TOWN TOPICS

Settle your bets, gentlemen. Mr. Thos. McConnell is enlarging his boathouse at the foot of Kent-st. east. Mr. Geo. A. Little has had his store improved by having the front painted. A cement walk has greatly added to the appearance of Mr. Smith's home on Bond-st. The deepening of the upper reach of the canal at Fenelon Falls, has been completed by the dredge Emerson. There is now a depth of nine feet of water in the entrance channel. Saturday afternoon a rumor was in circulation to the effect that a serious bush fire was raging in the swamp back of Pleasant Point, which threatened the safety of the cottages owned by Mr. John Hayes. Several parties went down Sunday in yachts, expecting to find the Point swept bare, but found no sign of fire in that vicinity. So much for rumors.

Stick to Facts. "Remember, my boy," said the old milkman to his son who was about to step into his shoe, "that it pays to be honest and truthful. Above all things, never put water in the milk. Always put water into the can first, then add the milk. By working this plan you can truthfully say 'no' when inquisitive people ask if you put water in the milk."

OBITUARY NOTICES

WM. WINN, VANCOUVER.

The funeral of the late Wm. Winn, who died in Vancouver, B.C., hospital on the 17th inst., took place Wednesday at 8 p.m. from the home of his father, Mr. Daniel Winn, Emily, interment being made in St. Luke's cemetery, Downeyville. The remains only arrived the previous evening from the west, having been delayed four days en route by the terrific snow storm in Alberta. The deceased was a former resident of Lindsay, having been employed by Pedlar & Emmerson, carriage manufacturers, for several years. He was highly respected both here and in his native township, and the news of his unexpected demise came as a great shock. The funeral cortege was a long one despite the early hour. Among those present from Lindsay were Senator McHugh, and Messrs. Brady, McCrohan and Ashmore.

WILLIAM STEVENS, DALTON.

A former well known resident of Lindsay and Ops township passed away recently in the person of William Stevens, of Dalton township, where he had farmed for a number of years. The deceased was in Lindsay at the time of the big fire in '61, after which he moved into the township, where he owned a farm. He passed away at the patriarchal age of 84 years, leaving four sons and two daughters to mourn the loss of an ever kind and indulgent parent. His wife predeceased him a little over a year ago. The funeral took place on the 24th inst. to Sebright cemetery.

ROSDALE.

(Correspondence Free Press.) Oct. 27.—Elections are a thing of the past. We believe the government is sustained by a good majority, and that Col. Hughes still holds the banner for North Victoria. Messrs. Fred Glover and Miller Hamilton, of the T.V.C. staff, were in Peterboro on Saturday until Monday. Rev. Mr. Ross gave an excellent discourse Sunday evening on "Christians' Salutations", and was much enjoyed. Mr. Arnold Wakelin was in Norland on Sunday. Mr. Harold Wessell has been away for a few days, but is back again. Mr. Thos. Dover left on Friday for St. Catharines and returns on Tuesday. We regret to hear of the illness of Mr. Thos. Smith, and trust he will soon be feeling better. The roads are in a very bad condition owing to the rain and the many teams drawing gravel to the lock pit, on which they are doing great work at present.

Lindsay Ran Away With Peterboro Footballers

GAME ON SATURDAY IN PORRIDGE TOWN RESULTED IN A HANDSOME WIN FOR OUR FAST TEAM—GAME WAS EXCITING FROM START TO FINISH.

Lindsay lugged the large and gleaming harpoon to Peterboro on Saturday, and eased it into the meaty portion of the Y.M.C.A. of that burg to a refrain entitled "Nine to Six." What the warriors from the banks of the Scugog did to the lads from the town near the breakfast food factory is a fine tale for local consumption but a large weep for Otonabeeville. Leaving here at two o'clock on the Grand Trunk, they fortunately reached Peterboro, accompanied by a delegation of local well-wishers, to which four ladies graciously lent their presence. Cotton kicked off at 4 p.m., initiating the junior O.R.F.U. schedule as far as Lindsay is concerned. Peterboro apprehending too much strength in the Lindsay line for successful bucking, immediately returned the kick. Byron Green was the first man to try the Otonabee defence and he found a hole through which he galloped for 25 yards before being downed. Foodville then braced and Cotton kicked to Evans, who grabbed the oval just before being smothered by the Lindsay forwards. For ten minutes the game was an open affair with honors even until Lindsay missed connections with the ball, and the Peterboro centre half grabbed the bladder and sprinted over the line for a touchdown. They failed to kick goal. Score, Peterboro 5, Lindsay 0. The second quarter was scoreless. Peterboro tried a kick and Lindsay coming back, Cotton put his toe into the leather for a punt that put Lindsay 30 yards to the good on the exchange. Peterboro here uncorked a kick to the outside wing that would have been a good ground gainer had not Lindsay been there with the speed to break it up. Sylvester took the ball across the field on a long run that netted 15 yards just before half time. Lindsay began to show in the third quarter and Peterboro began to look like mother's pansy bed after a hard frost. They found Lindsay's line too strong to be worked and started a kicking game. One Cotton, of Lindsay, learned this trade while still a child, and when he booted the pigskin to Peterboro's 30-yard line he inspired such enthusiasm in his team mates that they immediately held Peterboro for
