BALLAD OF ARISTOCRACY

(Note.—Mr. J. H. Burnham, M.P., has introduced a bill into parliament seeking to abolish titles of honor in Canada.)

Arise, Canadian Peers and Knights, An ye would not be slain— For, like Macbeth's, your "Burnham Wood Has come to Dunsinane!"

O put your rusty armor on— The corselet, casque and sword, And all that curio junk ye bought Where'er the stuff was stored.

And beacon to the Baronets That in their chateaux dwell— (Lo, in Quebec and Ottawa, A Chateau means hotel!)

Swift summon all the C.M.G.'s That dine at Rideau Hall With the great lord who maketh them— Who maketh and loves (!) them all.

For ye must obey, titled sirs, With all your art to kill— That spawn of low Democracy, The hateful Burnham Bill.

Then, like Don Quixote, mount your steeds, And 'gainst the Windmill tilt— So that in Hansard we may read: "The Burnham Bill is kilt!"

MR. ROWELL'S TOUR

Something almost entirely new in Ontario politics has just been completed by N. W. Rowell, K.C., M.P., leader of the Opposition, and today Mr. Rowell is receiving congratulations from every quarter. At a time when elections are at least two years distant, and while there is no heat of combat, Mr. Rowell has chosen to visit five places in Ontario within a week and to discuss with electors live Provincial topics. Last summer he and a large party of Liberals visited New Ontario, but the trip was for the purpose of gaining information and of seeing the development of the North Country even more than to deliver speeches and discuss Provincial issues, although that, too was a part of the programme.

On this occasion, however, Mr. Rowell has frankly considered political topics, and has made his audiences acquainted at first hand with the leading issues of the day. He spoke at Princeton and Bright in his own riding in North Oxford, and in North Toronto, Kingston and Berlin.

In all these places he was enthusiastically received, and in the last two places the largest halls were not large enough to accommodate the crowds.

Several definite effects of the tour are noticed. Tax reform has been discussed in its various phases, affecting both rural and city constituencies, and by making this subject the leading topic, Mr. Rowell has given conclusive proof that he stands for a square deal in favor of this progressive legislation for which there has been such a general demand but which has been turned down by the Conservatives in the Special Taxation Committee and by Sir James Whitney himself.

One of the remarkable features of the tour was the very evident change in the attitude of the people towards Sir James. Apparently he is no longer an invincible hero, but has made himself actually unpopular in many places by his reactionary stand.

Mr. Rowell also paid attention to Workmen's Compensation and to "Abolish the Bar." Even in constituencies where it might have been expected that some opposition would be shown to this advanced plank, enthusiasm for the temperance policy was evident.

Mr. Rowell was ably supported on his tour by several members of the Ontario Legislature, all of whom made a very favorable impression on the audiences, and showed that they were not allowing Mr. Rowell to bear the whole brunt of the fight alone. Among these colleagues were Thos. Marshall, M.P.P., for Monck, J. C. Elliott, M.P.P. for West Middlesex, William Proudfoot, K.C., M.P.P. for Centre Huron, and Dr. Jas. McQueen, M.P.P. for North Wentworth.

Public opinion has been thoroughly aroused by these meetings, and it is safe to predict that the coming session of the Legislature, which commences on the 4th of February, will be followed throughout the Province with quite unusual interest.

HARTLEY.

(Special to The Post.)

The Royal Arch meeting of L. O. L. No. 1153, Hartley, was held in the Orange hall here on the night of Tuesday last, the 21st, and was well attended several members from outside lodges being present. Five members were initiated to the Royal Arch Purple Marksmen degree.

A serious accident was narrowly averted on Monday last when Mr. Ernest Best was taking the clover mill from his barn. By some means

the machine swerved round off the gangway dropping several feet in doing so. Fortunately Mr. Best escaped with only very slight injuries.

Miss M. Naylor, of Islay, is visiting her friend, Miss M. Campbell.

The annual meeting of the Farmers' Institute was held in the hall last Saturday afternoon. The attendance was fairly large and several interesting addresses were given. There was no night meeting owing to the storm which continued throughout the afternoon and evening.

The windows of the school, twelve in number, have all been fitted with new storm windows.

On Tuesday Messrs Morrow and Green, of Woodville, completed their contract of putting them in place. A new four-foot stove was added to the school equipment during the recent vacation. Needless to say, the building is much more comfortable than it was under former conditions.

