**Exporters.**

**Butchers.**  
 Prime picked lots, equal in quality to best exporters, sold at \$4.30 to \$5.10, with one lot of six, sold by Corbett & Hall, at \$5.20, but they weighed 120 lbs., and when space was plentiful would have been taken as exporters; loads of good, \$4.30 to \$4.55; medium, light cattle, \$3.75 to \$4.10; common, \$3.50 to \$3.75; cows, \$3 to \$4.25; canners, \$1.50 to \$2.

There is some enquiry for short-keepers. But the demand for exporters has put this class out of reach of the ordinary buyers.  
**Milkers and Springers.**  
 There was a fair delivery of milkers and springers, for which high prices were paid, when quality is taken into consideration. **Biggest Farmer in Canada  
 Now Revisiting Lindsay**

**MR. ED. BURKE, A NATIVE OF VALENTIA, HAD CROP OF 60,000 BUSHES LAST YEAR—OWNS 4,000 ACRES UNDER CULTIVATION—ACKNOWLEDGED TO BE RUNNING THE BIGGEST FARM IN CANADA—WAS ONCE A VICTORIA COUNTY "HIRED MAN."**

Mr. Ed. Burke, of Gainsboro, Saskatchewan, is visiting friends in this district, and has been at the Pym House this week.

Mr. Burke is well known in the West on account of his holding the record for the biggest farm in Canada and also for the model plan on which he runs his agricultural business. Nearly every paper in the Northwest has written up Mr. Burke's farm, touching on its many unique features. Many eastern papers have also taken note of Canada's biggest farmer and have given big write-ups to the 4,000 acre farm at Gainsboro, Sask., where 60,000 bushels of grain were harvested last year. No one has ever disputed successfully Mr. Burke's title to the biggest farm in Canada, and such papers as The Toronto Globe, The Winnipeg Free Press and other leading journals have acknowledged the distinction after due inquiry.

Mr. Burke's fame has spread to other lands, and a recent issue of a London, England, paper, had an item in which reference was made to Canada's biggest farmer, Mr. Ed. Burke, of Gainsboro, Saskatchewan.

A Native of This County.

Mr. Burke is a native of Valentia, Victoria County. For years he worked around with the farmers of this county, and though his services as a hired man would not be any better paid than those of others in similar lines, still they were valuable to him for he secured the knowledge at first hand of good methods of farming that no doubt are of much profit to him now.

Left Here 23 Years Ago.

Mr. Burke left here 23 years ago. When he first struck the west he did not settle down to farming first. He saw much of the country and had experience in several lines. In fact his big success in farming has really been achieved in the past eight years.

Run on a Big Scale.

Mr. Burke's big farm comprises over six sections, and in all is over 4,000 acres in extent.

The whole business is run on a big scale. There are generally about 70 horses kept, and it takes from eight to ten thousand bushels of oats to feed the stock each year.

Two loads of hay a day are consumed for feeding purposes.

Last harvest over 55 men were employed, and there are always eight men looking after the horses alone.

Mr. Burke owns and runs his own threshing outfits, and buys his farm implements direct from the manufac-

**Bobcaygeon Ice Races  
 Prove Very Successful**

**DR. COWAN, LINDSAY, STARTER—MANY PRESENT FROM HERE—LINDSAY HORSES DO WELL.**

The Bobcaygeon ice races opened Tuesday on Pigeon Lake with some of the fastest horses ever exhibited there for some years, and the races were of the fast, exciting class.

The track could not have been in better shape on the lake ice, and on account of the lake being quite wide a fine mile track was formed for the occasion.

The races had one of the largest crowds held there for some time, people from Lindsay, Peterboro and Toronto, besides the crowds from the vicinity surrounding Bobcaygeon being present. The day was sharp and cold, but in spite of the biting north-west wind sweeping down the lake, the throng of spectators hung around until the finish of the last heat in the Free-For-All race.

