

TOWN TOPICS

Constable James McMullen, of Bobcaygeon, was in town to-day. License Inspector Lithgow, of Bobcaygeon, was in town to-day on official business. Thank you, Mr. Weather Man! The present sample is much ahead of yesterday's contribution. Last night's cold snap was just what was wanted by lumbermen and others engaged in handling forest products. Port Hope Times: The death occurred at the Cobourg asylum on Saturday of Mrs. Mary McPhail, a widow, aged 67 years. She came from Westerland. Her brother, Mr. Robert E. Fraser, accompanied the relatives to Sonya, where they were interred. The Telegram cartoonist gets off another good one. He gives the following conversation:—Sir Wilfred Laurier said, "Well, Brudner MacLean, what sort of reform would be good for de state?" To this query W. F. MacLean, M. P., answers, "Why Chloroform, of course."

Mr. J. B. Bruce will open up a harness shop in the Smyth block, on Cambridge-st., on Monday next. The average cost of each person in the House of Refuge of Peterboro County has been found to be \$1.43 a week. Mr. M. O'Halloran bought a nice lot of cattle at Toronto yesterday. There were 28 head in the bunch and they are dandy young animals. Owing to the transference of Rev. Mr. Collier, curate of the local St. Paul's Anglican church, to Monks Mills, Ontario, Rev. C. L. Bilkie, of Kingston, has been appointed by the officials of the church to fill the vacancy here. Rev. Mr. Bilkie will be remembered by the Lindsay citizens, as he preached one of his first sermons here after leaving the college here. He was curate of the St. George Anglican church, Kingston, for the past couple of years, and has proved himself a promising young minister. During this week Rev. and Mrs. Bilkie will remove to town, he having to take his first sermon, as curate here, on Sunday morning next. The members of the County Council, for the County of Haliburton are Wm. Giles, Esq., M.D., reeve of Dysart, etc., Warden; T. J. Lowry, Esq., reeve of Cardiff; J. D., of Haliburton, was unanimously elected Warden of the County at the session of the County Council this week. Fire Chief W. A. Howard, remains at the head of the fire department of the City of Peterborough. Such was the decision reached at the meeting of the Council Monday evening, there being seven voting to give him another chance and five to dismiss him. The Council chamber was packed to the doors with citizens anxious to hear the discussion on the matter and every now and again giving vent to their feelings by cheering and tramping their feet. The deciding of the affair created a great deal of interest which was amply evidenced by the eagerness of people to gain admittance to the Council chamber. Chief Howard was charged with indiscreet actions, such as drinking and having a general good time. SKETCH OF THE LATE REV. FATHER TWOMEY. The funeral of the late Rev. Father Twomey, of Belleville, took place in that city on Tuesday of this week. Rev. Fr. Collins, of St. Mary's Church Lindsay, was among the priests in attendance, and there were also a large number of friends of the deceased from Lindsay and vicinity present. About sixty priests from Kingston archdiocese and Peterboro diocese were present, including His Grace, Archbishop Gauthier, who chanted requiem mass. Bishop O'Connor, of Peterboro, was also present. The following extracts are taken from a lengthy article on the late Rev. Fr. Twomey, in the Belleville Intelligencer, and will be of interest to the many friends of the deceased in Lindsay:—"So passed Rev. D. A. Twomey, the warm-hearted and genial Irishman, who lived for his work and the advancement of the Kingdom on this earth. "From Catholic and Protestant alike will go up the devout wish. May he rest in peace, and may the Almighty send comfort to the hearts of his stricken parishioners. "Rev. Father Twomey came to St. Michael's at a veritable time of storm and stress. The beautiful church had just been burned, and looking over the diocese, His Grace Archbishop Gauthier could see no man so well fitted to deal with the exigencies of the stricken parish as Father Twomey, then doing a noble and arduous work in Tweed. He came to Belleville, and what he has done since for the upbuilding of St. Michael's parish is well known. "The late Father Twomey was born in the county of Cork, Ireland, on the 1st of April, 1858. In the year 1873 he came to Canada and at once entered as a student at St. Michael's College, Toronto, where he graduated, and completed his studies for the priesthood at the Grand Seminary, in the year 1889, by the Montreal. In the year 1889, he was ordained a priest at Quatre Tense. He was for some time a curate to the present Archbishop Gauthier, when His Lordship was parish priest at Williamsburg, and was also parish priest at town, and was one year the deceased Glen Nevis. For one year the deceased was a curate at Prescott, with the Rt. Rev. Mgr. Masterson. He was then removed to Kingston, being identified with the Cathedral, and was appointed Roman Catholic chaplain of the Kingston penitentiary. In the year 1899 he was appointed parish priest of Morrisburg, where he remained for about 10 years, and was then appointed to the village of Tweed, where he remained until January, 1905, when he was sent to Belleville to preside over St. Michael's Church. A brother of the deceased, Very Rev. Dean J. Twomey, is parish priest at Williamstown, and a sister is a Sister of Mercy at Hotel Dieu, Prescott. There are other sisters and brothers living in Ireland.

Fenelon Falls Gazette: On Tuesday evening the members of Bethel church assembled at the home of Mr. and Mrs. Wm. Gillis and presented Mr. Gillis with an address and a beautiful silver pudding dish and biscuit jar, as a mark of their appreciation of her work as organist in the church and Sunday school. Miss Carrie McDougall read the address as follows:— To Mrs. Wm. Gillis, Verulam. Dear Friend:—We, your many friends and companions at Bethel, desire to extend to you and to Mr. Gillis our most hearty congratulations upon your recent marriage, and to express to you both our very best wishes for a long and joyous journey through life together. You have for many years, Mrs. Gillis, devoted your musical gifts to the work of the church in connection with the choir and as organist of the Sunday school, so cheerfully that you have won a place in our esteem and in our gratitude, which with one accord we are moved to show in this little gift by means of a souvenir. This souvenir is not a reward for services rendered; but it is a love gift in which nearly every family, if not all, at Bethel, has a part. Your good nature, kindness and cheerfulness, as shown in your work during these years, have made it a pleasure to be associated with you. Through the ups and downs of a church musician's career, you have kept the even tenor of your way sweetly and well. We love you for what you are as well as for your work's sake. Musical talent is a precious gift, and there is no more dignified use possible for it than in the praise of God. In the olden days of the Temple service among the Jews, there was no more honored family than that of the sons of Korah, who made up the Temple choir and orchestra, and led the Lord's choir and orchestra, and you will never know what comfort has come, what burdens have been lifted, by the service of song which you led and inspired through the organ. We trust that you will ever use this gentle gift, in whatever way you may, to make home life the sweeter and more lovely, and for the comfort of others. As a token of our esteem and of our appreciation of the services of the past, so cheerfully rendered, we would ask you to accept from the congregation this gift. We trust that we may be spared to serve yet many years together in the great work of God, and of His church, in mutual love and confidence. Signed on behalf of the congregation, CARRIE McDOUGALL, ANNIE BOWHEY.
