Days of the week, so far as Bargain-giving is concerned, do not have such great differences in a store like this that is constantly figuring out ahead of time how it can give greater values and better service for the patronage you give it.

J. Sutcliffe & Sons, LINDSAY'S FAVORITE SHOPPING PLACE.

French Veilings

A faultless veil adds just that indescribable note of 'chic' that stamps the Parisians street toilet. Carefully chosen and properly worn, it is as important as the hat itself.

Regular Meeting of the Mariposa Council Was Held on Monday

PRESENT DRAIN OF SUFFICIENT SIZE TO TAKE THE WATER—MANY RESOLUTIONS WERE PASSED—ACCOUNTS ORDERED TO BE PAID.

Monday, Oct. 12th, 1908. The minutes of the last meeting were read and approved.

Mr. Caleb Hicks, of Valentia, desired some assistance to carry away the drainage of the water on the roadside at lot south half 21, con. 1, Mariposa.

Mr. J. J. Hall desired some assistance in the matter of the drainage of lots 12 and 13, con. 3, Mariposa, through a tile drain on the road allowance on the 4th line to the creek.

The Council inspected the Dundas drain in the morning, as Mr. G. Graham has threatened an action if their share of the drain was not enlarged to give him a proper outlet.

The Council were unanimous of the opinion that the present drain is sufficiently large to take the water.

Mr. G. W. Hardy had spent some six days in repairing the road damaged by the wash of the creek along the roadside.

The Reeve received a notice from Mr. Hopkins, solicitor for Mr. Frank James, threatening action if his account for ditching at lot 11, con. 6, was not paid.

The Reeve also filed a notice of a friendly meeting on Monday, the 12th day of October, of persons interested in a drain at lots 21, 22, 23 and 24, cons. 6 and 7.

The Clerk of Eldon requested the Reeve and Clerk of Mariposa to meet the Council of Eldon at Lorneville to adjust expenditures on the boundary line of Mariposa and Eldon.

Resolutions Passed. Motion by Messrs. Michael and Rogers, that this Council grant Mr. Caleb Hicks the sum of \$25, on condition that he put a tile drain across the road allowance at lot 21, con. 1, also said amount to include the difference in price between a three and four-inch tile to take such drainage, and that he free the Council from any further harm caused by such drain.

Motion by Messrs. Michael and Rogers, that this Council grant Mr. J. J. Hall the sum of \$25, on condition that he put a tile drain across the road allowance at lot 12 and 13, con. 3, Mariposa, through a tile drain on the road allowance on the 4th line to the creek.

Motion by Messrs. Michael and Rogers, that this Council grant Mr. G. W. Hardy the sum of \$25, on condition that he repair the road damaged by the wash of the creek along the roadside.

Motion by Messrs. Michael and Rogers, that this Council grant Mr. Hopkins the sum of \$25, on condition that he enlarge the drain to give him a proper outlet.

INTERESTING ITEMS FROM "SMIFF-TOWN"—EDGAR MEAT COMPANY ENLARGING—ANNUAL MEETING OF THE CURLING CLUB—WELL ATTENDED LIBERAL MEETING.

(Correspondence Free Press.) Oct. 12th.—Mr. Harris, of the Bank British North America, Toronto, is here relieving Mr. J. R. Moyle, local manager, who is taking a three weeks' vacation.

The Royal hotel stables have been reshingled.

Mr. Barney Blastorah, depot clerk of the Cavendish Lumber Co., was in town on Thursday.

Mr. John Carrier, one-time fireman on the L. B. & P. branch, is acting engineer on this run during the absence of Mr. N. LeBar, the regular driver.

Work at "Hillcroft," Mr. W. I. Comber's new Boys' School, is well under way.

The excavating for the foundation was finished some time ago, and Mr. Parker has now a good start made at the stone foundation walls.

The site is to the north of the Fenelon road, just within the town limits. The school will be partly sheltered on the north and west by the higher ground, and will command a view of the village.

Accommodation for twenty-five or thirty boys is to be provided. There will be room on the lot for a nice lawn, and tennis courts are to be laid out.

The cricket and football field is to be in the valley across the road from the buildings, and men and teams are now engaged at moving stones and stumps and levelling the ground.

At the north end of the playground is a natural embankment which will be an excellent place whereon to erect a pavilion from which to watch sports on the field below.

The school will not be finished till next year.

The C. G. Edgar Meat Co. have recently added to the equipment of their establishment a three h.p. sausage machine.

It is run by a four n.p. engine and turns out about 80 lbs. of sausage an hour.

The boiler, which is to be placed in the basement, is of five h.p., and the pipes are arranged so that the shop and work room upstairs are heated from it.

Peterborough Cheese Sold Below Lindsay

LAST SALE WAS AT 12 1/8c.—THE LINDSAY PRICE WAS A SIXTEENTH BETTER.

Owing to the confusion caused by the Free Press removal to permanent quarters in the old Post building, foot of Kent-st., our reporters omitted to record the last sale on Peterborough Board.

The regular semi-monthly meeting of the Peterborough Cheese Board was held this morning, the prevailing price being 12 1/8 cents.

At the last meeting the highest price was 12 9/16 cents, which indicates a falling off. The total number of cheese boarded this morning was 3,165 cwt.

It was decided this morning that the last meeting of the Board would be held on November 4, on which date the local representative on the directorate of the Eastern Dairy-men's Association will be appointed.

Mr. G. A. Gillespie stated that he had received notice from Mr. J. A. Ruddick, Chief Dairy Commissioner for Canada, that Messrs. George H. Barr and C. F. Whitley of the Dairy Division, Ottawa, could be secured for lectures at the annual meetings of the various cheese factories.

The buyers present were Messrs. Fitzgerald, Gillespie, Whittin, Cook, Weir, Morton, Gunn and Langlois, Riddell.

The Bidding. The bidding began at 11 3/4c. by Mr. Whittin. This was raised to 11 7/8c. by Mr. Fitzgerald, to 12 by Mr. Gillespie, to 12 1/16c. by Fitzgerald, and to 12 1/8c. by Gillespie.

At this price Mr. Gillespie secured Warminster, Keene, Shearer, Central Smith, Bensfort, Selwyn, Vlliers, Westwood, King, Maple Leaf, Ottonabee Union, Lang Edward, Myrtle, Cedardale, East Emily, Trevern, Ormond, Daisy D., Norwood.

Mr. Morton bid 12 1/8c. for the balance and secured Warsaw, Oakdale, Lakeland, Pine Grove, Young's Point, Fraserville, North Dummer, Cavanaugh, Crown, Fleetwood, Oak Leaf, Stony Lake, South Burtleigh, Brickley, Shamrock, Killarney.

The Board adjourned for two weeks.

EVERY DAY MAY BE A SUNDAY. Sunday and Day are the name of two farmers near Martinton.

Sunday has five sons and Day five daughters. Three of the Sunday boys have already married Day girls.

With the other two brothers courting the remaining sisters, it looks as though every Day would be a Sunday by and by.
