The Late Mrs. Thos. Shield. On Monday, Nov. 30th, there passed away at the home of her son, Mr. C. H. Shield, Mount Pleasant, in the person of Elizabeth Rutherford, one of the oldest and most highly respected residents of the Township of Cavan.

Deceased was born on the 14th Concession of Cavan in the year 1836, and in 1857 was married to the late Thomas Shield, who passed away 18 years ago, and since his death Mrs. Shield has resided with her son, Mr. C. H. Shield. Two sons, Councillor W. R. Shield and Mr. C. H. Shield, and two daughters, Mrs. Jos. Best of Emory and Mrs. Porter Gray of Linden Valley, are left to mourn the loss of an affectionate mother, and to whom we extend heartfelt sympathy.

"There fell upon the house a sudden gloom, A shadow on those features fair and thin; And softly, from that hushed and darkened room, Two angels issued where but one went in."

The funeral on Wednesday to Shield's Cemetery was largely attended. Rev. H. V. Mounteer, of Canington, a former pastor and Rev. Mr. Quinn, conducted the services in the Methodist church and at the grave. The casket was covered with beautiful flowers; one wreath with the word "mother," placed there by the sons and daughters, conveyed their sorrow better than many verbal expressions.

Mrs. Shield was a faithful member of the Methodist church. She was always ready to lend a helping hand in time of need—both in acts of kindness and in words.

"So He giveth His beloved sleep," Her children and her grandchildren shall rise up and call her blessed."

LOST HIS NERVE. A strong man almost died, grew thin weak and Nervous

A remarkable recovery. "Until three years ago I was the picture of health—then I became what people call Neurasthenic. I grew sleepless, worried, irritable, I grew thin, great physical fatigue, experienced fears and felt always in danger of a melting and now. All the time I grew thinner and weaker, felt no nervousness that I felt the end must be near. No medicine helped, each one seemed a new disappointment. Then my doctor suggested 'Ferrozone'—it was a fortunate choice because I improved at once. I gained weight, enjoyed my meals, got a better color, forgot my nervous fears. The way Ferrozone built me up is set forth in the following address: 'The Influence and Natural Laws on the Breed of Live Stock.' 'Horse Breeding.' 'Care and Feeding of Horses.' 'The Horse's Foot in Health and Disease.' 'Care of the Brood Mare and her Foal.' 'Parturient Diseases of Cattle.' 'The Training of Young Horses.' DUNCAN ANDERSON will speak on any of the following subjects: 'Soil Cultivation and Rotation of Crops.' 'Clover as a Fertilizer.' 'Manure, its care and application.' 'Cattle Raising.' 'The Breeding of Heavy Horses.' 'Hog Breeding and Feeding.' 'Stable Ventilation.' 'Household Conveniences and Beautiful Surroundings.' 'Farming as an Occupation.' An effort will be made to have live animals at the afternoon meetings for demonstration purposes.

Ladies especially invited to attend the evening meetings. All Welcome. No Charge. Meetings will begin at time announced.
