Send your amateur work to "MORTON'S Studio, Lindsay," to be finished.—3t

Mrs. M. J. Wilson and children, of Port Dover, are guests at the home of Mrs. A. Wilson, Sturgeon St.

Miss Pearl Mitchell, of Peterboro, is a guest at the home of Mr. and Mrs. C. E. Mitchell, Emily.

Don't forget the dates of Chas. Ivory's Grand Millinery Openings, viz: Saturday, Sept. 29th, and Monday and Tuesday, Oct. 1st and 2nd.

Mr. J. H. Wilson, of Mt. Horeb, attended the unveiling ceremony at Emily Cemetery on Sunday.

At the Bethel church on Sunday evening last a special service was held for the members of the Sunday School, of whom a large number attended, and listened to a most interesting and eloquent discourse delivered by the pastor Rev. F. Johnston. The singing was special and hearty. The church was beautifully decorated for the occasion, and altogether the services were very gratifying to all present.

Mrs. Robert Casey and son Master Cyril, were visitors to Minden this week, combining business with pleasure.

Early in the morning of the 26th in t., the Presbyterian manse here was badly damaged by fire. Rev. J. M. Whitelaw and his family were awakened by the smoke and had a narrow escape. The fire was confined to the kitchen which was destroyed. The loss is estimated at \$1,500, and is said to be covered by insurance.

Mr. Hiram Gallagher's many friends will regret to learn that he has an attack of Typhoid Fever. We join in the hope that his recovery will be speedy.

DIED.
In Emily, on Friday, Sept. 21st, 1906, Jos. Rutherford, aged 67 years. The funeral took place on Monday to the Presbyterian Cemetery, Emily, and was largely attended. The bereaved relatives have the sympathy of the whole community.

MT. PLEASANT.

Special to the Mirror.
We are pleased to report that Mr. Thomas Gardner, who had the misfortune to lose the entire third finger and a portion of the fourth finger of his left hand, in Mr. Best's saw mill, is about his usual business and the injured member is doing well. Mr. Gardner was assisting Mr. Best and finding his foot about to be caught he made an effort to extricate it, throwing his hand up it struck the saw with the above result.

A valuable horse belonging to Mr. C. H. Shield, injured itself while on the way home from Peterboro. The animal was left under the care of a Vet., and anticipations are sanguine for its recovery.

Mr. and Mrs. Will Petty called on friends in the village last Sunday.

Mr. Will Holiday of the C.P.R. offices, Toronto, visited friends the first of the week.

Many of our village attended the Fair at Lindsay and report a good Show, a large attendance and a downpour of rain the closing day.

On Friday night, Mr. Joseph Rutherford passed away suddenly. He had been in his usual health and before retiring showed a jovial spirit, but near midnight, Mrs. Rutherford was alarmed by a moan and investigating found that Mr R. was unconscious. Medical aid was summoned with all due speed, but ere the physician arrived the spark of life had sped. His death was a great shock to the family and to the surrounding district of which the late Mr. Rutherford was an honorable and respected member.

The largely attended funeral took place, on Monday, to the Presbyterian Cemetery, Emily. He is survived by his widow, 3 daughters and 2 sons who have the deepest sympathy in their hour of sad bereavement.

"I was born to die,
'Tis but the expanding thought, and
life is nothing,
Ages and generations pass away,
And with relentless force, like waves
o'er waves,
Rolls down the irrevocable stream of
time,
Into the insatiate ocean of forever."

An old Mount Pleasant boy in the person of Mr. John McKinnings of Winnipeg, drove out from Omemee last week and called on many friends of his boyhood. Jack, as he was familiarly called, looks fine and has done well in that Western Metropolis.

A large congregation in the Presbyterian church, on Sabbath evening, listened to an instructive Missionary sermon by the Rev. Dr. Nugent of Central India.

Messrs. Robert Boyd and G. W. McLean attended a meeting in Millbrook last Wednesday afternoon. The address was given by Dr. W. E. Tilley on the requirements of the New School law relative to School Boards, Municipal Councils and Teachers. Inspectors Brown and Lees of Peterboro were present and made short speeches, at the conclusion a hearty vote of thanks was tendered them.

IVORY'S 1906 Display of Millinery will surpass all of its predecessors.
A large number of the citizens of Omemee and surrounding country will be in attendance at the Millbrook Exhibition.

The Late Wilbert Switzer Monument Unveiled.