On Wednesday night of last week an interesting meeting was held here in the church under the auspices of the Epworth League. A short program was rendered at the commencement consisting of several recitations a pretty tableau representing the hymn, "Nearer my God to Thee" by Misses Aggie Spence, Florrie Spence and Reta Campbell, and a much appreciated song by Mrs. Boyd. At the conclusion of the program a debate was held upon the question of Women Suffrage. Resolved that the franchise should be granted to the women of Canada, upon the same basis as to men. The affirmative was eloquently upheld and won by Misses M. Campbell and M. McFadyen.

And hail, you, on the threshold! It's high time you were beginning to pay the freight. And your back debts to father and mother. You will pay them, won't you, boy? How shall you pay them? By being always and everywhere a man!—Grand Rapids Chronicle.

ATTENDED BANQUET IN PETERBORO

The annual banquet of the Peterborough Telephone Club was held on Friday night in Coleman's Palm Parlors, and was a most successful and enjoyable affair.

The gathering numbered about seventy and was a most sociable one. Every one present did full justice to the liberal provision of good things, prepared by Miss Hosts, Coleman Bros., and the sumptuous spread was evidently appreciated.

In his opening address, Mr. Doan expressed his pleasure at seeing the members of the Council and Water Commissioners present, to hear what the Telephone Company was accomplishing to improve the roads of the city.

A solo by Mr. Vernon Morphet was greatly enjoyed. He was accompanied by Dr. Holloway.

Then Mr. Simpson, the Bell Telephone Company's Development Engineer from Montreal, and the chief speaker of the evening, was called upon. He gave a splendid address on the "Development of the Telephone Business."

Mr. T. J. Tilly, manager of the local agency, and Messrs. Bock and Wetlauffer attended the banquet.

WHAT A REAL TONIC WILL DO

Strikes at the Root of Disease and Gives New Health.

If you look in your dictionary you will find the word "tonic" defined as "a medicine that increases the strength and vigor of the system." That tells why Dr. Williams' Pink Pills are a real tonic. Thousands of men and women are ailing to-day, not sick in bed, but without strength and ambition, utterly tired out after a day's work. No one organ seems to be at fault, yet the whole system is lacking in health. They do not sleep well and are always tired and nervous, many have headaches, back-aches and stomach trouble. All these people need the tonic help of Dr. Williams' Pink Pills. The beneficial influence of this medicine reaches the whole system. Dr. Williams' Pink Pills do more than relieve the systems, they actually remove the cause of the trouble. The case of Mrs. J. H. Sharpe, London, Ont., is one in proof of the above statements. Mrs. Sharpe says:—"I was so run down and weak that life was a burden. The least exertion would exhaust me so greatly that I could hardly breathe. If going up stairs, I would have to rest several minutes when I reached the top. My heart would palpitate until I felt as if it would choke me. I was extremely nervous, in fact a complete work, and would sometimes have to remain in bed for a couple of days or more at a time. I found no help from medicine until I began using Dr. Williams' Pink Pills, and my experience with them was that they made a complete cure. I gained in weight and my friends tell me I look younger than I did ten years ago—I know I certainly feel younger. I feel sure that what Dr. Williams' Pink Pills have done for me they will do to other women if given a fair chance."

If you are at all unwell do not fail to try Dr. Williams' Pink Pills, and you will find new health and strength. Sold by Medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams, Medicine Co., Brockville, Ont.

HYMENEAL

TWOHEY-GOULDING

St. Mary's church was the scene of a pretty wedding this morning at 6.30 o'clock, when Venerable Archdeacon Casey united in the holy bonds of matrimony Mr. Thos. Twohey, of North Ops, to Miss Bertha Goulding, of Tilsonburg.

The bride was attired in a blue suit with blue hat trimmed with cerise. She was assisted as bridesmaid by Miss Kate Hartnett, who was gowned in a suit of gray, with black beaver hat. Mr. P. Twohey, brother of the groom, officiated as groomsmen.

The groom's gift to the bride was a pearl necklace, to the bridesmaid a three pearl ring and to the groomsmen a scarfpin.

At the conclusion of the ceremony the happy couple left on the G.T.R. flyer for Toronto, Tilsonburg, and other points. On their return they will reside in North Ops.

The bride, who during her residence in town has become quite popular, was the recipient of many beautiful and costly presents.

FEELING REFERENCE

TO DEAD PRELATE

At St. Mary's church on Sunday Venerable Archdeacon Casey made a feeling reference to the death of His Lordship Bishop O'Connor. He referred to the exemplary and saintly life of the deceased prelate—his great love for his clergy and people—his unbounded charity as well as great zeal for the salvation of souls. Father Casey also reviewed at length his wonderful labors as head of the diocese.

A requiem mass for the repose of his soul will be sung on Friday next.
