Strong Sermon On Local Option

Continued from page 9. politically. The late provincial government went down to defeat because of its unholy alliance with the liquor traffic, and the present government would go to, if it did not mend its ways.

Mr. Welch again emphasized the fact that the responsibility for the existence of the bar rested upon those who voted against local option. He was FREE FROM ALL RESPONSIBILITY.

He did all in his power in assisting the temperance forces and their skirts were clean of all responsibility. As one thinks of the misery, crime and degradation that is being entailed during the next three years in this town, it causes us to tremble.

The temperance forces should not be discouraged. Victory would be theirs, because they were on the winning side. He had not lost faith, and was not in the least discouraged. The liquor traffic was an evil, and evil must pass away. God was a God of righteousness and temperance would conquer in the end and the iniquitous traffic would be swept away.

Obituary

JOSEPH P. FENNELLY

The many friends of Mr. Edward Fennelly, Lindsay, will sympathize with him in the loss he has sustained by the death of his son, Joseph Patrick, aged 39 years, ten months, and twenty-one days.

The deceased has been a patient in Rockwood Hospital, Kingston, for some years, and was well known and highly respected.

The funeral will take place from the residence of his father, corner of William and Elgin-sts., at 8.30 a.m., Tuesday, to St. Mary's church thence to the Roman Catholic cemetery for interment.

PATRICK WELCH.

The death took place on Sunday morning of an old resident of South Ops in the person of Mr. Patrick Welch, Pottery Corners, aged 80 years.

The deceased gentleman was born in Ireland, and when coming to this country settled in Emily township, afterwards removing to Ops. He leaves behind him to mourn his loss, his sorrowing wife, two daughters, Mary and Margaret and four sons, Michael, William, Patrick and Edward.

The funeral, which was largely attended took place this morning at 9 o'clock. Requiem mass was chanted by Venerable Archdeacon Casey at St. Mary's church, and interment took place in the Roman Catholic cemetery.

Children Cry FOR FLETCHER'S CASTORIA

DOBSON'S SENTENCE

Niagara Falls, Ont., Jan. 10.—Before such a crowd as the dingy little Police Court here seldom sees, William Dobson, former cashier of the Canadian Express Co., who pleaded guilty with Purl Whistler to theft of \$14,000 from the company, to which he confessed under heavy pressure on New Year's Eve, was sentenced by Police Magistrate Fraser to serve four years in Kingston, and Whistler was given a sentence of a year less.

Both men broke down under the blow, which, in view of their confessions and partial restitution, was more than they expected. Whistler was the more moved of the two, and seemed on the verge of collapse. "My poor mother, my poor mother," he sobbed as he was led from the court-room. Dobson, who allowed himself to be beaten into insensibility by his fellow conspirators to lend color to the stirring tale of robbery, bore up better, although he was visibly moved.

The sentence of these two men lends a new color to the attitude of the Canadian authorities towards Chas. J. Flynn, who both say was the moving factor and master mind of the robbery.

Flynn, who lives at Niagara Falls, N.Y., was discharged in court at Lockport, N.Y., a few days ago because the Canadian police refused to let Dobson and Whistler cross the line to give evidence against Flynn, fearing difficulty in getting them back across the line. This difficulty is done away now that they are under sentence and as Flynn has failed to make restitution of his share of the profits, as he is said to have promised, he may be re-arrested and the two sent across to give evidence at his trial.

Dobson and Whistler were sent to the Welland jail at 1.19, and from there will be taken to Kingston next week.

Train Service To the North

Villages Must Provide Better Accommodation for Tourist Trade

In conversation with a railway man this morning in reference to the train service on the Haliburton line, and the complaints put in by Haliburton and Fenelon Falls, he said that the matter had been before the Railway Commission for their consideration and had been thoroughly gone into by that body—the earnings of the line, etc., were considered, and their conclusions were that this line was getting as good service as the traffic would warrant.

If the people of that district provide accommodation for the tourist trade, etc., they will get more business. The fact of the matter is there are very few modern hotels or boarding houses for those who wish to holiday in this splendid section, which for fishing and hunting and scenery cannot be beaten in Canada. He cited an instance where a gentleman from United States, representing a club of over forty members, had gone up there to locate his party but could not find accommodation, though he was very much taken with the district. He said if pullman cars and diners were run through to Haliburton it would do more harm than good to this district on this account. The fact of the matter is they could get the people, but they must have accommodation when they reach their destination, and it is up to the people of the district if they want the business and the train accommodation to do their part.

In reference to Fenelon Falls, he said that they would also have to provide more accommodation for the summer visitors, as the people coming in by the evening train were increasing each year and the hotels and boarding houses were full during the season.