On Sunday last a most solemn and impressive ceremony took place in the Emily Cemetery, when the monument erected to the memory of the deceased Sov. Wilbert Switzer by the Canadian Order of the Woodmen of the World, was unveiled. Peterboro and Lindsay Camps were well represented, as follows:

LINDSAY CAMP.

Sovs. D. Cinnamon, H. A. L., D. Turner, J. Miller, A. Watson, G. Crawford, T. Bell, F. Babcock, S. Cameron, R. Corley, J. Hart, R. Chambers, F. Armstrong, J. Mills, S. Pogue, J. Mark, and W. Brethour.

Sherwood Forest Camp No. 50, Peterboro.

Sovs. Bert Wallace, W. Gibbs, Jos. Kyle, Geo. Armour, G. F. Mien, A. C. Leslie, R. N. Jones, Thos. Duncan, M. Lake, J. Gibbs, R. Waran, C. Gunsols, H. Phillips, R. Copeland, B. Trotter, J. Polson, Fred Dummitt, F. Adlam, R. Ryan.

The Sovs. met at the Bradburn Hall at 2 p.m., and marched from there to the cemetery, where probably over four hundred visitors had assembled to witness the beautiful ceremony. Sov. Robert Toole was grand marshal of the procession, and filled his position with all due reverence and dignity.

At the cemetery the Sovs formed as a wedge around the grave of Sov. Switzer. Inside the wedge were the parents and sister and aunt of the departed, and also the male quartette consisting of Messrs T. J. Parsons, W. J. Lamb, R. S. McPherson, and J. D. Thornton, who sang with much feeling the sacred selections used on such occasions.

The monument was then dedicated by Sovs. Robinson, Mills and Scott of the local Camp.

The Head Adv. Lieut. Sov. D. Cinnamon of Lindsay, then gave an oration in which he paid a high tribute to the memory of the deceased Sov. and spoke very feelingly regarding the great loss sustained by his parents. His address is sure to create a good impression of the Woodmen of the World. Sov. Harvey then gave a brief but interesting address. Sov. Copeland also took an important part in the proceedings, reciting a number of beautiful and touching stanzas. The camp honors being then given, the ceremony was brought to a close by the Concl. Commander, Sov. W. J. Robinson of Omemee camp, and the Sovs. marched back to the hall, where votes of thanks were given Head Adv. Lieut. Cinnamon, and to the visiting Sovs., who were then given supper at the Commercial House, as guests of the local camp.

THE DEAF MADE TO HEAR.

Deafness because usually due to Catarrh, is quite curable. In a thousand cases this is absolutely true. Success invariably attends the use of Catarrhizone which has cured catarrhal deafness of twenty-five years standing. Penetrating through the passages of the ear, the soothing vapor of Catarrhizone relieves the inflammation, destroys the germs of Catarrh and thereby allows nature to re-assist herself. Try Catarrhizone yourself. 25c and \$1.00 sizes sold by all dealers.

As will be seen by reference to our advertising columns Mr. J. H. Wilson, of Manvers, has taken out an auctioneer's license in Victoria and Durham. Last season his license was only for Manvers, and having met with even better success than he anticipated, he has decided to extend his territory. Sales entrusted to his care will have his best attention. One man who attended a sale last spring at which Mr. Wilson was auctioneer, said he had never heard a better auctioneer and very few his equal. We wish Jack—"for he's a jolly good fellow"—every success.

The Woman's Foreign Missionary Society, Omemee Branch, was addressed by Dr. Nugent, late of "India." After seven years labor there during the famine and plague his address proved most interesting to all present, among whom were many of his former school mates. Dr. Nugent is among the leading ministers of the Presbyterian Church. Our citizens are always glad of an opportunity to hear him.

The Anniversary Services of the Ebenezer Methodist Sabbath School will be held on Sunday and Monday, Sept. 30 and Oct. 1, 1906. Sunday, the Rev. Joseph Ward, B. A., B. D., of Janetteville, will preach at 10.30 a.m. and 7 p.m. On Monday evening tea will be served from 5 to 7, after which the Rev. G. W. Henderson, of Port Hope, will deliver his famous lecture, entitled "Plodders, Loafers, and Croakers." There will also be Singing and Recitations by best local talent. Admission 25c. and 15c. Cordial invitation to all. Rev. Dr. G. W. Marvin, Pastor. W. H. Lee, Superintendent.

