BETHEL ITEMS

Bethel Orangemen Hold a Very Successful Supper & Concert.

On Thursday evening, Nov 5th, an oyster supper and entertainment was hold at Bethel-Emily, under auspices of L. O. I. No. 294. The hall was not large enough to accommodate all who were desirous of attending this annual treat, but no one went away hungry, as the good ladies of Bethe are noted for providing a great feast on such occasions, and besides oysters galore, the tables fairly groaned with the quantity of delicacies ther o i. The decorations of the hall and tables were beautiful and very nicely arranged. After all present had done ample rate.

The debate, "Res lved that married life is more conducive to happiness than single life," proved very interesting. Mr. F. Reeds took the affirmative side while Mr. W. Howden conducted the negative side. Both young men are single, but so strong were Mr. Reeds' arguments in fav v of married life, the judges, the Rev. Mr. McKenzie and Mr. Campbell, had no eption but to decide in favor of the affirmative. Mr. Howden, however, by simply inhaling Hyomei air. It's brought out nany points in favor of the history of tens of thousands similar single blessedness, but not sufficient to | cares on record, proving that Hyomer convince the judges. After such convincing evidence as Mr. Reeds brought forward, no doubt a large number of weddings will rake place in this part in the near future. The balance of the excellent program was as follows:

What will appear very interesting to many people here is the article taken from a New York daily paper, giving simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease;

Fluid Extract Dandelion, one-hall onnce: Compound Kargon, one onnce: Compound Syrup Sarsaparlila, three ounces. Shake well in a bottle and take in teaspoonfull doses after each meal and again at bedtime

A well-known druggist here at home, when asked regarding this prescription stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.
