Enthusiastic Sessions Held the Easement of the Omemee Presbyterian Church.

Mr. Yellowiees, the Provincial Secretary, Present.

Animation and stir characterised the basement of the Presbyterian Church, Omeniee, on Monday afternoon. It was the Annual Convention of the Sabbath School Association of the County of Victoria. Christian workers from all parts of the County renewed acquaintances, passed congratulations, and exchanged ideas. Encouragement, enthusiasm, and inspiration were in the atmosphere, and each delegate felt it to be good to spend a few hours inhaling such spiritual health. These reports are many encouraging and joined in a very hearty manner in features, but a number of the schools the singing and the responses. The had not reported; it was pointed out Rector, Rev. Mr. Teney, was assisted by that this was due to the lack of cooper. ation in the work of the Association by one denomination particularly; however, no lack of interest in Sabbath attent on, and much good was de School work was manifest.

Mr T. Yellowlees, Secretary of the Provincial Sabbath School Association, followed by a masterly address on the "Value of a Sabbath School Association." One could not help feeling that he was sitting at the feet of an S. S. Gamaliel as he listened to the Provincial Secretary. This address was much they carried out the musical part of The blaze caught her sleeve and quickbrightened and illustrated by verses of sacred solos, for Mr. Yellowlees has a sweet voice, well cultivated.

The question drawer followed. One of the most interesting questions discussed was, "Is it ever right to scold or threaten." Some because of their perenniel sympathy said it was never right, others held that at times it was an that was open, pointing out that the Bible contained threats and promises of punishment as well as rewards, that as a country we had penitentiaries and prisons, and reformatories, and that these were used with trio objects in view, for punishment and reformation of the wicked, and also for protection of the noninitiated and innocent. One husband, the late Thos Stephenson, experienced teacher said "occasions arose when it was necessary to hur! them out of the School."

"The Duty and Responsibility of the S.S. First -- To the Cause of Missions by R. H. Reid, Esq., Reaboro. Second - To the Cause of Temperance by W. W. Jardine, Esq., B. The value of these papers is apparent when it is noted that it is urged that they be printed in pamphlet form for distribution

The Rev. R. C. H. Sinclair, B. A. Presbyterian Minister of Fenelon Falls, gave an inspiring address on "The Teacher a Soul Seeker and Character Builder." This was a heart-searching address, full of good things, and deityed with an earnestness befitting such a subject This was followed by "The Duty of the Church Members to the Sabbath School" by Rev. A. J. Terrill, B. D. The two addresses combined in a remarkable degree the solidity of the Pre-byterian with the enthusiasm of the Methodist. Here they were inseparable. A very hearty and helpful discussion followed in which many expressed their views.

The evening session was opened by devotional exercises led by Rev. Robt. McCullough, the Pastor of the Omemee Circuit It was with difficulty that seating accommodation was provided for all who wished to be present, so great was the crowd. Mr. Yellowlees gave a grand address on the "Home Department," the idea being to place Bible Study within the reach of all, parents, invalids, and those living too far from Sabbath Schools. He also emphasized the desirability of a House to House Canvass. We hope soon to see this carried out in Lindsay, Omemce, Ops and Emily at least. The crown of womanhood is motherhood. But uneasy lies the head that wears the crown or anticipates this coronation, when there is a lack of womanly strength to bear the burdens of maternal dignity and duty. The reason why so many women sink under the strain of motherhood is because they are unprepared.

"I unhesitatingly advise expectant mothers to use Dr. Pierce's Favorite Prescription, writes Mrs. J. W. G. Stephens, of Mila, Northumberland Co., Va. The reason for this advice is that Dr. Pierce's Favorite Prescription is the best preparative for the maternal function. No matter how healthy and strong a woman may be, she cannot use "Favorite Prescription" as a preparative for maternity without gain of health and comfort. But it is the women who are not strong who best appreciate the great benefits received from the use of "Favorite Prescription." For one thing its use makes the baby's advent practically painless. It has in many cases reduced days of suffering to a few brief hours. It has changed the period of anxiety and struggle into a time of ease and comfort.

The proprietors and makers of Doctor Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 for any case of Leucorrhea. Female Weakness, Prolapsus, or Falling of Womb, which they cannot cure. All the World's Dispensary Medical Association, Proprietors, of Buffalo, N. Y., ask is a fair and res
