Parkdale Wins the Dominion Championship

LINDSAY GREYS DEFEATED BY A SCORE OF 22-0.

The Lindsay Greys met their first defeat Saturday afternoon on the Diamond Park, Toronto, they being utterly outclassed from the Dominion championship by the Parkdale Canoe Club rugby team by the score of 22-0.

The locals left town in the morning on the G.T.R. and C.P.R. trains, arriving in Toronto about 10 o'clock. After dinner the teams struck out for the park, where a large crowd, or what we here would call large, compared with what attended the last game with the locals awaited them.

The team, on arrival at the park, dug right down to a heavy practice and gave the spectators the idea that they were out for the victory, but the whistle blew within a few moments of their arrival and the two teams, the Parkdale twelve being the heavier of the two lined up on the snow-covered field for the game.

Lindsay started off by winning the toss, with the slight south wind in their favor. Taking the pigskin, many zig-zag rushes were made by several of the local players, making the game look somewhat in the greys' favor, but alas, when they got the ball to their opponents' 20 yard line, it was lost in a scrimmage, allowing the Paddlers to get near the Lindsay lines by a run by Warwick and Duncan, the latter going over on the first down.

Throughout the second quarter the ball was entirely in the Lindsay lines, but owing to their strong and determined playing the champions could not get past the Lindsay wings, they standing there like that of a stone wall. The great surprise of all, the Parkdale forward line made a rush for the Greys' left wing, but to their amazement stopped more sudden than they expected, allowing Greene to make the feature of the game by making a fifty yard run, passing through the canoeists like a rifle shot. Score at half-time 5-0.

In the next quarter the Parkdales walked away from Lindsay, and the game closed 22-0.

Parkdale—Back, Warwick; halves, Wagner, Killaly; quarter, Dissette; scrum, Addison, Leonard, Duncan; wings, F. Dissette, Rankin, Dickinson, Meighan, McKellar, Thomson.

Lindsay—Back, Sylvester; halves, F. Greene, Cotton, G. B. Green; quarter, Killen; scrum, McQuarrie, Dougan, Newton; wings, Murdie, McHugh, Key, Mackenzie, Conway, McGregor.

Referee, Harry Griffith; umpire, Whit Lailey.

Town Hockey League Organised Last Week

Moved by Mr. Bingy, of town, seconded by Mr. Murdie, of town, that the Town League be formed and the aforesaid teams entered if possible.—Carried.

The officers for this season were then elected by those present.

Pres.—Mr. John Carew.

Vice-Pres.—Capt. Simpson.

Sec.-Treas.—Rod. Porter.

Moved by Dr. White, seconded by Mr. Bingy, that the Executive committee be formed of the three officials and a member of each team.—Carried.

Moved by Mr. R. Butler, seconded by Mr. H. McConnell, that the permits, etc., be issued and properly signed before January 1st, 1909.—Carried.

Moved by Dr. White, seconded by Mr. Martin, that the O.H.A. team may have the right to feed from the Town League to fill vacancies in their team, but the Town League player who is chosen upon, by the before mentioned team, will not by any means be barred from the Town League if he wishes to again enter.—Carried.

Moved by Rev. Fr. Collins, seconded by Mr. R. Butler, that the ruling of the O.H.A. team will be carried out on the rules of last season.—Carried.

The meeting then adjourned, as all business matters had been cleared off.

Fenelon Falls Meetings Of Farmers' Institutes

EAST VICTORIA FARMERS' AND WOMEN'S INSTITUTE HOLD SPLENDID SESSIONS—INTERESTING DEBATE—MR. CAMERON TO REMAIN IN FENELON FALLS—OTHER ITEMS FROM THE CATARACT VILLAGE.

Fenelon Falls, Dec. 8.—East Victoria Farmers' and Women's Institutes held their regular meetings in town on Monday, 7th inst.

The Farmers' Institute met at 2 p. m. in Dicksons, the Women's Institute in Twoomey's Hall at 2.30 p. m. The former meeting was addressed by Mr. W. F. Kidd, of Simcoe, Ont., who took as his subject, "Care and Ventilation of Farm Buildings," and by Mr. A. M. Campbell, of Maxville, who spoke on "Care and Feeding of the Dairy Cow."

The Women's Institute was addressed by Mrs. Colin Campbell, of Windsor. Mrs. Campbell is no stranger in our village, having on two former occasions, addressed meetings of Women's Institutes here. She took for her subject, "The Comparison of our Common Foods."

The evening session, which was a joint meeting of Farmers' and Women's Institutes, was held in Dickson's Hall at 8 p. m. The programme, which was an exceptionally fine one, consisted of addresses by Mrs. Campbell, of Windsor; Mr. A. M. Campbell, of Maxville, and Mr. W. F. Kidd, of Simcoe, together with a splendid musical programme contributed by Mrs. F. N. Rutherford, Mrs. Fr. MacDougall, Misses F. C. Brandon, Marjorie MacDougall, R. Austin, and F. Graham. The addresses were intensely interesting, Mrs. Campbell speaking on "The Housekeeper, and Her Importance to the State," Mr. A. M. Campbell on "The Bright Side of Farm Life," and Mr. Kidd on "Dropped Stitches." This last was one of the most practical of addresses and all who listened were satisfied that if more of our farmers would place before them the high ideals of the speaker much of the drudgery and monotony of farm life would be dispelled.

