A SURPRISED MINISTER

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomei, which brought complete relief. Hyomei has been a veritable godsend." - Rev. Charles Sartinia, Sardinia, Ohio.

Thousands of catarrh sufferers have given up in despair. They have tried stomach dosing, snuff, sprays, and douches without success, and now believe catarrh to be incurable. But Jury & Gregory, the druggists, hold out hope to all distressed. He sells a remedy called Hyomei, which is guaranteed for catarrh, coughs, croup, bronchitis, asthma, and croup.

Hyomei (pronounced High-o-me) is medicated hair, full of the healthy virtues of the mountain pines. You breathe in the delightful antiseptic air, and as it passes over the inflamed and germ ridden membrane, it always (the inflammation, kills the germs, and drives out the disease).

A complete Hyomei outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See Jury & Gregory about it today.

Archdeacon Casey at the close of the different services addressed the congregation, extending his best wishes for a happy new year, and praying that God would bestow His blessings both spiritual and temporal, upon them.

The hard work of bread-making should be done in the flour mill—not in the kitchen.

When it is necessary for you to make bread by main strength you can rest assured that the miller hasn't done his part. His flour is not fine enough.

Royal Household Flour

is made from hard Spring wheat—a wheat that is capable of finer grinding than any other variety, and milled by a process that insures not only the finest, but also the whitest, purest and most nutritious of flours. Get enough to try from your grocer.

Important Change in C.P.R. Trans-continental Service

During the months of January and February the C.P.R. "Imperial Limited" will not run between Montreal and Winnipeg, or between Calgary and Vancouver. This change will not however, affect the travelling public from this district to any extent. The departure time of the Northwest express from Toronto is unchanged from 10.15 p.m. daily, there is no change in the last time made to Winnipeg, and for passengers to Calgary and points east, no wait in that city. Passengers for points west of Calgary and the coast will enjoy a welcome break in their long journey, arriving in Winnipeg at 12.40 p. m., and after an afternoon and evening in which to see the attractions of the western metropolis, leave for their destinations at 10.45 p. m. This opportunity to explore Winnipeg, the gateway to the northwest, and famous for its rapid growth and prosperity, will doubtless be welcomed by cross-continent travellers. The change takes effect January 1st.

William Silverwood, poll clerk, 78 years.

Nobard Hungerford, constable, 77 years.

Frightened Delivery Horse

Some excitement was caused at the G. T. R. station last Monday, when the horse attached to the Canadian Express sleigh broke its bridge and started down town. It backed up and broke its bridle, and finding itself free started to turn around. It was caught, however, before any more damage could be done.
