Religion For the Development of the Patriotism and Loyalty of the People.

The recent visit of the Emperor Japan to the temple of Ise to report the First Imperial Ancestor the successful termination of the war with Russia brings into prominence what must always be regarded as the strongest national force in Japan, says a correspondent of the London Times.

In connection with the worship of the First Imperial Ancestor there are three places set apart. These are "The Temple of Daijingu at Ise, the Kashikodokoro in the Sanctuary of the Imperial Palace, and the Kamidana, which is to be found in every house."
