Thanksgiving Day was celebrated throughout the Dominion on Monday last. It was a day of national rejoicing, and truly one of Thanksgiving for the numberless blessings which God hath in His gracious mercy bestowed upon us as a nation and individually. It was also King Edward's birthday. May the good Lord spare him for many more years to rule over us, is the sincere wish of all true Canadians.

Rev. W. P. Rogers preached an excellent Thanksgiving sermon on Sunday morning last. In an interesting and persuasive manner Mr. Rogers pointed out how God was bountifully merciful with His people during the past year, and that God was the giver of the great harvest just garnered. In the evening Mr. Rogers again spoke especially to young men. The second of his series of practical talks with young men was enjoyed by a large congregation, and doubtless the truths so ably expounded will bear much fruit. The choir contributed special and appropriate music at each service.

A very successful meeting of the League was held on Monday evening last. Miss Stella Hetherington conducted the meeting very creditably. "A Thanksgiving Roll Call," was very interesting, each member when called on read a selection on "Thanksgiving." Miss Pearl Burnham, our gifted elocutionist, gave a fine recitation, her selection being "Jeans Thanksgiving," which was so well rendered that she held her listeners spell bound during its recital, which took nearly a half hour.

KEEP THE BEEF EXTRACT IN THE ROAST

Keep in the meat all the wholesome juices—the real nutriment of the roast.

Use the SOUVENIR Range with its Aerated (forced-air) Oven. It provides for pure air currents all round the roast, and prevents the burning out or the frying out of the whole meat strength.

That's the SOUVENIR RANGE
