### OMEMEE NEWS.

A HAPPY NEW YEAR TO ALL.

EMILY COLLECTOR'S GREAT SUCCESS .- Mr. Charles Corneil the popular Collector for Emily, perhaps holds the championship for 'gathering' in taxes. We have been informed by good authority (not the Collector) that Mr. Corneil has collected every cent on the roll, and he has done the same for the last fifteen years withou ever putting a single tax payer to cent of costs This is certainly a very creditable record. We congratulate Mr. Corneil upon his success.

Several items from Omemee received as we go to press.

Mr. G. McNeil Wright, Concert Tenor, and pupil of Prof. Wilhelmi, Toronto, is open for engagements during the winter. For terms, &c., address, G. McNeil Wright, Omemee.

### POOR MOTHERLESS CIRL THE ELDEST OF A FAMILY OF SIX

A Touching Story as Told in a Letter to The Toronto Globe.

To the Editor of The Globe: Sir,-I sek for space in your columns to quote from a letter received at this office For obvious reasons I do not give the pame. The letter reads:-"I have a sel case to present to you. Twelve y-ars ago a mother died, leaving six sand children, the eldest eight years ed and the youngest an infant. My mother took the eldest and kept her natil my mother's death. Then the young girl went clerking on small wages. Last year she contracted a cold of which she has never been free, and she has been unable to work since last January. She is just nineteen

years old. Kindly tell me how to proceed to get her into the Muskoka Free Hospital for Consumptives." The sad part of it is this letter is only one of many-alike pathetic and appraling -that are being received daily

by the writer. Fifty-five patients are in residence lu the Muskoka Free Hospital to-day. 8-ven hundred and thirty-eight have bear cared for since the hospital was

opened in April, 1902. In place of fifty we could care for one hundred if the needed money for mightenance was at the disposal of the

### FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervons, who suffer from indigestion or dyspepsia, headache, bilionsness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health - giving agents are to be found in forest plants

Nearly forty years ago, Dr. R.V. Pierce. now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo. N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder the causes of Itching, Blind. Bleeding and liver and stomach trouble as well as many other chronic, or lingering allments. This concentrated extract of ical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements. If you have coated tongue, with bitter

or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derange-ment of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and perma-nently than any other known agent. Con-tains no alcohol or habit-forming drugs. All its ingredients printed in plain Eng-