Lindsay's New Public Schools

The Board of Education is highly elated on at last being able to bring our public schools up to date and a credit instead of a disgrace to the town. At every opportunity last night the talk fell into the new schools channel and all kinds of schemes for the betterment of the school accommodation were spoken of. One of the points favored by some members of the board was that there should be appointed a principal for each ward school, who would be responsible for the affairs of the school under his charge. Others

Even people who are usually healthy occasionally require some kind of a food tonic. Ferrovim, that excellent combination of beef, iron and sherry wine, if taken when the system is run down from overwork or a slight cold, will prevent a more serious illness. Ferrovim gives strength to convalescents and all thin-blooded people. \$1.00 a bottle.

The D.L. MENTHOL PLASTER. CURES every sort of Muscular pain, such as Sciatica, Stitches, Cricks, Tic, Twitching of the Muscles, Lumbago and Headache. Don't throw away money for worthless imitations, by unscrupulous makers. Get the genuine. Each plaster 25c. in an air-tight tin box, 1 yard roll \$1.00. Mailed upon receipt of price, or sample for 5c. WE GUARANTEE that they will relieve pain quicker than any other plaster. DAVIS & LAWRENCE CO., Montreal.

seemed to think that the present system of having one man responsible and head of the town schools as a unit as is now the case, is much better.

"Why not do away altogether with the north ward school," said one trustee, "and have a larger building on the union school grounds? The new building could be placed at the south-east corner of the field on the corner of Kent and Albert-sts., and it would not be much farther for the north warders to walk there than to the present north ward school. The new school could have from ten to twelve class rooms, and the scholars could be provided for very much more cheaply and far better. The work of the classes would also be more efficient." Other members were of the opinion that this arrangement, although having many good points, would hardly suit on account of the increased distance pupils from the north part of the town would have to walk. Besides, the land for the north ward school was already the property of the board.

A special meeting will be held Tuesday and the whole matter will be looked into. The board are going to do their best for the interest of all concerned.

Wedding Bells

PADGET—HUNTER.

In Toronto, Catharine E. Hunter, daughter of J. D. Hunter, was married to Mr. John A. Padget, of Lindsay. The brides' aunts, Rev. J. B. Kennedy performed the ceremony.

On Tuesday at the residence of the bride's parents, Mr. and Mrs. Richard White, South Verulam, Miss Annie White was married by Rev. Mr. Foley to Thos. B. Miller, of Nokomis, Sask. The bride was prettily dressed in a princess dress of cream silk mull. She wore a wreath of roses and lilies of the valley. Miss Edith, sister of the groom, played the wedding march. Only the near relatives of the bride and groom were present. The groom was an Omeme boy being a graduate of the Collegiate Institute, at present he is a popular farmer on the big prairies. The bride was a general favorite in the community. The marriage was a long romantic affair and attracted a wide attention. Mr. and Mrs. Miller left Thursday afternoon for their future home in Nokomis. They both have the wishes of all the vicinity that voyage through life may be a happy one.

Latest Local Option Returns

Globe: The old saying that bad news travels fast, true as it may be of most things, apparently does not apply to local option campaigns. Yesterday Rev. Ben Spence, General Secretary of the Dominion Alliance, received returns from seven additional townships which voted on local option, and of the seven, five showed that the liquor interests had been successful in holding their ground. In two of the townships they were saved by the three-fifths clause.

Cornwall township defeated local option by a majority of 37 votes, the vote being 601 for and 639 against. Chatsworth township voted 52 for and 62 against. Bangor township defeated the measure by 3 votes, the returns showing 62 for and 65 ag-

ainst. Brussels and Glenelg townships voted for local option on a straight majority basis, but the three-fifths requirement proved too big a handicap. In Brussels the vote was 166 for and 112 against, Glenelg voting 325 for and 250 against.

Bentink township carried local option by 377 to 234, while Tucker-Smith added another victory to the temperance list by voting 305 for and 177 against. No contest was held in Albermarle township, which leaves five places to be heard from—Richmond village, and the townships of Bromley, Fitzroy, North Himsworth and Torbolton. Yesterday's returns showed that Sullivan township which was counted in the list of local option victories, must be classed as a defeat, the complete figures making the vote 324 for and 335 against. The score is evened, however, by Renfrew township, which was thought to have gone "wet" being added to the "dry" list.

