Na Dru Company Almanac

A good almanac is ever welcome. The annual number of the Na-Dru-Co. Almanac, the 1912 Edition, now out, s, if anything, more interesting and more useful than its two predecessors Besides the usual solar and lunar tables and dates of eclipses, the Na-Dru Co. Almanac gives much information which it would be difficult to find elsewhere. Examples of this are, the Map of Altitudes, Time Tables of the World, Figues on Area, Population, Exports and Imports, Records of Canadian Premiers, Governor-General, etc. Eearly all leading druggists have copies of the Na-Dru Co. Almanac for their customers, or it may be had by writing the National Drug & Chemical Co., of Canada, Ltd., Montreal.
