

# The Lindsay Central Fair Has Been a Monster Success

(Continued from page 1). ly exhibit of its kind on the grounds and is attracting the attention of the farmers.

**Lang and Mahar.**  
A tent that presents the appearance of a modern store stands out very conspicuous on the grounds, and a number of the visitors to the fair have been deceived. This is where Lang & Mahar are making their stand for the three days and their splendid display has been very favorably commented upon. The idea is a good one for other firms to follow, and it shows that the popular clothing firm are endeavoring to keep pace with the larger exhibitions. This same display appeared at the Peterboro exhibition, and received much praise from the press of that town.

**Horses, Cattle and Poultry.**  
Leaving the scene of merriment the visitor jaunts over to another portion of the ground where the men are apt to gather. This is where the county has a chance to do herself proud, and the directors of the fair claim that never before has such fine horses, cattle and poultry been sent in. The poultry is very well arranged and is one of the most interesting buildings to visit at the fair.

**The Amusements.**  
Hoky poky, double-jointed peanuts; here's where you get a nice cider; the greatest wonder on earth, come on gents, crawl up, tumble up, and if you can't get up throw your money up. These are the cries from the different stands that are heard all over the grounds, and without these the fair would be incomplete. The showman's spiel and the fakirs' remarks go to the making up of any fair, and although things are never what they are described, yet the people enjoy themselves and feel that they have missed the best part of the fair unless they allow themselves to be persuaded by these speakers.

Anxious to get rid of an abundance of flush coin that has been stowed up all summer for this event, the small boy and the aged man are all alike in the scramble to be amused. The merry-go-round, which is run by Mr. Scriver, of Peterboro, was well patronized, and the good long rides on the whirling wooden steeds fills the youth with excitement, and he is not contented until he has gone around several times.

The Lyceum, under the direction of Mr. J. W. Lamb, was the main attractions on the grounds. The splendid moving pictures of the Quebec Tercentenary were shown. The target practice, which is operated by Mr. Brooks, is sure to receive a good patronage. The cigars look very tempting and the sport is enjoyed by all.

**Prof. Apdale's Show.**  
Positively the most interesting attraction on the grounds is that under the direction of Prof. Apdale. He has an animal show that he claims is unequalled in America, and is also controlling the famous Japanese acrobats. The animal show is composed of three monkeys, four bears, seven dogs and an educated ant eater. The attraction has always travelled on the Keith and Proctor circuit, and is well known through the United States. From press clippings of the papers in the different cities the professor has visited the strange nature of this weird little ant eater is gathered. This is the sixth fair that the show has visited this season, and has met with great success. The acrobats are all very clever.

**The Refreshments.**  
Having visited all of the main features of the exhibition the tired visitor to the fair now seeks refreshment and rest. Refreshment booths have been placed at different points throughout the grounds and have everything there in the line of soft drinks, candies and fruit. For those who wish to take their dinner or supper on the grounds, the Ladies Aid of the Queen-st. Methodist church have arranged to serve meals in the spacious dining hall.

(Daily Free Press, Sept. 26.)  
Friday is generally looked upon as the great fair day in Lindsay, but apparently this year it has changed. The trains that left the town last evening did not carry very many away, and the cars that came in this morning were literally jammed. It is said that this is one of the largest crowds that have ever visited Lindsay fair, and it has already been stated that the exhibition is the most successful. All the directors wanted was good weather and thousands of people, and they have been favored with everything so far that goes to make a successful fair. The exhibits are better and more numerous, and there seems to be a general improvement about the entire grounds. The trains going away to-night will no doubt will be crowded, but it is believed that a good many of the visitors will remain in town over Sunday.

It is true that a good many of the people here yesterday came in from the surrounding country in buggies. All yesterday afternoon, and up until the late hours last night, buggies and vehicles of all descriptions, carrying the farmers and their families,

were making their way east, west, north and south, to their various homes. The hotel yards were filled with vehicles of all descriptions and no doubt considerable difficulty was experienced in getting some of the buggies out.

Friday, the second day of the Lindsay Central Fair is over, and with it some of the finest and most interesting features the town has ever shown before so large a crowd.

The Fair has in the past been held in the public's eyes as one of the most interesting holidays which they can look forward to, and also has been looked upon as one of the finest fairs for special attractions that can be found in Central Ontario. But never before has the agricultural committee been so well satisfied with any attraction as that of the Kishyruna Japanese troupe which appeared on the stage yesterday.

About twelve thousand people were on the grounds, and left well pleased after the exhibition. The gates were opened yesterday morning at 10 o'clock and a continual rush was kept up until they closed at 10 o'clock in the evening.

Among the many attractions was the Lindsay Sylvested Band, which furnished the music for the day, and among the several selections were a couple of marches played at the Quebec Tercentenary.

