Sturgeon Point Council Held Meeting Tuesday Night

THE RATE OF ASSESSMENT WAS FIXED AT FOURTEEN MILLS -QUESTION OF FIRE PROTECTION DISCUSSED - YOUNG PEOPLE WANT DANCING PAVILION-OTHER MATTERS.

The inaugural meeting of the new, in the assessment made by the Coun-Sturgeon Point Council was held last ty would mean a jump at about \$5 Tuesday at the wharf shelter, Reeve J. or better in the taxes of many of the W. Anderson and Councillors Wallace | cottagers. Jos. Brown, J. M. Knowlson, and office were subscribed to by the mills. members, after which the minutes of he last meeting were read.

ented at this season. It was decided pumps refitted with new valves. Graham, Minister of Railways and level question, said he had written

After the passing of a number of ac- son in the capacity of secretary of counts the estimates for the year were the Point Fish and Game Association, taken up. Clerk Hopkins prefaced urging him to see that the water was his remarks with the statement that kept up in order to protect the the work already done would repre- spawn. "The water is being drained sent an outlay of about \$100.

away for the benefit of Peterboro Com. Miller-"I would like to firms. Let us get hold of Sam spend \$100 in cleaning up the spring | Hughes and find out who has the pull park and providing a few seats. If down there. There is no good reason we don't we won't have a boat next why Cameron, Balsam and Pigeon year. We must encourage the towns- lakes should be high and Sturgeon people to come here-at present they lake be sucked dry." think they're not wanted."

Reeve Anderson-"Yes, the matter is worth discussing." Coun. Knowlson-"What is it you

Coun. Jones-"Does anyone want

people to come here ?" Reeve Anderson-"What we want is to encourage small parties of town and country people to come here for a day's outing. One hundred people coming here in a week would mean a revenue of \$25 for the boats."

Coun. Jones-"It might be better to accommodate them at the spring, rather than have them take possessession of our lawns and seats."

Coun. Brown-"The impression is widespread that visitors are not wanted at the Point. The wood at the spring should be cleaned up and

benches provided." Reeve Anderson-"I don't want to encourage the landing of excursion parties, but I do think we should welcome small parties of citizens

whenever they come." THE ASSESSMENT.

year. There would be required for issued for the purchase of a chemical ing from want of rain. ordinary purposes the sum of \$604.60, engine, ess receipts of about \$100. The Clerk Hopkins - "We should in-County demand was \$137.86 as com- crease the rate by a mill if we're go-Union school rate would be \$200, al- protection." though the village did not seno a Coun. Miller-"Perhaps we should enlivening our quiet village for child to the school.

The hands of the members went up this season." in astonishment.

Clerk Hopkins-"Well, gentlemen, question be discussed at a later sesif you will fight assessments and re- sion. Reeve Anderson was authoriztition for schools you must pay the ed to secure details as to cost of fire piper. We'll have to raise \$840 in all, extinguishers, after which the Counand a rate of 14 mills will produce cil adjourned, to meet again next

It was figured out that the increase inspection.

Former Lindsay Priest Successful Dies at Belleville

DEATH OF MGR. FARRELLY --WAS IN CHARGE OF ST. MARY'S, LINDSAY.

Belleville, July 8.-The dath took Rev. Monsignor Farrelly, one of the Carl Forsyth have successfully passed trance examinations recently at Minplace here this morning of the Right oldest priests in Canada, after some months' illness. Deceased was born in politan School of Music, Toronto: Cavan county, Ireland, in 1827, ordained priest in 1851 and created Mon-Moved by Coun. Brown, seconded gold. Miller and Clerk and Treasurer by Coun. Miler, that the estimates be signor, with the title of Domestic Pre-G. H. Hopkins being present. The approved of.—Carried. A by-law was late, by Pope Leo XIII. in 1880. His Howson, Norwood, with 1st class honsay, then Kingston, and for thirty-four On motion Mr .Robt. Graham was years he resided here, resigning three re-engaged as sanitary inspector et years ago on account of failing health. mented upon by several of the mem- Cou. Brown urged that the gravel- priesthood here in 1901. DANCING PAVILION.

On motion Mr. F. H. Hopkins was

heard. He pointed out that the ques-

tion of better fire protection was now

before the Council, and a suitable

place would be needed for storing the

equipment. It was also desirable

that a pavilion be provided for the

people, and it had been suggested

that a union of forces might make it

easy to accomplish both objects. The

Regatta committee had a surplus of

over \$100 from last year, and this

the cost of raising the roof of the

present wharf shelter, extending the

building easterly to the road, and

providing an open pavilion above.