Dr. Cowan, of Lindsay, acted as starter and Mr. J. MacLean and Mr. A. Bolton, of Bobcaygeon, as judges, giving all satisfaction.

In the races the Free-For-All proved the most exciting, the race being principally between Dr. Mac and Walter G., the latter coming in under the wire only a few inches in the lead each heat, while on the course Dr. Mac would pass and lead for a few seconds then Walter G. would take a sprint and lead, which he would hold each heat until the finish.

The green race was also somewhat interesting and exciting, City Lassie giving Harry L. a good chase for first each heat.

White, Joseph Cain and Percy Shannon, each of whom contributed \$1.00. The congregational offering in all amounted to the handsome sum of \$705, the highest figure yet reached.

**CASE AGAINST MRS. SIMPSON.**

The charge against Mrs. Jas. Simpson, of Kinnmount, who was charged before Magistrate Moore yesterday with having had on her premises intoxicating liquors was dismissed. Arising from the evidence given by Mrs. Simpson in the case, Dr. White, of Kinnmount, after the finish of the other charge, swore out a charge against Mrs. Simpson on a similar basis. The case will come up in the near future before Magistrate Moore.

**IMPORTANT TO LADIES.**

It is not often an opportunity occurs at your door to see the latest Parisian and New York styles in Hair Goods, yet such is the case, as Prof. Dorenwend, of Toronto, is visiting this town and invites your inspection of these goods at his private apartments at the Hotel.

These Hair Goods styles, when properly adjusted protect and ornament the head, soften and beautify the expression of the face, and consequently tone up an aged appearance. Be sure and see them at the Benson house, Lindsay, on Saturday, Feb. 13th.

**LAMB-EYRES.**

St. Mark's church, Parkdale, Toronto, was the scene of a very pretty wedding when Miss Louie H., third daughter of Mr. and Mrs. Robert Eyles, of Kent-st., east, Lindsay, was united in marriage to Mr. Sydney B. Lamb, youngest son of Mrs. Lamb, Russell-st., Lindsay.

The Rev. Murrell Wright, of St. Mark's, was the officiating clergyman. Mr. G. M. Brewin played the bridal chorus from Lohengrin and the wedding march by Valerie.

The bride was most becomingly gowned or attired in a dark blue travelling suit, with Brussels net waist over white silk and handsome ermine hat with pale blue trimmings.

Her sister, Miss Laura, was bridesmaid and wore a blue suit and dressing silk mull hat, while Mr. P. M. Lamb, B.A., was groomsmen.

After the service at the church, the wedding party drove to the home of the bride's sister, Mrs. J. J. Cain, on O'Hara Avenue, where a dainty wedding supper was served.

The groom presented to the bride was a handsome gold bracelet and to the bridesmaid a pearl crescent.

A wedding reception will be held on the 29th of January, at the residence of Mrs. Cain.

**TO BE BUILT TO THE SOUTH-EAST SIDE OF THE COUNCIL CHAMBER—WALK FOR KENT-ST. NEAR ACADEMY—CONGRATULATIONS TO THE WARDEN—OTHER MATTERS OF INTEREST AT COUNCIL MEETING.**

The town Council met Monday in regular session in the Council chamber with Mayor Begg in the chair, and Reeve Geo. A. Jordan, Deputy-Reeve B. L. McLean, Second Deputy-Reeve W. W. Jordan, and Aldermen Geo. H. Calvert, A. Campbell, Hugel Dobson, A. C. Babcock, Amos Hawkins, R. Kylie and M. J. Lewis present.

**Congratulations to Warden Geo. A. Jordan.**

Ald. Kylie said that he felt it was in order to express the gratification of the Council and the people in general at the recent election of Reeve Geo. A. Jordan as Warden of the County of Victoria. He congratulated Reeve Jordan on the honor conferred on him and added that it was also an honor to the town and reflected the very satisfactory feeling that existed between Lindsay and the County of Victoria in general. Reeve Jordan had given good service to the County in the past, just as he had worked well for the interests of the town of Lindsay and Mr. Kylie believed he would make a most creditable Warden of the County.

