

The Free Press

THURSDAY, OCTOBER 8th, 1908.

OUR PERMANENT HOME.

The many friends of The Free Press will learn with a feeling of pleasure akin to that in the hearts of the management that in the course of a couple of days the paper will be established in its permanent home adjoining Britton Bros., in the premises at present occupied by Wormald theatre, and formerly the Home of the Post, before that paper drifted onto a side street of the town. It is a well-known stand, having been occupied as a newspaper office for almost thirty-five years, and is peculiarly adapted therefor.

As our friends will readily understand, The Free Press has been greatly hampered since its inception owing to unsuitable and cramped quarters, nevertheless from both near and far we have been tendered felicitations because of the handsome appearance and newsy qualities of The Weekly Free Press.

We deem it well at this juncture to correct an apparent misapprehension on the part of our cotems by pointing out that arrangements to launch The Free Press as Lindsay's second daily were under way some weeks before the publication of the third daily—The Watchman-Warder—was even mooted. The citizens know this to be true, and will cheerfully accord us all due credit.

When established in our new premises The Free Press will be made better than ever in many respects, and we shall also be in a position to devote particular attention to job work, for which we have a plant unequalled outside the city.

A PROSPEROUS CANADIAN BANKING INSTITUTION.

Elsewhere in this issue appears the annual report of the directors of The Bank of British North America, a bank established in the progressive village of Fenelon Falls, in the adjoining village of Haliburton. The gentlemanly manager in charge, Mr. W. J. Bishop, has won a high place in the esteem of the business and farming community, while the splendid showing made by this conservatively managed British financial institution has won the confidence of many of both classes.

The profits for the half-year were large and show that this bank at any rate, did not feel to any material extent the general depression complained of by business men everywhere. The total of earnings is calculated to arouse the envy of other financial institutions, and is highly creditable alike to the directors and staff of managers.

EASY TO MIX THIS.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease.

Fluid Extract Dandelion, one-half ounce; Compound Kardon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, states that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription pharmacy, or the mixture of ailments with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which causes sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

ANNUAL FRUIT SHOWER TO R. M. HOSPITAL.

The Annual Fruit Shower to the Hospital will be held every afternoon next week in the Public Library Building, and the ladies of town and vicinity are urgently requested to send a jar (or more if convenient) of fruit any afternoon between the hours of 3 p.m. and 6 p.m. Ladies of the Auxiliary Board will be there to receive it, also to return empty jars in place of those received, and anybody who did not get last year's jars returned yet, can get them by calling any afternoon during the fruit shower.

REMEMBER THE TIME AND PLACE.

Every afternoon next week between the hours of 3 p.m. and 6 p.m., in the Public Library Building.—dlwl.

A Magistrate Investigates Zam-Buk

SAYS IT IS A WONDERFUL HEALER AND DOES MORE THAN IS CLAIMED FOR IT.

No household remedy in existence has won such glowing tributes from people in high places as has Zam-Buk. Mr. Roger F. Perry, Justice of the Peace for British Columbia, tested this famous balm, and this is what he says of it:

"The Pavilion, Goldfields, B.C. 'To the Zam-Buk Co., 'Gentlemen,—After a very fair trial I have proved Zam-Buk eminently satisfactory. In my case it cured a skin rash of five years' standing, which no doctor had been able to do any good for.

"I would certainly encourage any person to keep Zam-Buk in their home. It truly does even more than you claim for it. For my own part I would not now be without it in the house. Yours very truly, (Signed) 'Roger F. Perry, 'Justice of the Peace for B.C.

Zam-Buk differs from ordinary salves and embrocations, for while these mostly contain animal oils and fats, Zam-Buk is purely herbal. It soothes and heals cuts, sores, ulcers, eruptions, boils, eczema, chafing sores, etc. In the household it is the handiest possible remedy for burns, scalds, children's injuries. It instantly cleanses any wound to which it is applied; prevents festering, inflammation or blood poisoning. It cures piles, varicose ulcers, and fistula. All druggists and stores sell at 50 cents a box, or from the Zam-Buk Co., Toronto, for price, 6 boxes for \$2.50.