The main features of the afternoon were the 2.22 horse race and the green race, which kept the crowd guessing at every heat run, Judge Sinclair, starter, had many hard and close decisions to fathom, but they proved satisfactory to all.

At one o'clock the many judges could be seen in different parts of the field judging and sticking up the red and blue tickets in the different cattle, horse and pig stables.

An amusing feature of the afternoon was the dog race which took place on the track at 1.15, and in which, after a tight run, Master Willie Pogue, of town, won the mile heat in a sensational manner.

At 1.30 o'clock the interesting part of the programme took place before the grand stand in the clever acting of the trained bears and dogs, in which many sensational tricks were performed. The work done by these animals took many months to master.

At 2 o'clock the first heat of the green race was run off, in which Pinch Light won out in a sensational manner.

At 2.45 the Kishyruna Japanese troupe took the platform, and between several of the heats many interesting tricks were performed. At 3 o'clock the 2.22 race began, which proved very exciting to the large crowd.

The horse race tally was as follows:

- Green Race.**  
Shaun Rhue, owned by Jas. Noble, Toronto ..... 1 3 1 2 2  
Pinch Light, owned by Jas. Hill, Barrie ..... 2 1 2 1 1  
Sam Hall, owned by S. Hallett, Sunderland ..... 3 2 3 3 3  
Lapdist Smiler, owned by G. Barrie, Maple Lake ..... 4 4 4 x x  
Doc. Keswick, owned by J. Paul, Janetville ..... 5 5 x x x
- 2.22 Class.**  
Walter G., owned by Sid Passmore, Orillia ..... 1 3 1 2 2  
Patterson, owned by Mr. Leatherby, of Midland ..... 2 4 2 1 1  
Fox Prize, James Noble, Toronto ..... 3 1 5 5 4  
Honest Billy, W. Jilks, Barrie ..... 4 2 3 3 3  
Hazel Bell, R. McArthur, Toronto ..... 5 5 4 4 x

Saturday, the third and last day of the Lindsay Central Fair, is over, and with it one of the finest and best days the Fair has ever had. There were between 13,000 and 15,000 people on the grounds, and all left thoroughly satisfied with the Fair. The many and interesting midway shows were visited by the large crowd and enjoyed by all.

The Kishyruna Japanese troupe performed on the platform before the grand stand, and were up to their mark made on Friday and certainly held their record as one of the finest show troupes in the Dominion. They performed many sensational stunts. It has in past years been heard from the crowd as being one of the failures of the Society to get good performers on the stand, but this year there is no room for complaint, as the many sensational tricks were of first-class quality.

Then there was the trained animal show, which also proved of itself to be well worth the admission fee. It was the best thing of its kind ever witnessed on the Lindsay platform. Among the many animals which performed were bears, several dogs, monkeys and the ant eater, which is claimed to be the hardest animal in the world to be trained. The monkeys performed many feats, while the most laughable of all was a large dog dressed as a lady, walking to a piece played on the banjo by Mr. Bruin. Another feature of their performance was the race of the different animals in a circle on the platform, in which a cute monkey in a sulky, to which a large white dog was hitched, pulled out a winner in the last lap.

Among the main features of the afternoon was the lady driving, in which several rights turned out in both the double and single class as follows: Team driving—Miss Downey, of Reaboro, took first; Miss Teaska, of Trenton, took second. Single driving—Several entries were

put in for this part of the programme. Mrs. C. Lindsay, of Lindsay, took first; Mrs. Thos. Downey, of Reaboro, took second.

Men's turnout—Several entries were put in, Mr. Thos. Cowan, of Orono, Ontario, taking first.

**THE SPEEDING EVENTS.**  
The last heat of the 2.22 horse race which was held over until Saturday afternoon, was finished in a close race between Walter G. and Patterson, the former winning out in a sensational manner.

- The tally for the 2.22 race is as follows:  
Walter G., Tom Hodgson, Orillia ..... 1 3 1 2 2 1  
Patterson, J. A. Leatherby, Midland ..... 2 4 2 1 1 1  
Fox Prize, Jas. Noble, Toronto ..... 3 1 5 4 4 x  
Honest Billy, W. Jilks, Barrie ..... 4 2 3 3 3 x  
Hazel Bell, R. McArthur, Toronto ..... 5 5 4 4 5 x x

Horses apparently were out to win, and the work done by the drivers to make a win proved very interesting to the large crowd.

**2.40 Class.**  
Togo, Geo. Powell, of Peterboro ..... 5 3 1 5 2  
Lou Keswick, Mr. Ashmore, town ..... 6 x 5 3 3  
Minnie G., M. Payette, Penetanguishene ..... 2 1 3 2 5  
Commodore B., Geo. Dettman, Kinnouit ..... 3 2 4 4 4  
Lulu Chimes, Mrs. McIvor, Peterboro ..... 4 x x x x  
Harry K. Dr. Cowan, town ..... 1 x 1 1 1

A discussion took place between Mr. Ashmore, owner of Lou Keswick, and the judges, on the unfairness of the race, but the officials did not see it in that light.