The returns received so far give the results of the campaign as follows:— Carried 76 Lost through three-fifths 54 Defeated 23 Repeals 2 By-laws sustained on repeal vote 8

For Improved Train Service

Minden Echo: A few days ago invitations were received by several of the town folk, with a view of meeting business men of Fenelon Falls, Kinmount, Minden, Donald and Haliburton, to consider a better train service over the road mentioned. branch of the G.T.R. The matter was being taken up by the Fenelon Falls board of trade, who wished to have the support of towns along the line in asking the railway commission for radical changes in the train service over the road mentioned.

The result was that, after talking the matter over Messrs. J. H. Delamere, D. J. Hartle, H. Soward, E. Noice, M. Brown, E. C. Young, and the Echo reporter went over on Tuesday evening and met Messrs. McDiarmid, McLean and McCallum of Fenelon Falls, who had held a meeting with the Kinmount merchants, etc., between trains on their way up.

At Haliburton Mr. Wm. Laking was called to the chair and Mr. McLean appointed secretary.

Mr. McDiarmid explained what was wanted by the Fenelon Falls people, after which Messrs Delamere, McLean, Gorrie, Chisholm, Soward, Noice, McCallum, Young, Kellett, Clark, and Hartle addressed the meeting. Many others were present, and it was agreed to ask that the Haliburton morning train should make fast time as a strictly passenger and express train, reaching Lindsay in time to catch the 8 o'clock morning flyer for Toronto, which would reach the city two hours earlier than the present connection affords. It was also unanimously agreed that the mail train leaving Lindsay at eleven o'clock should run right through to Haliburton, where the mail car could be left off and the return trip made to Lindsay in time to catch the six o'clock evening train for Toronto; and then on the arrival of the Toronto evening train a return to Haliburton be made in fast time.

It was pointed out that tourists went elsewhere because of the lack of better train service over this road. In the matter of freight, many complaints were noted by the secretary, and a freight train will be asked for in addition to the passenger service noted above.

Up late nights, eldness engagements, generally run down? Take "The D. & L." Emulsion. It will tone up your whole system, and make you feel like yourself again.—M13.

BORN

FORBERT—In Lindsay, on Wednesday, Jan 5th, 1910, to Mr. and Mrs. Felix Forbert, a son.

Train Delayed

Owing to a break in one of the flues of engine 401 this morning the regular 10.58 G.T.R. Toronto train was delayed 40 minutes.

Don't wait till your hair is gone Use Bearine (the genuine bear's grease pomade) in time and save it. 50c. a jar.—tb10.

BOARD OF EDUCATION SESSION IMPORTANT MATTERS CONSIDERED

A regular meeting of the Board of Education was held last night at eight o'clock in the Council Chamber. Those present were Chairman Thos. Stewart, Messrs. Alex. Jackson, J. D. Flavelle, J. M. Knowlson, J. W. Anderson, Neil Grey, J. G. Edwards, John Carew, Drs. White and Wood and Secretary Spier.

Principal Kirkconnell, of the Collegiate and acting principal McDougall, of the Public Schools, and also Sanitary Inspector Douglas were in attendance. At 8.10 o'clock secretary Spier read the minutes of the last meeting which were then confirmed.

REPORTS RECEIVED. The report of the Collegiate Institute for the quarter ending December was then read showing a roll of 250 students with an average attendance of 240 or 96 per cent. The fees for the quarter amounted to \$480.50 and \$2285.75 for the year.

RESIGNATION. A letter of resignation from Classical Master R. A. Croskery, was read, and on motion of Messrs. Flavelle and White was accepted. Mr. Croskery is leaving on account of larger opportunities which have opened to him outside the teaching profession.

ACKNOWLEDGEMENT. A letter of acknowledgement of appointment as Classical Master in the L.C.I. was read from Everton A. Miller.—Filed.

ANOTHER RESIGNATION. The resignation of Mr. D. McFadyen, as teacher in the Public School was read, and on motion of Messrs. Flavelle and Jackson was referred to the Advisory Board. Mr. McFadyen stated he had an offer of a much better position on the staff of the Victoria Industrial school in Toronto.

PREPARING DATA. A postal card was then read from Mr. J. Geo. Hodgins, of Toronto, stating that he was preparing sketches of the schools and collegiates of Ontario, and asking the Board to send him all available history of the schools of Lindsay for a brief sketch. After a brief discussion it was pointed out that some 10 or 12 years ago, at a re-union in the Collegiate the history of the schools had been reviewed and was published in the newspapers at the time. Mr. E. A. Hardy was in charge.

The matter was finally left in the hands of chairman Stewart, who will forward all the information asked for ARCHITECT WRITES.

A communication from Architect J. H. Ley, of Toronto, was read and allowed to stand over. Mr. Ley solicited the patronage of the Board in drawing up the plans and specifications for the new public schools. He gave references and experience and offered to submit competitive designs should the Board so desire.

