NO CURE NO PAY. Remarkable Proposition Made by the Clarke Medicine Co. (To the Editor of The Free Press.)

We make the following proposal to the readers of The Free Press. To any one who is subject to Rheumatism (no matter how long standing), or any blood disease enumerated below, and will give Dr. Clarke's Wonderful Little Red Pills a fair trial, and are not either greatly improved or completely cured, we will refund the money paid for the pills.

We have yet to know of a single case where these wonderful pills have not been successful in effecting a complete cure.

Dr. Clarke's Little Red Pills are a positive cure for rheumatism, asthma, paralysis, coughs, lame back, indigestion, all stomach and liver troubles, female complaints, even when the diseases have been standing for many years.

Dr. Clarke's Sure Cure for Catarrh and Dr. Clarke's Sure Cure for Eczema, same price. Money will be refunded in any case not permanently cured.

WOODVILLE. (Correspondence Free Press.) Feb. 17.—Mr. Murchison and sisters from Glenarm visited at Mr. John Murchison's on Saturday.

A number from Cannington visited the rink on Monday night. Mr. Frank McPherson, of Blythe, spent Sunday at his home here.

The lights are completed in the Presbyterian church and are very satisfactory. They are a great improvement to the church.

It is reported that we are to have a carnival a week from Friday. We hope the report is true, and that it will be a success.

A carnival is to be held at Argyle on Friday evening. Woodville band in attendance. Mrs. Edward entertained a number of ladies on Friday last.

Miss Fanny McDonald spent Sunday at her home at Eldon Station. Miss Bessie Murchison and Miss Bessie McPherson spent Sunday in Snyra.

We are sorry to hear of the illness of Mrs. Dr. McLachlan and hope for her speedy recovery. Miss Pearl Prouse, of Oakwood, is visiting her brother, Mr. Jack Prouse.

Mrs. Lawrence Stewart, of Wadina, Sask., called on friends here on Saturday last. Births.—On Feb. 15th, 1906, to Mr. and Mrs. Hugh McArthur, a son.

ASK US TO PRINT. To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription forces the clogged up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

NEW SCHOOL BUILDINGS ARE BADLY NEEDED IN LINDSAY

ACCOMMODATION COLLEGIATE AND PUBLIC SCHOOLS DISCUSSED BY BOARD OF EDUCATION — NEW COLLEGIATE AND USE OF PRESENT BUILDING FOR PUBLIC SCHOOL IS SUGGESTED—BIG DISCUSSION ON INSPECTOR'S REPORT.

The Board of Education held a special meeting, with Mr. Thomas Stewart, chairman, presiding, and Messrs. J. Carew, J. D. Flavelle, A. Jackson, J. W. Anderson, J. G. Edwards, Jos. Staples, R. M. Knowlson, J. E. Adams, Neil Gray, and Dr. Blanchard and Dr. White present.

Mr. J. D. Flavelle said that there was no doubt but that the Collegiate had been outgrown. The building had been a good one, twenty-three years ago when it was built, but its accommodation was not adequate now.

Mr. Carew—"To my mind the question of accommodation in the Collegiate simply resolves itself into the fact that we must either build a new building or add a wing to the present structure."

Dr. White—"I am afraid it would be very difficult to add to the present building and still maintain proper conditions in light, ventilation and appearance."

Mr. J. W. Anderson briefly but ably stated his position. He felt that something must be done to provide accommodation in both the Collegiate and Public schools.

The meeting, Mr. Stewart explained, was called for the special purpose of considering the report of the Inspector on the Collegiate. This report opened up a wide field that must be faced.

A communication was read from the Deputy-Minister of Agriculture, calling the attention of the Board to the fact that the grant from the Ontario Government for the agricultural work in connection with the L. C. I. was a special grant and must be used for no other purpose whatever.

Mr. Stewart said he did not know what had called for this letter. So far as he was aware the Board had thoroughly understood the whole matter in this way, and there had been no intention, so far as he knew, of making any change.

Mr. Stewart felt, however, that it would not be amiss for the committee who had the supervision of those classes to consider the matter of putting the whole conduct of the agricultural classes on a different footing.

Before reading the report of the High School Inspector, Toronto, on the Lindsay Collegiate Institute, Mr. Stewart explained that while the report was a very favorable one in many ways the drift of it in one respect could not be ignored.

The report opened up the question of accommodation at the Collegiate Institute and this in turn called up the whole question of school accommodation in the Town of Lindsay.

Mr. Anderson thought that it was foolish to attempt additions to the old buildings on which so much money had already been spent without achieving proper conditions.

Mr. Carew thought Mr. Flavelle's suggestion a good one. He saw little use in tinkering away with the old buildings. Whatever was done should be done right.

Mr. Flavelle endorsed what Mr. Flavelle had said. Mr. Edwards felt that the Board should consider not only the education but the moral and physical welfare of the children.

Dr. Blanchard thought the subject a very large one. He did not know whether it would be wise to change the location of the L.C.I. He rather favored a consolidated school after the style of the one in Cobourg.

Principal Broderick stated that he thought the only place addition could be made was at the front. Principal Broderick said that he felt the policy of the Board should be to centralize in the matter of Public schools. He suggested the Union

Financial Statement

WM. H. WILSON, E. H. HOPKINS, Auditors. Lindsay, January 22nd, 1906.—w1.

Installation of K. of C. Officers. Monday night the Knights of Columbus foregathered at their rooms in the Parish Hall, the occasion being the installation of the officers elected for 1906. There was a good attendance of members to welcome Knight E. J. Butler, of Belleville, District Deputy, and Knight J. Gillick, Warden of Belleville Council.

The following officers were duly installed: G. K.—Bro, J. Rogers. D. G. K.—Bro, Thos. Brady. C.—Bro, J. W. Mallon, Toronto. L.—Bro, P. Kennedy. T.—Bro, Jas. Killen. F. S.—Bro, J. J. MacDonald. E.—Bro, T. Burke. W.—Bro, F. McClory. I.G.—Bro, F. J. Breen. O. G.—Bro, J. Dwyer. Ad.—Bro, H. McGeough. Trustees—Bros. R. P. Spratt, M. H. McGeough, L. V. O'Connor.

After the installation speeches were made by the newly installed officers and by Bros. Butler and Gillick. POWLES' CORNERS. (Correspondence Free Press.) Feb. 17.—The walking club of this place met for the second time and went to the home of Mr. Ed. Johnson, where a few pleasant hours were spent. Walking is a good exercise. Keep it up.

A sleigh load of young people crossed the lake last Friday evening to the home of Mr. S. H. Rutherford, and by all reports a very pleasant time was spent. No doubt there was a good time, for they did not return till the wee sma' hours of the morning.

The school here is closed, owing to the illness of the teacher Mr. Hart. At present he is in the Ross Hospital. It is expected that he will be out in a few days. We hear that the disease is an attack of pneumonia. Mr. Arnold McGee returned from Toronto where he was spending a few days.

Miss Chard McGee and Miss Mary Wagar returned from Omeme, where they represented the league of this place at the district convention. Mrs. Walker Lamb returned Saturday from spending a few days with her parents, Mr. and Mrs. Davis, of Lindsay.

Mr. and Mrs. Louis Robe, of the Northwest, spent a few days renewing old acquaintances. Mr. Ed. Dunn and Mr. Harry Eyles of Cameron are in this neighborhood cutting wood for the farmers.

Miss Daisy Cooper returned last Saturday from a week's visit at Val-entia.