Ald. Calvert seconded the motion briefly but aptly.

Mayor Begg expressed his complete agreement with the motion and with what had been said. He had been in the County Council with Reeve Jordan and he knew the latter was capable and earnest in looking after the best interests of the town and county alike.

The motion was then put and carried very heartily.

In replying, Reeve Jordan expressed his thanks for the kind words spoken of him, and the honor also that he felt in being elected Warden. He felt that perhaps the honor had been given him largely because of his representing the good town of Lindsay in the County Council. He had given his best efforts for the good of the town and county in the past and he would continue to do the best he could to serve the best interests of the public. He hoped the work in the County Council and in the Town Council would be harmonious. There might be difference of opinion, but if all worked for the best interests of the town and county, this would bring no evil results, as honest difference of opinion only served to bring out the different sides of a question and so secure its best consideration and decision. In the County Council in past years everything brought forward regarding the town had been treated most courteously. He had done his best in the work and hoped that he would fulfill his honorable office in a becoming manner.

**Communications, Accounts, Etc.**

Applications for the position of assessor for 1909 were received from Messrs. Michael Hannahoe, Thomas Connelly, James Fleury and Geo. H. Lindsay.

A communication from Mr. R. J. McLaughlin, town solicitor, re the Peel-st. sewer case, informed the Council that the judge allowed for no costs except witness fees which were not worth collecting. The judge has dismissed the case and the town would have to pay the costs. Part of the costs would be assessed against the sewer.

Chas. H. Metherell, of Toronto, wrote, offering expert services if the town decided to purchase or install a plant for the production of light, heat and power.

A communication from Mr. F. Knowlson called the attention of the Council to the fact that Public School debentures for \$9800 authorized by By-laws Nos. 561 and 612, would mature in 1909. Owing to the fact that a sinking fund had not been provided for during the first years these had run, and as it was afterwards impossible to invest the funds at the rate estimated on, there would be a shortage of \$4750 in the sinking fund at maturity. It was suggested that the Town Solicitor confer with the Railway and Municipal Board to see if provision could be made for this shortage without submitting a by-law to the ratepayers.

The Bank of Montreal wrote, stating that a rate of 5 per cent. would be charged on moneys for the town, instead of 5 1/2 per cent. as heretofore.

Mr. McLaughlin, town solicitor, informed the Council that judgment had been given Mr. Hopkins for \$25.00 re the Newton vs. Lindsay case, and that a cheque for the amount should be sent Mr. Hopkins.

Some accounts were read.

The various communications and accounts were referred to the several committees to be dealt with.

**The County Council Court.**

Mayor Begg referred to the settlement of the claim against the County in regard to the Peel-st. sewer. He said it was not out of place to say that the County Council had been fairly and reasonable in the matter, and he believed a just settlement had been arrived at. The courteous consideration accorded by the County Council to the other matters was appreciated, as were also the efforts of the town's representatives in the County Council on the town's behalf.

**A Question of Back Taxes.**

Mr. John Berry appeared before the Council relative to a matter of taxes for 1902 which the town held he had not paid. Mr. Berry was sure that he had paid them to Mr. Nicholls, the tax collector then, but he could not find the receipt. The matter was referred to the Court of Revision.

Mr. R. Kylie, chairman of the special committee appointed to investigate the advisability of the town taking over the electric light and power plant, read the report of the first meeting of the committee as follows:

**Minutes of Special Committee re Supply of Light and Power**

Your Committee met in the Clerk's office on Wednesday, Jan. 27th, 1909, at 3 o'clock p.m. Present—The Mayor and Messrs. Kylie, Lewis and Babcock.

On motion of the Mayor, seconded by Mr. Lewis, Mr. Kylie was appointed chairman, His Worship asking that he be relieved from the position.