The first meeting of the Social and Musical Department of St. Andrew's Guild took place in the basement of the Presbyterian church on Thursday evening last at 8 p. m. After a short musical programme to which numbers were contributed by Mrs. E. A. McArthur, Mrs. F. N. Rutherford, Miss F. C. Brandon, Miss F. Graham and Master Harold Long. The debate,

"Resolved that the Statesman has done more than the Warrior for the British Empire, was opened by Mr. N. H. Robson, leader of the affirmative. The debaters lined up as follows for the affirmative: Mr. N. H. Robson, A. Sutherland and F. Warren; for the negative: Mr. A. A. Cameron, Mr. John Lee and Dr. Johnston. Each debater was given ten minutes in which to bring before the audience points for the support of his side. Though all were amateurs they astounded the audience with the way in which they handled the subject. While the judges, Messrs. E. Fitzgerald, W. Imrie and F. N. Rutherford, withdrew to arrive at a decision the floor was taken by Dr. R. M. Mason, who made one of the best of critics, convincing the audience with laughter.

The judges then returned, having decided that the negative had won the day. Refreshments were then served and the meeting closed with the National Anthem. It is the intention of the society to hold a number of these debates during the winter, due notice of which will be given later.

The snowplow man is one of the most important persons in our village these days. Especially in the mornings, when we start out at 7 o'clock, we wish it might be our good luck to meet him and his faithful steed at our front door. So far we have been disappointed, but we hope for better things in the future.

It has been discovered that the two young men are who have been entertaining themselves by window-peeping. As they belong to respectable families in town we refrain from mentioning their names and hope that something may bring them to their senses.

Miss Little, of Havelock, is visiting her sister, Mrs. Martin Stillman.

Mrs. Gould and Miss Nie leave on Tuesday morning for Guelph to attend the annual convention of the Women's Institute to be held on the 9th and 10th inst.

Mr. and Mrs. Walters and little son, of Belleville, are guests of Mrs. Austin, Louisast.

Mrs. C. A. Campbell returned on Saturday, after spending a week with friends in Toronto.

Our School Board are being congratulated on being able to retain the services of Mr. A. A. Cameron, our esteemed principal. The Board realized the difficulty of securing a suitable person for the position, and accordingly made Mr. Cameron a tempting offer which he accepted. The scarcity of men in the teaching profession makes it exceedingly difficult to secure a suitable man for the position.

Members of Council No. 189, Canadian Order Chosen Friends will take notice that at the regular monthly meeting to be held on the evening of Monday, 14th inst., the election of officers for the coming year will take place. There is also other important business to be transacted and it is requested that all members be present.

TRAVELLER'S VALUABLE FIND.

Travelling on the I. C. R., Mr. Harry Towers, St. Paul-st., St. John, N. B., found a box of Zam-Buk, the great skin healer. He was suffering from badly chapped hands at the time, and so applied the balm. He says: "Zam-Buk eased the pain and smarting, healed the cracks, and made my hands quite smooth. Finding it so good, I kept a supply handy, and have since proved it a wonderful healer. It cures cuts, sores, or burns equally well, and I would not like now to be without a supply."

Mr. Towers is only one of thousands who are glad they heard of Zam-Buk. There is no skin disease it will not relieve and cure. Its fame is spreading everywhere, and it is now regarded as Nature's great "first-aid" in workshops, on the farm, or in the home. No traveller should be without it. Every home should have its box always ready for use. A little Zam-Buk rubbed regularly on the hands and face before retiring each night will keep the skin soft and free from chaps, cold-sores, or disease.

If you have a cut, a bruise, or some irritating skin disease, which has defied all ordinary remedies, apply Zam-Buk. It first cleanses a wound by killing off all harmful bacteria. Then it builds up a new tissue cell by cell—just as a bricklayer row after row lays a row of bricks. Then it covers the wound with new healthy skin, and the cure is effected.

Zam-Buk is also a cure for piles. It gives speedy relief and ends the throbbing, burning pains. Skin diseases, such as eczema, itch, ulcers, barber's rash, rashes due to blood poison, etc., cannot resist its wonderful healing power and purity. 50c. a box of all druggists and stores, or post free from Zam-Buk Co., Toronto, for price. Reject cheap, harmful and dangerous substitutes.

45th REGIMENT.

Among the many strong teams which will be put on the ice this year to class in the Town League series is that of the 45th Regiment team.

This is the first time a step like this has been taken by the red coats, and it is interesting for all that such a fine bunch of stick handlers are to be found amongst the 45th.

Manager Martin has about fifteen first-class players to pick from and will keep the many bunches hustling for the rubber.

The team will have its weekly practice as soon as the ice is made, and from the following men a good line should be had.

The players will be picked from the following: Geo. Carruth, Chas. Way, J. Dougan, B. Yarnold, S. Yarnold, H. McConnell, K. Lane, P. Preston, F. Carew, B. Maunder, L. Williams and G. Metherell.

At the two meetings of the Farmers' Institute of West Victoria, held in the local Council chamber, was largely attended.

Mr. W. F. Kydd, of Simcoe, and Mr. F. H. Reed, of town, delivered at both meetings two interesting addresses on different subjects of interest to the country.
