as applied to character was the preacher's theme, and his thought-provoking words were listened to with rapt attention.

The offering which amounted to more than \$50.00, by far the largest in the history of the parish, will be devoted to the cause of Missions.

It is with profound thankfulness to Almighty God that the Rector and officials of the parish view its steady growth from year to year and more especially its increasing realization of the great privilege of Christian living.

The next important event will be the Anniversary Services in Christ Church, towards the end of October. Watch for it.