AN EXCEPTIONAL OFFER.

By a special arrangement with The Ladies' Home Journal of Toronto, we are in a position to offer this high class home magazine in conjunction with The Weekly Free Press at a price that must appeal to all lovers of good reading. The Home Journal has already a wide circulation throughout Canada, and is fully demonstrating the fact that it ought not to be necessary to go outside of this country for literature of this class. It is wholesome, fearless and interesting with a fund of valuable information, stories, illustrations, etc., set forth in the best typographical style. The cover for October "The Little Apple Gatherer," is typical of sturdy Canadian childhood. In addition to a serial and a number of short stories, there are interesting articles on "The Milk Question," "Women's Work at the Fair," "The W.C.T.U. and Its Work," Music, Fashions, etc. We are able to offer this magazine with The Weekly Free Press one year at the price of One Dollar. This offer will only hold good until Dec. 31st.

OMEMEE.

(Special to Free Press.) Omemee, Oct. 6th.—Mr. D. Thompson of Uxbridge, visited his brother, Dr. Thompson, over Sunday.

Dr. Wilson, of Fenelon Falls, was in town for a couple of hours Saturday, on his way to Downeyville, where he addressed a meeting to the electors in the evening.

Mrs. Wm Kerr, who has been ill with pneumonia, is able to be out again.

Mr. H. Bennett, of Toronto, is at present visiting his daughter, Mrs. J. A. Wylie.

Mr. H. Beatty, of the Commercial house, had a very narrow escape on Saturday a.m. while driving in the country on business. Coming along by Mr. Ed. Best's farm, his pony took fright at some hogs which were running on the road. The animal took a quick leap to the side, throwing Mr. Beatty and little daughter Mary out. The pony made for home, and when it came near town it began to walk along, and little Lloyd Clementt, seeing it coming along without a driver, jumped in to the rig and endeavored to stop it. This started the pony again and Lloyd was thrown out on his head. He received severe injuries about the face and head, which were attended to by Dr. Snellgrove. The pony was caught in front of Mr. Ivorys store and taken home. Mr. Beatty received injuries about the face and hands, while little Mary had her right knee badly bruised.

Mr. W. McCrea, of Toronto, spent Sunday with his parents, Mr. and Mrs. John McCrea.

Col. Sam Hughes held a rousing meeting in the opera house Saturday night, the hall being filled to the door. Mr. Harvey was elected chairman of the meeting, and after the short opening address, he called upon the different speakers of the evening, who were as follows: Messrs. Johnston Ellis, A. D. Mallon, Geo. A. Jordan and Col. Hughes, all of Lindsay. The meeting broke up about 10.30, with hearty cheers for Mr. L. Borden and the candidate.

Col. Hughes Was Warmly Received at Omemee

IVY HALL WAS CROWDED WITH ENTHUSIASTIC SUPPORTERS OF THE CONSERVATIVE STANDARD BEARER—SPLENDID AD-DRESSES WERE MADE.

The Conservatives, under the leadership of Col. Sam Hughes, held a successful, interesting meeting in the Ivy Hall at Omemee Saturday night. The hall was packed to the doors with the enthusiastic supporters of the Colonel. Among those on the platform were Colonel Hughes, Reeve G. A. Jordan, Messrs. Johnston Ellis, Wm. LeHane, A. D. Mallon, Lindsay, and Mr. Cottingham, of Omemee. Sharp at 8 o'clock the meeting opened, with Mr. Harvey, High school principal at Omemee, in the chair, who, after a short address on the principal topics of the day, called on Mr. Johnston Ellis.

The speaker gave a short address, and among the many subjects he touched upon was that of the building of the great Canadian Pacific railway, which was started by the Conservatives. The speaker reviewed the career of Sir John A. Macdonald, the great Conservative leader. Dealing with the work done by Col. Sam Hughes, the speaker brought his remarks to a close.

