**ISLAY**  
(From Our Own Correspondent.)  
We are getting a great deal of snow, and good roads are apparently a thing of the past for this winter, as the storm on Sunday and Monday made them almost impassable.

Next Sabbath religious quarterly meetings will be held in the Methodist church. Service will commence at 10 o'clock instead of 10.30 as is usual.

**NORLAND**  
(From Our Own Correspondent.)  
A sad accident occurred in the home of Mr. George Bell, of Luttrellworth, which cast a gloom over the community. His small son, William, a child of three years and nine months was drowned in a well on Wednesday, 22nd January. The remains were taken to Pine Grove cemetery for interment. Rev. Mr. J. Beekie, of the Methodist church here, conducted the burial service. Much sympathy is extended to Mr. and Mrs. Bell and family in their sad bereavement.

The grim angel of death visited the home of Mr. and Mrs. J. L. Bailey, of Head Lake, taking for its victim their infant daughter. The remains passed through to Pine Grove cemetery on Wednesday, Jan. 22nd. The neighborhood and surrounding country extend much sympathy to Mr. and Mrs. Bailey.

Mr. Charlie Daney, of Victoria Road, spent last Sunday with friends here.  
We understand that Mr. Newman has his new chopper in working order again.

**WRITING OF PROPER NAMES.**  
More Care Should be Taken by Contributors to the Press.  
The attention of regular correspondents, as well as casual writers to the press, is directed to the fact that all proper names—especially of persons and places—should be very distinctly written. Many writers apparently labor under the delusion that because a certain name is quite familiar to the writer it must necessarily also be well known to the printer. Bad penmanship can generally be detected, and the sense of illegible words supplied by the context. Not so with names of persons and places. The printer is often termed "the intelligent compositor," and he deserves the title, but it is only in rare instances that he is a mind reader.

**GLENARM**  
(From Our Own Correspondent.)  
On account of snow storms for the past three weeks, times are dull. As the storms came at the week end, our congregation has been lessened.  
The Sunday schools of Fenelon and Eldon townships held a conference at Glenarm on Jan. 21st. Mr. Yelkows, of Toronto took charge of the afternoon session, when questions pertaining to Sunday school work were discussed. Though not an enthusiastic meeting, it was very helpful. In the evening Mr. Brownlee gave a very interesting and helpful address. He also sang the old favorite, "My Ain Country," which was appreciated by all.  
Mr. J. McKay and sister were guests of Mrs. Gilchrist recently.  
Miss Christie McMillan, of Beaver-ton, is visiting relatives and old school chums in our community.  
Rev. J. A. Ferguson is spending a few days in Toronto this week.  
Mr. Sinclair, of Stayner, is the guest of Mr. and Mrs. Brown.  
We are pleased to see the proceedings of Eldon and Fenelon townships published. We hope Eldon will stick to their motto, "the strictest economy," and Fenelon Council should adopt the same motto.  
It is gratifying to have local option win the day. We hope accommodation will be provided for the travellers by some of the good people of our village.

**FENELON FALLS**  
(From Our Own Correspondent.)  
The St. James' Literary Society intended holding an entertainment on Monday evening next Feb. 3rd, at the residence of Mr. E. D. Hand. Fenelon Falls to the fore once again. "Pacer" McDougall, known to fame as the man who caught the biggest fish last summer, has again distinguished himself in the field of sport. Now everyone knows that "Pacer" can play hockey, and play it well, too, but don't forget that in a game between "Varsity" and McMaster University in Toronto last Friday night, "Pacer" scored five of the goals for "Varsity."  
The Harmony Club held their regular assembly in Dickson's hall last Friday evening.  
A very exciting game of hockey was played here last Thursday night between a picked team from Cobocoonk and a junior team from our town, and resulted in a score of 14-8 in favor of the locals.

Miss Moore, our junior teacher, is visiting her parents in Dundas, Ont.  
Miss Ethel Thomas has returned home after spending a few weeks with friends in Oakwood.

Quite a number from town and surrounding district attended Mr. Rueb Thomas's sale on Tuesday.  
A sleighload from here were at Cannington rink on Friday night. All report a good time.  
Owing to the bad weather and roads on Sunday last the attendance at the churches was very small.  
The friends of Woodville sympathize with Mr. and Mrs. R. Switzer because of the death of their little daughter. The child was only sick a short time when she was seized with convulsions and died. A quiet funeral took place and the remains were interred in Smith's cemetery.

**KIRKFIELD**  
(Special to The Post.)  
S. L. Taube, Eyesight Specialist, Toronto, will be at the Campbell house, Kirkfield, on Tuesday, February 4th. If there is anything whatever wrong with your eyesight, do not fail to consult him.

# County Council in Session Dr. Mason Elected Warden

Opening of the January Session Thursday Afternoon—Reeve Jordan and Others Polled Good Votes—Chairmen of Committees Appointed.