A TYPEWRITER DEAL. A communication from Mr. Geo. Robertson, representative of the Monarch Typewriter Co., was next dealt with. He offered to exchange the three oldest Empire typewriters for new Monarch machines for \$25 extra. The Empires have been in use six years and although overhauled, would likely give trouble.

All the members of the Board as well as Mr. Kirkconnell were strongly of the opinion that it was a good offer, and on motion of Mr. Jackson and Dr. White the managing committee were empowered to act.

ACCOUNTS PRESENTED. The following accounts were then read and passed:

Table with 2 columns: Name and Amount. Includes Wm. Briggs (6 00), Globe Printing Co. (3 27), Thos. Gallagher (9 90), John Thorborn (65 81), Jos. Maunder & Son (33 69), The Carswell Co., Ltd. (2 95), Wm. Briggs (19 13), R. S. Porter (7 75), Bell Telephone Co. (3 75), W. B. Sparling & Co. (7 25), C. H. Jones (1 60), Flavells Ltd. (45 17), Victoria Print Shop (13 00), E. Gregory (1 51), Geo. M. Hendry Co., Ltd. (9 06), Boxall & Matthie (9 01), Geo. M. Hendry Co., Ltd. (7 95), Globe Printing Co. (1 28), Mail Printing Co. (1 2), Jos. Maunder & Son (1702), R. S. Porter (20), Bell Telephone Co. (1 75), Boxall & Matthie (23 73), Flavells Ltd. (9 25), Victoria Print Shop (13 00), H. McDonald (20 60), Wilson & Wilson (1 00), Wilson & Wilson (1 00).

Jas. Bryson Jas. Bryson Watchman-Warder Ptg. Co. THE LIGHT ACCOUNT. An account from the Light and Power Co., for \$9.79 for at the Collegiate was referred to the Finance Committee. The ordinary count for light is not nearly amount and the committee will endeavour to adjust matters with contractor, who uses the light and morning.

PAYMENT ORDERED. On motion of Messrs. J. M. Knowlson and J. Carew the treasurer was empowered to pay \$1500 to the Collegiate Institute contractor, Mr. G. Henley, on the certificate of architect.

THE HEATING PROBLEM. The difficulty in heating the building was next discussed, heating apparatus at present quite unsatisfactory. An expert Toronto, however, is on hand and the contractor was endeavouring to allay the difficulty at once.

INSURING COLLEGIATE. The matter of re-insuring the Collegiate with its addition was brought before the Board by Mr. Jackson. Mr. J. M. Knowlson had a number of valuable points and suggestions re the changing of the policies and their wording so as to include old building, the three storey addition in all particulars, the gymnasium, school apparatus, library, museum and in fact, all school equipment.

Mr. Flavelle was of the opinion insurance should be attended to once. It was stated that the present policies have not elapsed and the arrangements are being made have all come due together. On motion of Messrs. Edwards and Carew, the Finance Committee was given charge of adjusting the insurance on the collegiate and its equipment.

THE NEW ADDITION. Chairman Stewart brought up the necessity of furnishing equipment and furniture for the new addition to the Collegiate and the gymnasium. Principal Kirkconnell was requested to draw up the requirements and submit them to the Board.

THE NEW SCHOOLS. A little discussion as to the conducting of the proposed new schools took place. How principals of every school would work out was discussed in an inconsequential manner, the matter being too far in the future and the facts not at hand to take the matter seriously. The location of the schools was another subject touched on lightly. It was a feeling that letting contracts as going ahead with the necessary preliminaries to build the schools should take place as soon as possible, so special meeting was called for Tuesday, Jan. 11th, at 4.30 in the afternoon. Requests for the attendance of County Inspectors Stevens and Broderick will be sent. Messrs. D. McDougall and D. McFadyen were also asked to confer with the board on this matter.

QUESTION OF TEACHERS. The usual discussion as to teachers came up. The salary question was referred to the Advisory Board, all the necessary information being in the hands of Mr. Spier. McDougall was asked to look up a suitable person to take Miss Jewell's class, as it is understood she was taking the position only till Easter as an obligation to the Board.

INSPECTOR WAS PAID. Sanitary Inspector Douglas was heard in regard to an account for \$3 he had rendered for fumigating the east and south ward schools. On discussion it was thought that as Mr. Douglas had gone to so much trouble to avoid closing the schools and had worked all night and part Sunday on the job he should be rewarded.

On motion of Dr. White and Mr. Carew the account was passed. The meeting then adjourned.
