

HALL'S VEGETABLE SICILIAN Hair Renewer. Always restores color to gray hair, all the dark, rich color it used to have. The hair stops falling, grows long and heavy, and all dandruff disappears. An elegant dressing.

How Health Is Gained. The story of a great deal of the unhappiness of women is a story of lost health. Women wonder how it is that little by little the form loses its plumpness, the cheeks grow hollow and sallow, and they feel tired and worn-out all the time.

Croup is Deadly. It must be stopped quickly. Nothing so sure as Ferrerozine. Give it internally, and rub it on chest and throat—croup soon vanishes. No doctor can write a more efficient prescription than Polson's Ferrerozine, which reaches the trouble and cures quickly.

Not Sleeping Well. Without sleep there can be no bodily or mental vigor, consequently sleeplessness is a dangerous condition. Nothing so surely restores sleep as Ferrerozine; it's harmless—just a nourishing, strengthening tonic.

A Valuable Farmer's Book. The Farmers' Manual and Veterinary Guide is the title of a book just issued by the Family Herald and Weekly Star of Montreal. It is safe to say that no book has ever been published giving in such a clear and concise form just what farmers want to know. It is highly recommended by such authorities as the Hon. A. Monteith, Minister of Agriculture of Ontario; Prof. Day, O.A.C., Guelph; J. A. Ruddick, Dairy Commissioner, Ottawa; F. W. Hodson, Dominion Live Stock Commissioner, Ottawa; M. Commons, Prin. Agr. Coll., Truro, N. S., and others. This book is not sold for cash at any price. It can be had absolutely free. Oyster Supper & Entertainment.

A most interesting Oyster Supper and entertainment was held at Mount Pleasant on Monday evening last under the auspices of the Cheese & Butter Co.

An excellent supper was served in the new hall next to the foundry from 6 to 8 p.m., after which a program was given in the Temperance Hall.

The President, Mr. Isaac Fee, took the chair at 8 o'clock, and delivered a short address. He was pleased to see so many present, and hoped they would all enjoy the program as well as the oysters. Messrs. Fisher, of Bridgeport and Harvey of Omeme delighted all with well rendered recitations. These gentlemen are certainly foremost among the eloquentists of the day.

Mrs. Herb Shield sang a solo in good voice, and was compelled to respond with an encore number. Master Hubert Gardiner and Miss Parker gave excellent recitations and were greeted with due applause. Miss Gladys Fee captivated the audience in her beautifully rendered solo. Miss Fee has a sweet soprano voice. Mr. Cameron, of Garden Hill, gave a stirring address on "Butter and Cheese making," and gave much information regarding the same. Mrs. W. Shield and Mrs. Herb Shield were the efficient accompanists of the evening.

The singing of the National Anthem brought to a close a pleasant evening's entertainment. Proceeds were \$30. The Mount Pleasant Butter and Cheese Company and its officers are to be congratulated on the success of their first entertainment.

Mr. Quong Sing gave his Omeme friends a call last week.

REV. E. A. LANGFELDT.

Rev. E. Langfeldt, M.A., Rector of St. Luke's Church, Peterboro, is an enthusiastic and highly esteemed member of our order. He is one of the leading clergymen in eastern Ontario, and possesses a bright, energetic disposition which makes him popular, not only with the members of his own faith, but many other classes in the community.

Sov. Langfeldt was born in Custrow, Moecklenburg, Germany, some thirty-six years ago.

Sov. Langfeldt had charge of the parish of Omeme for three years and was called to his important duties in this city over four years ago. He is an interesting personality in that any thing he has to do or say is instantly carried out. He is a man of fearless utterance, high principle and splendid ideas. He speaks from conviction, and as a preacher he is fluent, strong and impressive. Sov. Langfeldt in his sermons touches on many live subjects, and is unsparring in his denunciation of many besetting sins and evils of the present day. He is a tireless worker and in addition to being a Woodman, is a Mason and a member of other organizations. He also takes a keen interest in municipal matters, and is a progressive public spirited citizen.—Canadian Woodman.

Wouldn't This Pucker Your Buzzer?

A Memphis, Mo., man has discovered a new way to get rid of mosquitoes. He says to rub alum on your face and hands. When the mosquito takes a bite it puckers its buzzer so it can't sting. It sits down in a damp place, tries to dig the pucker loose, and dies of pneumonia.

See to it that your wife is kissed and caressed, even if you have to do it yourself, says an exchange.

One of the oldest residents of this part passed away last Sunday in the person of Mrs. Hunter, at the ripe age of 84 years. She was very highly respected, and was the mother of a large family who are now all holding important positions, two being ministers of the gospel. The funeral took place on Tuesday at the Presbyterian Cemetery for interment. The Rev. Mr. Johnston & Rev. Mr. McKenzie conducted the services.

Mr. Samuel Roddy has returned home from visiting in Monaghan.

No man can master others until he has learned to master himself. Some married women not only have the last word but all the rest of them. A man doesn't enjoy being laughed at by a crowd unless he gets paid for it. The pessimist forgets all about today's sunshine if rain is predicted for tomorrow. Knights of old feared nothing—but a woman's tongue.

More Deadly Than Famine

Neglected catarrh sooner or later causes consumption which destroys more human beings than famine and war combined. The way "Catarrh-ozone" cures catarrh is very simple; it firsts kill the germs that cause the irritation; then by soothing away the congestion and inflammation it cures the discharge, hawking and drooping in the throat. "I suffered so continually from nasal catarrh" writes Earnest R. Dakin of Rosemont, "that I scarcely knew what it was to be free from headache and pain over the eyes. Catarrh-ozone relieved me at once and made a thorough cure." No other remedy cures like "Catarrh-ozone"—try it for your next cold.