Your Committee considered the advisability of corresponding with outside municipalities regarding their experience in municipal ownership.

Moved by the Mayor, seconded by Mr. Babcock, that the Clerk correspond with outside municipalities to ascertain their experience regarding the municipal ownership of public utilities, cost of purchasing and operating same, and such other information as may be of interest to the committee; and that the town Solicitor be authorized to correspond with the Light, Heat & Power Company of the County, and that the solicitor ascertain the value and extent of the town's claim upon the Burleigh Falls power.—Carried.

All of which is respectfully submitted.

Dated at Lindsay this 1st day of Feb., A.D., 1909.

J. B. BEGG, Mayor  
 R. KYLIE, Chairman

**BOBCAYGEON MAN MEETS WITH ACCIDENT.**

A young gentleman engaged by Mr. Robert Bryans, of Bobcaygeon, had his right foot badly cut about the heel while cutting wood in a swamp adjoining the farm Friday morning.

The unfortunate young man had been in the woods from an early hour in the morning and while cutting the limbs from a fall tree, the axe slipped burying itself in the young man's boot and foot.

With the assistance of Mr. Bryans, who was also working in the woods, the injured man was removed to the house and then to the C.P.R. train which arrives in town at 4.30.

After the dressing of the foot by Dr. White, the patient was again taken to the C.P.R. 7.30 train, which arrives in Bobcaygeon about 8.15.

It is reported the young man is in a serious condition from the loss of blood and from the shock of the accident, but a hasty recovery is wished by both the vicinity and the Free Press.

**CAMERON.**

Feb. 2.—Owing to the severe frost lately, the ice is in first-class condition, and the new rink at Cambray provides quite an attraction for some of our young men.

Mr. Thos. Hevie had quite an unfortunate runaway last Saturday. While on his way home from Fenelon Falls, he had to call at a neighbor's house to deliver a message, and neglecting to tie his horses, the animal took advantage of the driver's absence and bolted. After running about a mile and a half they were captured by Mr. McNabb. The horses were none the worse for their mad race, but the cutter was badly wrecked.

Miss Jones, of Bethany, spent a few days last week with her friend, Mrs. Zilla Eyles.

The village lot owned by Mrs. J. Simpson, and which was reported as having been sold to Mr. I. Perrin, is still for sale, the former bargain having been cancelled.

Keep your eye open for the date.

**SHAKE IN A BOTTLE.**

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

**NARROW ESCAPE FROM FIRE AT RIDER AND KITCHENER'S.**

About 4 o'clock on Tuesday Mr. A. Stewart, Rider & Kitchen's night watchman, noticed, while passing on his last rounds for the night, the large boilers somewhat out of place apparently. He did not pay much heed to the matter for a few hours, but he returned again, not satisfied with the appearance of them and at once investigated into the matter, finding to his amazement that the large pipes, better known as the feed pipes, had given away, breaking off near the rear of the boilers, and throwing a large amount of water over the floor.

Mr. Stewart not knowing what to do, drowned the fires, which would have brought the building to a wreck in a few minutes had the water gone out of the boilers. He then notified Mr. Kitchener, a few blocks distant, who on seeing the manner of the engine room from overflow of water and the bursted pipes, decided to close the building for the day until repairs were made.

The bride was most becomingly gowned or attired in a dark blue travelling suit, with Brussels net waist over white silk and handsome ermine hat with pale blue trimmings.

Her sister, Miss Laura, was bridesmaid and wore a blue suit and dressing silk mull hat, while Mr. P. M. Lamb, B.A., was groomsmen.

After the service at the church, the wedding party drove to the home of the bride's sister, Mrs. J. J. Cain, on O'Hara Avenue, where a dainty wedding supper was served.

The groom presented to the bride was a handsome gold bracelet and to the bridesmaid a pearl crescent.

A wedding reception will be held on the 29th of January, at the residence of Mrs. Cain.
