**HOTEL CHANGE.** Mrs. Bowman is now in charge of the New Oxford Hotel, formerly the C. P. R., Simcoe St., Peterboro, and hopes to merit a share of the public patronage. Good meals, stabling and shed room, and careful hostler. \$1 per day.—2t

Mr. J. H. Delamere, Editor and Proprietor of the Minden Echo for twenty years, has sold out to Messrs. Arthur and Baker. While regretting the loss of such an able man from the journalistic field, we welcome into the arena his successors and wish them prosperity, and hope their path may be lacking even the few hardships that nearly all country weeklies have to contend with. Messrs. Arthur and Baker are just the men to make a success of anything they undertake, and no doubt the Echo will continue to ring out the news of Haliburton County. The Editor of the Mirror spent three pleasant years in the Echo office, and we are therefore pleased to note the continued progress of that paper.

**Good Reasons for It's Success.**

The majority of catarrh remedies are useless. But one that does cure is "Catarhizone." It clears the head of all mucus discharge. Putrid matter in the nostrils, phlegm in the throat, and disease germs are completely swept away. The cause of the disease is destroyed, its results are destroyed, and the system is thoroughly cleansed of catarrhal poison and cure is permanent. All types of catarrh, throat and bronchial trouble, colds and coughs are more certainly cured by Catarhizone than anything else. Two sizes, 25c and \$1.00 at all dealers.

**For the Children**

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

**"Printer's Ink" the Sure Road to Success.**

Mr. R. B. Scott, is in charge of a special sale now in progress at Chas. Ivory's big departmental store. Mr. Scott has also charge of the advertising in connection with this great sale, and he has a thorough knowledge of how best to reach the people. He has great faith in printer's ink as a business bringer. His ads. are bright and snappy, while possessing a moral tone that appeals to the better instincts of the trade, and are not surcharged with superlatives, but founded on fact and an intimate knowledge of the goods being placed before the public. Mr. Scott also combines a happy, courteous manner with astuteness, and is a great success as an up-to-date live advertiser. One could hardly believe what two week's ad. in the Mirror and a few thousand fly sheets have accomplished already, and immense crowds are at tending the sale each day. It certainly pays to advertise.

A Case of Neglecting a Weak Heart and Tired Nerves.

If your heart flutters, be careful. An attack is liable to come on at any time. Excitement, over-exertion or emotion may cause it.

If blood rushes to the head, if palpitation and short breath are noticeable, these are cause for alarm.

If you want a good honest remedy try Ferrozone. We recommend Ferrozone because we know it's just right for heart trouble. It cured A. F. Beattie who lives at Allen Hotel, Bay City, Mich. See if your symptoms resembles these:

**THE LATE MRS. WILSON.**

The death of Ellen Coulter, relict of the late Andrew Wilson, which took place on Oct. 16th, removed one of the oldest and most highly respected residents of Omemee. The deceased had been ailing for years, but had been able to be about (except at intervals) up to a couple of weeks before her death. She was a member of the Methodist Church, a sincere christian, and while not being able to attend the services from Sunday to Sunday, her whole heart was in the good work.

She was beloved by a very large circle of friends; her home was never closed to those in want, and many will remember her kindness.

She leaves to mourn the loss of an affectionate sister and loving mother, a half brother, Mr. R. Taylor, of Midland; two sisters, Mrs. Jos. Bell, of Midland, and Mrs. John Guthrie, of Fowler's Corners; four sons and three daughters, Messrs. Andrew in Peterboro, Matt J. at Port Dover, Robt. H. Chambers at Best's Station, Mrs. W. Bennett at Portage la Prairie and Mrs. J. Bloom at Beamsville, all of whom have the heartfelt sympathy of their many friends.

Mrs. N. P. Clarke, of Omemee, is visiting in Minden this week.—Echo of Oct. 26th.

**Rheumatism Almost Killed Her.**

For years Mrs. S. Stahlhelm of Humberton, Ont., was a martyr to rheumatism. "I was so stiff and lame I could scarcely walk," she writes. "An attack striking my limbs made walking impossible. Friends and doctors gave prescriptions, but I only got relief from Ferrozone. I took twelve boxes and gained from the first. Today I am well, feel stronger, weigh heavier and look the picture of health. Whether muscular or inflammatory, chronic or otherwise, Ferrozone does cure rheumatism and sciatica, 50c per box at all dealers.

**The Fair Scheme.**

The time has arrived for the people of Omemee and the surrounding townships of Emily and Ennismore and Ennismore and Ops to re-organize the Annual Fair. There is no doubt as to the possibility of success and no fear need be felt as to the result. An effort should at once be made, call representatives of the people together. The last president is still president until his successor is chosen, and Thomas Foo, Esq., is just the man to help make the Fair a success.

**WHEN ILLNESS COMES.**

Have you near at hand a remedy that will alleviate pain and help till the doctor comes? A wise thing is to have home a bottle of "Kerviline" which gives instant relief, and prevents disease from spreading. Nothing known for the stomach and bowels that compares with Kerviline. For cramps, indigestion, heartburn and headache, it's indispensable. For fifty years Pilsou's Kerviline in 25c bottles has been a family stand-by. Get it to-day.