Mr. A. D. Mallon, in his remarks, dwelt for some time upon the Manitoba school question, putting before his hearers how our present Premier, Laurier, had failed to carry out his promises on this question. The speaker referred to Col. Hughes' brave doings in South Africa, where he fought under the old flag and had returned, raised in rank, to fight in the House of Commons for the people of Victoria. He was worthy of the support of the electors.

A RACY ADDRESS.

Reeve Jordan, of Lindsay, was then called upon and spoke very briefly dealing with the clean way in which the Conservative party works. He also spoke of Col. Hughes' new appointment, Dr. Wilson, of Fenelon Falls. This man, he said, was an old friend of his, and a perfect gentleman, but one can see that he has to run against a better and stronger man in Col. Sam Hughes. The speaker next dealt on the Arctic expedition a few years ago to the north pole, which proved a failure. The cause of this was that the explorers were having festivals and parties among the Eskimos, and at the end of a year and a half returned, putting the expense of the expedition before the government at \$93,423.00. The speaker continued by saying that such work as that was the ruin of the country; he also put before those in the hall the large amount lost in different expenses by the present government in a year, the figures being \$14,988,991.00.

The C. P. R. strike also took up some of his time. He blamed the present premier, Laurier, for having been the cause of it, and asked who

was going to feed these poor people, with their wives and children, through this coming winter. The answer was given by the speaker that the other people's money was going to keep them.

The speaker then took up the great immigration question, which, he said, is spoiling the country. The immigrants were the scum of the many countries from which they came, and in this way Canada is being put to ruin day by day.

Closing his remarks, he spent a few moments on the work done by Col. Hughes for the Dominion of Canada and the County of Victoria in which they lived, and with the votes of the people only could he be put back to assist in removing the present government from power.

THE CANDIDATE SPEAKS.

Chairman Harvey then called on Col. Hughes. He was warmly received, and in his opening remarks dealt with the campaign of 1896, when Mr. McLaughlin was rejected by the people of Victoria. Mr. McLaughlin had laid three charges against him on the work done on the canal built a few years ago back north at Pigeon river. But the three charges were proven false by him. He also attacked Senator McHugh for the false charges he had thrown at him. He spoke of his own work in the British army, and through which he was chosen president of the Rifle Association of Canada. When chosen by the government to pick out the rifle for Canada he chose the Ross rifle, which is the finest and best weapon in the whole British Empire. He continued to say that when shooting against the old champion of the world, the Yankee rifle, it defeated it so badly that its manufacture was at once commenced.

He described the way the voting was done a few years ago, and how much it had changed. He also spoke of the immigration question and claimed that the people coming in were taking the work out of the hands of the citizens of the country and also taking the money out of the boys' and men's pockets of the County of Victoria. It was literally taking the bread from the mother and children's mouths.

He brought his remarks to a close by speaking of the dredging of the Scugog river at Lindsay, which was brought about by himself, and Senator McHugh did his best to try to undermine the work and hinder it, but failed. The finish of his address was the signal for much applause, and after considerable cheering the meeting broke up.

OBITUARY.

The funeral of the late Geo. Brown, who died on Saturday last, took place Tuesday, to Riverside cemetery. The deceased gentleman was well known about the town, as he lived here several years ago. His demise will be learned with deep regret by all who knew him. Mr. Brown was 31 years of age. He was born in Mariposa, north of the village of Oakwood, and lived on the farm for several years. After his father's death he moved to town, then to Toronto, where he lived until his death, late Saturday night. He leaves behind him his mother, Mrs. E. Hill, formerly of town. His only brother was drowned in the Scogog river several years ago. OMEMEE PERSONALS. Mr. Chas. D. McCaffrey was in Lindsay on Sunday. Mr. J. D. Thornton was in Peterboro Saturday. Mr. L. Sisson, of Bethany, called here on Monday to see his son, Lorne, of the Bank of Toronto. Mr. A. Scott was in Lindsay Saturday.