**Free-For-All.**

The free-for-all race proved very exciting, only three entries, Gracey Pointer, Captain Sphinxes and Orillia Bell, these three being closely matched. Gracey Pointer, however, every heat would come in by about two feet, while Captain Sphinxes would be only a few feet ahead of Orillia Bell, giving the horses the same time, as follows:

- First heat—half mile made in 1.95; mile, 2.15.  
Second heat—half mile made in 1.07; mile, 2.15.  
Third heat—half mile made in 1.07; mile, 2.16.

The racing tally was as follows:  
Gracey Pointer, J. Noble, Toronto ..... 1 1 1  
Captain Sphinxes, R. McGirr, Meaford ..... 2 2 2  
Orillia Bell, Geo. Powell, Peterboro ..... 3 3 3

A deep discussion took place on the Peterboro grounds about the horse Walter G., owned by Mr. T. Hodgson, of Orillia, and also on the Lindsay grounds between the horsemen. They seem to think this horse, which resembles Little Hector, formerly of Fenelon Falls, which a few years ago was disqualified, should not be allowed to race. Several of the horsemen asked for the papers, which he had not with him, but when shown later will throw a light on this horse's past history. Further announcements will be made later re this mysterious horse.

**THE MARATHON RACE.**

The Marathon race, which was won by Adams, of Toronto, with Dunn, of Barrie, second, proved very exciting. These two runners outdoing the many opponents. At times Adams would make a sprint for lead, but would be closely followed by Dunn, who kept about two feet behind Adams from the beginning. The entries were as follows: Joseph Dunn, of Barrie; P. Menzies, Lindsay; W. B. Cresswell, Lindsay; J. M. McTaggart, —; E. Ryley, Beaverton; H. Ascott, Lindsay; G. Robinson, Peterboro; H. S. Brace, Peterboro; J. H. Adams, Toronto.

## Janetville School Destroyed by Fire

INTERESTING SERMON IS ANNOUNCED—NO MOVEMENT IN POLITICAL CIRCLES.

(Correspondence Free Press.)  
Janetville, Sept. 23.—Rev. Mr. Snowden has returned from Toronto, where he was attending the Theological Conference in Victoria University. Mr. Snowden will preach next Sunday evening on "Some Phases of the Doctrine of Immortality," having been inspired by new thoughts on this subject at the recent Conference. Miss Edith Anderson has returned to Toronto.

The Presbyterian congregation will hold their anniversary services next Sunday at 10 a.m. and 3 p.m. A thank offering will also be taken.

The apple crop in this vicinity is very light. Miss Patience Morgan, of Albert College, Belleville, is at present visiting her sister, Mrs. J. J. Thornton.

Mrs. W. H. McGill has been appointed organist in the Methodist church.

The schoolhouse was burned last Tuesday night. The fire began about 11 o'clock, and as everything was very dry it burned rapidly. Mr. Parrington had to be very active to save his buildings, as the wind was in that direction. It is expected that school will begin during the present week in the C.O.F. hall, and steps will at once be taken to build a new school.

On Sunday evening at the church service, Rev. Mr. Snowden offered special prayers for rain. Mrs. Thos. Johnson has returned from a visit to Buffalo.

## Maternity Nurses To Receive Wages

CASE AT BOBCAYGEON ON FRIDAY LAST—LAWYER FOR DEFENDANT WILL MOVE FOR NEW TRIAL.

At Bobcaygeon, on Friday, before Judge McMillan, Mrs. Abbot, a maternity nurse, sued Mr. Aldred for wages due her to the amount of \$21. Mr. Fred. Holmes Hopkins appeared for

the plaintiff, and Mr. L. V. O'Connor for the defendant.

Mrs. Abbot testified that she started to work for Aldred as maternity nurse and do the housework besides, and was to be paid \$1 a day. At the end of twenty-one days she was discharged and given \$7.03 for her services, and a receipt for the amount taken from her. On the receipt was written wages paid in full and on this ground Mrs. Abbot brought action against her employer. Mr. Aldred said he hired the defendant for \$10 a month, and she gave him a receipt in full for the amount when he paid her.

DR. H. A. NESBITT, L.D.S., D.D.S., Graduate of Royal College of Dental Surgeons of Ontario, and Honor Graduate of Toronto University.

All modern improvements conducive to good work with minimum amount of discomfort. Office over Canadian Bank of Commerce, corner Kent and William-sts. Entrance on William-st. Phone 272.—His Worship reserved judgment until Saturday, when he ruled in favor of Mrs. Abbot. Mr. O'Connor said he would move for a new trial.