Evening Post of Jan. 23  
The inaugural meeting of the Council of the County of Victoria was held yesterday at 1.30 in the Council chamber at the Court House. Those present were Councillors Jas. Boote, Geo. Byng, Robt. A. Callan, Jas. B. Campbell, Jos. G. Eures, Jas. Graham, Donald Grant, Jas. H. Hopkins, Richard Howkins, Geo. A. Jordan, J. Michael, Taylor Parkin, Emerson Tiers, Thos. H. Watson, Henry H. Young and Dr. Mason.  
**ELECTION OF WARDEN.**  
The first business of the session was the election of a Warden for the year 1908. The nominations were as follows:  
1st Voting:  
1 Jordan—Parkin, Mason; 7.  
2 Grant—Howkins, Watson; 8.  
3 Graham—Callan, Fielding; 6.  
4 Watson—Hopkins, Graham; 8.  
2nd Voting:  
1 Howkins—Grant, Boote; 7.  
2 Fielding—Watson, Michael; 6.  
3 Graham—Hopkins, Fielding; 6.  
4 Jordan—Byng, Young; 8.  
5 Mason—Tiers, Byng; 9.  
Dr. Mason was declared elected Warden of the County of Victoria for 1908, and took the Warden's oath.

**COMMITTEE CHAIRMAN.**  
The appointment of the chairmen of the different committees was next dealt with, and resulted as follows:  
Finance and Assessment—Thos. H. Watson.  
Roads and Bridges—Richard Howkins.  
County Property—Geo. A. Jordan.  
Education—Fielding.  
Printing—Taylor Parkin.  
Appointments to Office—Emerson Tiers.  
Watson, Howkins, — That Messrs. Grant, Eures, Hopkins, Fielding, Parkin and Byng, be an Advisory Committee for 1908.—Carried.

Jordan, Eures, — That Messrs. Parkin and Watson be committee on the House of Refuge.—Carried.  
**OTHER BUSINESS.**  
The Council then made a number of recommendations to the Advisory committee re the appointment of auditors of the Administration of Justice, members of the Board of Examiners, County representative on the Board of Education, and auditors of the County accounts.  
Hopkins, Graham, — That the report of the Board of Management of the House of Refuge be read.—Car-

ried.—The report showed things to be in a very satisfactory state.  
Judge McMillan was then heard and introduced to the Council President Creelman, of the Ontario Agricultural College at Guelph. President Creelman said he was endeavoring to show the farmers improved methods of doing things; that it was his purpose to systematize the methods of the farmers' boys, rather than teach them altogether new ways, because the farmer who already lives and works on the farm knows the practical side of farming, and what he wants is, not to be shown that he is altogether wrong, for he is not, but to have new, better and more money-making ways shown him. There are about one million people living on Ontario farms—a very large large proportion of the population of the whole Dominion. One or two colleges at widely separated points can do all for these people that they should, and so the government has selected six towns, of which Lindsay is one, to establish, what you might call supplementary branches, and so bring the good things of the colleges closer to the people and help them get bigger crops, better stock, and so forth. A good man was put in charge of each station, Mr. F. H. Reed in the case of the County of Victoria; and the Council would do well to afford him every assistance, monetary and otherwise, as he was endeavoring to help the people of the county.  
Professor Zavitz, of the same college, also spoke, and gave the Council some interesting facts concerning the production of the farm products to the products of the mine, forest and fisheries, saying the one was three times as great as the others put together. He predicted a change in farm crops within the next ten years and said the farmers should go about breeding cereals just as earnestly and scientifically as they now breed animals.  
Mr. S. J. Fox, M.P.R., also said a few words, expressing his pleasure at having President Creelman and Prof. Zavitz here.  
The Council adjourned after making arrangements to visit the Ross Hospital and the House of Refuge Wednesday morning.

The county gaol and buildings were visited immediately after adjournment.

## KILLED AGED WOMAN

Woodville Youth Confesses Murder of Mrs. Welch in Detroit.

## ROBBERY WAS THE MOTIVE

Boy of Eighteen Tells Police How He Slew the Woman—Beat Her With His Fist Until Unconscious—Then Kicked Her in the Face and Head Until She Was Dead—Then Took Trip to Buffalo.

Detroit, Jan. 23.—Percy Boyne, a youth of Woodville, Ont., last night confessed to murdering Mrs. Cornelia Welch, who was found dead in her home in this city on Jan. 7. Boyne was arrested in Woodville on Jan. 17, and brought to Detroit, where he was locked up. Since then the police have been giving him sessions in the sweatbox daily, but it was not until yesterday afternoon that he showed any signs of weakening.  
Boyne says he beat Mrs. Welch with his fist until she was unconscious, and then he kicked her on the face and head until she was dead. Then he dragged her body into her bedroom and tied her hands and feet, tore her diamond earrings out of her ears, ransacked the house, stole \$14 in money and escaped.  
He went to Buffalo, where he sold the earrings, and then went to his home in Woodville, where he was arrested.  
Although Mrs. Welch was murdered, according to Boyne's confession, on Jan. 3, her body was not found until Jan. 7.