Perhaps Omemee can boast of sending more young men to the ministry than any other town of its size. The excellent Public and High Schools, with their splendid teaching staff, no doubt have much to do with the steady advancement from bright childhood to clever manhood and womanhood, and hence they go out in life ready to take their part in any position in which brains and energy are required.

Among those from Omemee and Emily who attended the Lindsay Fair were: Mrs. Robt. Toole, Mrs. A. H. Toole, Mrs. R. H. Casey, and Messrs. Wm. Casey, H. Beatty, Sr., W. Beatty, H. Beatty, Jr., Jas. Johnston, W. Magee, Jas. Birney, H. Thompson, J. Rainey, Sam Brown, T. E. Rice and J. Morden.

Rev. F. Johnston will deliver an address at the meeting of the Epworth League of the Methodist Church on Friday evening, when he will give an account of his trip to Ireland and other European cities. It will be quite interesting.

MARTYRDOM DESCRIBED.

Kingston Man tells how he Suffered and How he was Released.

"For years a martyr," is how Chas. H. Powell of 106 Reginald Street Kingston, begins his story. "A martyr to chronic constipation, but now I am free from it and all through the use of Dr. Leonard's Anti-Pill." Many who are now suffering from this complaint will be glad to learn from Mr. Powell's story that there is still hope for the most stubborn case. He continues: "I was induced to try Anti-Pill by reading the testimony of some one who had been cured of constipation by it. I had suffered for eighteen years and had taken tons of stuff recommended as cures but which made me worse rather than better. Doctors told me there was no cure for me."
Dr. Leonard's Anti-Pill is for sale by all Druggists or by the Wilson-Fyle Co., Limited, Niagara Falls, Ont.
Mr. Powell will verify every word of these statements. 503

Sin Against Health.

Why the Usefulness of all Organs is Destroyed by Costiveness.

Most important to health and comfort is proper action of the bowels.

By nature these organs are intended for the removal of the waste particles of matter which accumulate in the system.

Retain these wastes and you poison the blood, ruin digestion, bring on nervousness and anaemia.
Habitual costiveness is best overcome by Dr. Hamilton's Pills, which establish regularity that is exactly consistent with nature.

Not a drastic purgative—not even a pain or sensation of grip, because Dr. Hamilton's Pills are vegetable and free from irritating mineral substances found in so many widely advertised remedies.

In every case Dr. Hamilton's Pills do cure and bring sure relief from headache, biliousness and other manifestations of constipation.

Jas. McConnell of Walkerton writes: "Since I was comparatively a young man I have not enjoyed real good health."

"My appetite was good and strength kept up, yet I knew something was wrong."

"Frequently I took bilious attacks and violent headaches. My stomach was disordered, skin was murky, under my eyes were heavy dark rings."
"Last winter I read through the Polson's Almanac and decided my trouble was constipation. I used Dr. Hamilton's Pills, and can hardly tell the help they have been. I am now as fresh, strong and well as a boy."

Just try the wonderful magic of Dr. Hamilton's Pills. Sold by all dealers, 25 cents per box, or five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford, Conn., U.S.A., or Kingston, Ont.

Here is a minister who appreciates the editor. At a recent editorial convention he offered the following toast: "To save an editor from starvation, take his paper and pay for it promptly. To save him from bankruptcy, advertise in his paper liberally. To save him from despair, send him every item of news of which you can get hold. To save him from profanity, write your correspondence plainly on one side of the sheet and send it in as soon as possible. To save him from mistakes, bury him. Dead people are the only ones who never make mistakes."

ANOTHER GREAT DISCOVERY.
A well known gentleman in Black Bay, Ont., Mr. John Cowan, has discovered an absolute specific for rheumatism, and writes: "I was affected with sciatica and chronic Rheumatism which I contracted years ago. The disease had a great hold in my blood, and it was hard to make any impression on it. Reading of Ferrozone I was convinced of its merit and it's certainly the best I ever tried. Why it just drove away the Rheumatism. Even stiffened old sufferers will experience quick results. The reason is that Ferrozone acts through the blood and thereby destroys the cause of the disease. Price 50 cents per box at all dealers."

Growing in Popularity.
The Family Herald and Weekly Star continues to grow in popularity year after year. It keeps on at the present rate it will soon be in every home in the Dominion. It deserves it, too, for it certainly is a great family and farmer's paper without an equal on the continent. To get the Family Herald and Weekly Star and such a beautiful picture at for one dollar is certainly a big value.

WHEN WOMEN SUFFER.
