POWER BY-LAWS CARRY

Only Three Places out of 23 Reject Beck Scheme

(Special to The Free Press.)

Toronto, Jan. 5.-In 20 municipalities yesterday, including Stratford, where the Hydro-Electric power bylaw was resubmitted, the Beck cheap Niagara power policy was adopted by majorities varying from the unanimous voice of Windsor to less emphatic but not less conclusive verdicts elsewhere. The only defeats recorded are at Thamesville and Kingsville, places which do not affect the scheme as a whole.

terday is to settle the question, as against of 203. Hon. Adam Beck states, of building a power transmision line to Windsor. westwards, now includes Glencoe, Township, Sydney Township, Thurlow Bothwell, Chatham and Dresden, Township, Yonge, Ashfield, Athens, which is off the main line; Amherst- | Caradoc, Escott, Hiller. The London division is complete now, with the addition of Tillsonburg to London, St. Thomas, Ingersoll and Edward, Forest, Blandford Township, Woodstock.

The Guelph division is practically complete, as Brantford can be economically sidetracked in transmitting power to Preston, Hespeler, Guelph, Waterloo, Berlin, New Hamburg, Stratford and St. Mary's.

Mr. Eyres met his first defeat out of six municipal contests that he has entered-four in town and two in Woodville. Mr. McGeough also met his first reverse after an increasing run of popularity among the voters of Lindsay.

Baked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every allment k nown to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation.

The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Senna; Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation.
